# Gangs Opposing Viewpoints

**Matthew D. O'Deane**

## **Gangs Opposing Viewpoints:**

*Gangs* Laura K. Egendorf, 2001 Authors debate on ways to respond to the problems posed by growing gang presence

*Gangs* Charles P. Cozic, 1996 **Gangs** Charles P. Cozic, 1996 A thought provoking alarming moving discussion of gangs violence in the United States *Gangs* William Dudley, Louise I. Gerdes, 2005 Provides a collection of articles offering a variety of viewpoints on the subject of gangs **Opposing Viewpoints**, *Gangs* Scott Barbour, 2006 Presents a collection of articles and questions that debate a variety of topics on the subject of gangs **Gangs** Clive Gifford, 2010 *Gangs* deals with an issue of increasing concern in towns and cities throughout the world It explores how young people are lured into gang life the links between gangs and the crime on our streets and whether gangs can be a good force or are always a threat to society *Gangs* Gail B. Stewart, 1998 Presents contrasting viewpoints on the following questions How serious a problem are gangs in the United States What factors encourage gang behavior and How can gangs be eliminated

**Encyclopedia of Juvenile Violence** Laura L. Finley, 2006-12-30 From concerns about juveniles incorrigibility at the turn of the century to school violence in the 1990s adults have attempted to understand control and prevent juvenile violence Yet juvenile violence takes many forms including both violence by juveniles and violence against juveniles and has various causes and consequences Since juvenile violence cannot be understood without examining the social context of a given time this comprehensive encyclopedia provides a historical overview of many significant time periods and offers entries about many types of juvenile violence It covers competing theories of youth violence issues such as gender race and educational status and the criminal justice system s methods for dealing with both victims and offenders over time Additionally several topics that receive little attention in traditional volumes about juvenile violence such as hazing systemic violence in schools peaceable schools are covered in these pages Each entry utilizes current sources making the book as up to date as possible The front and back matter offer important information including a chronological list of significant events related to juvenile violence and book and Web resources Authors represent many different fields including Sociology Psychology Education History Social Work Political Science Policing and English This offers readers a diversity of perspectives and information from a variety of sources Confronting a difficult and often misunderstood subject this encyclopedia is essential to a better understanding of juvenile violence

**Encyclopedia of School Crime and Violence** Laura L. Finley, 2011-09-13 This book provides a thorough compilation of the types specific incidents relevant agencies theories responses and prevention programs relevant to crime and violence in schools and on campuses Encyclopedia of School Crime and Violence is the most comprehensive reference on this deeply unsettling topic ever undertaken No other volume integrates as much information about the many types of crime and violence occurring in schools as well as the variety of responses and prevention efforts aimed at curbing it In a series of alphabetically organized entries Encyclopedia of School Crime and Violence looks at significant cases both at high schools and on college campuses with coverage that includes professional and community

responses and theories as to why these events happened Unlike other volumes that focus only on the most sensational events the encyclopedia spans the full spectrum of school crime not just the high profile cases like Columbine and Virginia Tech but the insidious problems of theft bullying cybercrime violence sexual assault and more Coverage includes information on some cases outside the United States as well as entries on the government agencies and other organizations dedicated to analyzing and eradicating school crime and violence      **Resources in Education** ,1997-05      Encyclopedia of Juvenile Justice

Marilyn D. McShane, Frank P Williams III, 2002-12-18 The contributors consistently present complex material with a readable style relatively free of technical jargon Accordingly this outstanding reference work is highly recommended for school and public library collections as well as academic libraries and criminal justice collections REFERENCE USER SERVICES QUARTERLY There is no comparable work Useful for anyone doing research in the field of juvenile justice Highly recommended CHOICE What makes this work truly usable is its wonderful indexing and exceptional bibliographies If juvenile interaction with the judicial system is a research topic at your school this volume is one of the best sources LIBRARY MEDIA CONNECTION From boot camps to truancy the Encyclopedia of Juvenile Justice provides more than 200 up to date concise and readable entries in a single authoritative volume The editors noted authors of several criminal justice books and editors of the award winning Encyclopedia of Prisons cover historical and contemporary theories concepts and real world practices of juvenile justice in the United States The entries address a broad range of issues and topics such as alcohol and drug abuse arson the death penalty for juveniles computer and Internet crime gun violence gangs missing children school violence teen pregnancy and delinquency theories In addition topics cover society's response to the problems of juvenile justice punishments meted out to America's juvenile offenders juvenile rehabilitation programs and well known researchers and professionals in the field Key Features More than 200 articles written by a stellar collection of academic theorists and real world practitioners Complete review of the complicated juvenile legal and court system juvenile punishment rehabilitation efforts and legislation Extensive entries on child and adolescent crimes pathologies and problems Coverage of psychological biological and sociological theories of delinquency as well as historic body type theories Addresses such historical topics as the deinstitutionalization movement the Chicago Area Project and the Provo Experiment Profiles historic theorists and policymakers in juvenile justice Includes a special appendix on print and electronic resources on juvenile justice Comprehensive index including a reader's guide that facilitates browsing and offers easy access to information Recommended Libraries Public academic school law legal special and private corporate      Beyond the Mafia Sue Mahan, Katherine O'Neil, 1998-06-10 Moving past the scope of Mafia crime families in New York and Chicago Beyond the Mafia offers for the first time a comparative perspective on non traditional organized crime in the Americas Providing in depth coverage of 10 criminal groups the focus of organized crime expands to Canada and Latin America offering an extensive American view of organized crime from outside the traditional Mafia Although the groups covered have

contemporary significance chapters include a historical overview as well as future considerations Editor Sue Mahan has coordinated a coherent paradigm for the comparative study of organized crime Part I introduces organized crime as an enterprise and explores patterns found in legitimate business along with those in criminal organizations Part II discusses the role of violence in organized crime Part III covers the concept of ethnicity and the relevance of culture to organized criminal groups Part IV addresses the issue of opportunity and the ways in which opportunities for success are structured within organized crime Finally a concluding section explains the relationships between criminal justice policy and organized crime This book is a valuable text of considerable interest for university and community college students in courses on organized crime criminology and crime in the Americas scholars and researchers and professionals in the criminal justice system who are developing policies in response to organized crime

*Gang Injunctions and Abatement* Matthew D. O'Deane, 2011-12-20 As gang violence continues to rise across the country and the world police departments prosecutors and community members are seeking new methods to reduce the spread of gang related criminal activity Civil gang injunctions have become a growing feature of crime control programs in several states across the nation

*Gang Injunctions and Abatement* *Gangs and the Military* Carter F. Smith, 2019-09-20 Over the past several decades there has been a continuous and growing focus on street gangs outlaw motorcycle gangs and domestic extremist groups Many of these groups have members with military training and some actively recruit from current and former military veterans and retirees That military experience adds to the dangerousness of veteran gang members as well as those groups they associate with Communities everywhere are experiencing the damaging impact of gang criminal behavior By observing gang activity from the Revolutionary War to today Smith examines the presence of military trained often veteran gang members in the communities He looks at the turning points in gang investigations in the military and also looks at the laws and policies designed to specifically counter the criminal activity the threats of gang activity pose on a community Grounded in current knowledge and research *Gangs and the Military* successfully addresses the growing presence of criminal gang members in the United States As well as reflects on how the authorities that counter and combat them are doing so on a national and global level

**Juvenile Crime** Margaret Haerens, 2013-01-22 This book explores trends in juvenile crime in countries worldwide Readers will explore the causes and risk factors associated with youth crime This book also addresses the differences among nations juvenile justice systems and the varying ways reform is handled around the world Primary sources and essays from international sources offer a truly panoramic view Are British rates of girl game crime exploding Do Palestinian girls turn to crime to escape family trouble Should Iran Saudi Arabia and Sudan end their juvenile death penalty Hard hitting questions like these are answered in this must have volume

**Gang Nation** Monica Brown, 2002 Explores how Latino gang culture mirrors the most destructive aspects of the American Dream through a look at novels and memoirs There s a place for us Somewhere a place for us With the emergence of a rich body of literature chronicling the experiences of Latino and Latina gang members

popular understanding of this outlaw culture has advanced far beyond West Side Story. However, the diverse works discussed in this important book, ranging from the breakthrough 1967 memoir *Down These Mean Streets* and the crime novel *Carlito's Way* to the play *Zoot Suit* and the World War II era historical novel *Don't Spit on My Corner* to more recent works such as *Always Running: La Vida Loca*, *Gang Days in L.A.* and Chicana gang narratives like *Locas* and *Two Badges* all share with the award-winning musical a crucial discourse on nationality, citizenship and belonging. In *Gang Nation*, Monica Brown offers a sophisticated analysis of these narratives produced by former gang members and by outside observers writing within the Latino community. She examines the ubiquity of language and behavior within this literature that reveal the frustrated longings within gangs for greater participation in America's national culture and the desire of members to craft an alternative environment in which they are welcome. Through literature and memoirs written from within the culture, Brown illustrates how these youth mimic the rhetoric and rituals of American nationalism's most destructive aspects: intense territoriality, justification of violence and cultural chauvinism to assert their citizenship in an alternative nation. Before now, studies of gang culture have centered on either the choices of individual members or the social forces that inspire their unfocused rage. But through Latino and Chicano gang literature, Brown provides a more nuanced portrait of that culture, one that raises broader concerns about dominant nationalism, civil rights, the criminalization of urban youth of color and the often unfulfilled sense of communal identity and acceptance among American youth.

**Standard Catalog for High School Libraries** H.W. Wilson Company, 2003. Each vol. is divided into 2 parts: 1st 7th ed. Dictionary catalog and Classified catalog; 8th 9th ed. have 3rd part, Directory of publishers.

**Qualitative Approaches to Criminal Justice** Mark Pogrebin, 2003. The growth in popularity of qualitative research in the social sciences over the last two decades has been nothing short of amazing. *Qualitative Approaches to Criminal Justice: Perspectives from the Field* reveals some of the reasons for the success and stature of this unique methodological approach. Exploring the real-life experiences of criminal justice professionals, this anthology is the first book to focus solely on the use of qualitative research in various components of the criminal justice system. The collection is organized from two criminal justice perspectives: one qualitatively oriented and the other system oriented, including overviews of each qualitative method and commentaries that analyze the research techniques. Case studies illustrating actual fieldwork practices bring theory vividly to life. *Qualitative Approaches to Criminal Justice: Perspectives from the Field* is multi-faceted in both its content and application. Through its investigative techniques, which rely mainly on observations, participant observation and open-ended interviews, qualitative research reveals parts of the social world that remain hidden to more traditional methodological techniques. Recommended as a companion to an administration of criminal justice course as well as courses in qualitative research in criminal justice. Also recommended as a supplemental text for any research methods course in a criminal justice degree program including sociology, political science and legal studies.

Alcohol, Other Drugs, and Behavior John Jung, 2010. Excellent text for covering alcohol and other drugs of abuse.

Thank you definitely much for downloading **Gangs Opposing Viewpoints**. Maybe you have knowledge that, people have seen numerous times for their favorite books when this Gangs Opposing Viewpoints, but end occurring in harmful downloads.

Rather than enjoying a fine PDF considering a cup of coffee in the afternoon, instead they juggled next some harmful virus inside their computer. **Gangs Opposing Viewpoints** is open in our digital library an online right of entry to it is set as public fittingly you can download it instantly. Our digital library saves in multipart countries, allowing you to acquire the most less latency epoch to download any of our books gone this one. Merely said, the Gangs Opposing Viewpoints is universally compatible bearing in mind any devices to read.
