Gangsters From Little Caesar To The Godfather:

Gangsters from Little Caesar to the Godfather John Gabree, 1973 **Film Study** Frank Manchel, 1990-10 The four volumes of Film Study include a fresh approach to each of the basic categories in the original edition Volume one examines the film as film volume two focuses on the thematic approach to film volume three draws on the history of film and volume four contains extensive appendices listing film distributors sources and historical information as well as an index of authors titles and film personalities *Dreams & Dead Ends* Jack Shadoian, 2003 Table of contents The Gangster Film Ron Wilson, 2014-12-16 This volume examines the gangster film in its historical context with an emphasis on the ways the image of the gangster has adapted and changed as a result of socio cultural circumstances From its origins in Progressive era reforms to its use as an indictment of corporate greed the gangster film has often provided a template for critiquing American ideas and values concerning individualism success and business acumen The gangster genre has also been useful in critically examining race and ethnicity in American culture in terms of otherness Films studied include *Musketeers of Pig Alley* 1912 *The Racket* 1928 *The Captive City* 1952 *The Godfather Part Two* 1974 *Goodfellas* 1990 and *Killing Them Softly* 2012 **The Gangster Film Reader** Alain Silver, James Ursini, 2007-02 In the 1930s the gangster film in the United States coincided with a very real and very sensational gangsterism at large in American society *Little Caesar* 1931 *The Public Enemy* 1931 and *Scarface* 1932 borrowed liberally from the newspapers and books of the era With the release of just these three motion pictures in barely more than a year s time Hollywood quintessentially defined the genre The characters the situations and the icons from fast cars and tommy guns to fancy fedoras and fancier molls established the audience expectations associated with the gangster film that remain in force to this day As with their *Film Noir Reader* series using both reprints of seminal articles and new pieces editors Silver and Ursini have assembled a group of essays that presents an exhaustive overview of this still vital genre Reprints of work by such well known film historians as Robin Wood Andrew Sarris Carlos Clarens Paul Schrader and Stuart Kaminsky explore the evolution of the gangster film through the 1970s and *The Godfather* Parts 2 and 3 comprise two dozen newer articles most of them written expressly for this volume by Ursini and Silver These case studies and thematic analyses from *White Heat* to the remake of *Scarface* to *The Sopranos* complete the anthology **Italian Americans in Film** Daniele Fioretti, Fulvio Orsitto, 2022-11-30 This book examines how Italian Americans have been represented in cinema from the depiction of Italian migration in New Orleans in the 1890s *Vendetta* to the transition from first to second generation immigrants *Ask the Dust* and from the establishment of the stereotype of the Italian American gangster *Little Caesar* *Scarface* to its re definition *Mean Streets* along with a peculiar depiction of Italian American masculinity *Marty* *Raging Bull* For many years Italian migration studies in the United States have commented on the way cinema contributed to the creation of an identifiable Italian American identity More recently scholars have recognized the existence of a more nuanced plurality of Italian American identities that reflects social and historical elements

class backgrounds and the relationship with other ethnic minorities The second part of the book challenges the most common stereotypes of Italian Americanness food Big Night and Mafia deconstructing the criminal tropes that have contributed to shaping the perception of Italian American mafiosi in The Funeral Goodfellas Donnie Brasco and the first two chapters of the Godfather trilogy At the crossroads of the fields of Italian Culture Italian American Culture Film Studies and Migration Studies Italian Americans in Film is written not only for undergraduate and graduate students but also for scholars who teach courses on Italian American Cinema and Visual Culture
