Patrick Magee

with Foreword by Danny Morrison

Gangsters Or Guerrillas Representations Of Irish Republicans In Troubles Fiction

Brendan O'Leary

Gangsters Or Guerrillas Representations Of Irish Republicans In Troubles Fiction:

Gangsters Or Guerrillas? Patrick Magee, 2001 While serving a 50 year prison sentence after being charged with involvement in an IRA bombing Patrick Magee dedicated himself to the study of fiction dealing with the conflict in North Ireland Out of those years comes this fascinating work in which Magee critically assesses various literary representations of republicans and their struggle as an ideological and political tool of British propaganda Magee invokes the necessity of reading these texts critically as a reading that accepts these novels at face value continues to hinder resolution of the division of Ireland *100 Years of Irish Republican Violence: 1916-2016* John Morrison, Paul Gill, 2018-04-19 At Easter of 1916 an armed insurrection launched by paramilitary republicans took place in Ireland When the General Post Office in Dublin was seized on Easter Monday the rebels declared a free Irish Republic independent from Great Britain In the century that has passed since the Easter Rising each generation of Irish republicans has mounted their own paramilitary campaign to bring about an independent united Ireland from the War of Independence to The Troubles and right up to the modern day dissident republican violence By bringing together a range of researchers from across a variety of academic disciplines this edited volume analyses the one hundred years of Irish republican violence from 1916 to 2016 The assembled authors assess the evolution of paramilitary violence through a variety of themes including the IRA from 1919-21 the case of the Disappeared the relationship between counterterrorism killings and Provisional IRA bombings and the analysis of modern day violent dissident republican statements Bringing the volume to a close are two long form interviews with two key actors within the Troubles Danny Morrison and Billy Hutchinson In these interviews they discuss their own perspective on one hundred years of Irish republican paramilitary violence This book was originally published as a special issue of *Terrorism and Political Violence*

IRA, The Bombs and the Bullets A. R. Oppenheimer, 2008-10-16 In this groundbreaking title A R Oppenheimer tells how the Irish Republican Army became the most adept and experienced insurgency group the world has ever seen through their bombing expertise and how after generations of conflict it all came to an end The book is a comprehensive account of more than 150 years of Irish republican strategic tactical and operational details and an analysis of the IRA's mission doctrine targeting and acquisition of weapons and explosives As a leading expert on non conventional weapons and explosives Oppenheimer vividly presents the story behind the bombs those who built and deployed them those who had to deal with and dismantle them and those who suffered or died from them He analyses where how and why the IRA's 19 000 bombs were built targeted and deployed and explores what the IRA was hoping to accomplish in its unrivaled campaign of violence and insurgency through covert acquisition training intelligence and counter intelligence Beginning with the Fenian Dynamiters in the second half of the nineteenth century Oppenheimer fully describes and assesses the impact of the pre 1970s bombing campaigns in Northern Ireland and England and the evolution of strategies and tactics during the Troubles He concludes with the decommissioning of an arsenal big enough to arm several battalions which included an entire

home crafted missile system an unsurpassed range of improvised explosive devices IEDs and enough explosives to blow up several urban centres The author scrutinises the level of deadly improvisation that became the hallmark of the Provisional IRA s expertise and the ingenuity in its pioneering IED timing delay and disguise technologies and follows the arms race it carried on with the British Army and security services in a long war of mutual assured disruption He also provides an insight into the bombing equipment and guns in the vast IRA inventory held at Irish Police HQ in Dublin

A Treatise on Northern Ireland, Volume I Brendan O'Leary, 2019-04-11 This brilliantly innovative synthesis of narrative and analysis illuminates how British colonialism shaped the formation and political cultures of what became Northern Ireland and the Irish Free State A Treatise on Northern Ireland Volume I provides a somber and compelling comparative audit of the scale of recent conflict in Northern Ireland and explains its historical origins Contrasting colonial and sectarianized accounts of modern Irish history Brendan O Leary shows that a judicious meld of these perspectives provides a properly political account of direct and indirect rule and of administrative and settler colonialism The British state incorporated Ulster and Ireland into a deeply unequal Union after four re conquests over two centuries had successively defeated the Ulster Gaels the Catholic Confederates the Jacobites and the United Irishmen and their respective European allies Founded as a union of Protestants in Great Britain and Ireland rather than of the British and the Irish nations the colonial and sectarian Union was infamously punctured in the catastrophe of the Great Famine The subsequent mobilization of Irish nationalists and Ulster unionists and two republican insurrections amid the cataclysm and aftermath of World War I brought the now partly democratized Union to an unexpected end aside from a shrunken rump of British authority baptized as Northern Ireland Home rule would be granted to those who had claimed not to want it after having been refused to those who had ardently sought it The failure of possible federal reconstructions of the Union and the fateful partition of the island are explained and systematically compared with other British colonial partitions Northern Ireland was invented in accordance with British interests to resolve the hereditary animosities between the descendants of Irish natives and British settlers in Ireland In the long run the invention proved unfit for purpose Indispensable for explaining contemporary institutions and mentalities this volume clears the path for the intelligent reader determined to understand contemporary Northern Ireland

The IRA and Armed Struggle Rogelio Alonso, 2007-03-12 The IRA is one of the oldest terrorist organizations in the world and conducted a ferociously violent campaign for almost thirty years Now deeply enmeshed in the Northern Ireland peace process Rogelio Alonso asks why one of the bloodiest terrorist movements of our time decide to swap weapons for the ballot box Based on over seventy interviews conducted with former and existing members of the IRA Alonso also provides a rigorous evaluation of the personal and political consequences of the IRA s campaign of violence The analysis of these interviews radically challenges the dominant academic analysis of Irish terrorism This book includes a strong criticism of the armed struggle constructed around the discourse of those who waged it and answers the question faced by many armed revolutionary

movements Was the war worth it Translated from the critically acclaimed Matar por Irlanda and available in English for the first time this is a provocative and new approach to understanding the IRA It is essential reading for readers and researchers with an interest in Irish politics and history terrorism and political violence *A Treatise on Northern Ireland* Brendan O'Leary, 2019 The first volume of the definitive political history of Northern Ireland *Irish Literature* Mary Ketsin, 2004 Irish literature's roots have been traced to the 7th 9th century This is a rich and hardy literature starting with descriptions of the brave deeds of kings saints and other heroes These were followed by generous veins of religious historical genealogical scientific and other works The development of prose poetry and drama raced along with the times Modern well known Irish writers include William Yeats James Joyce Sean Casey George Bernard Shaw Oscar Wilde John Synge and Samuel Beckett

Transforming Violent Political Movements Kevin E. Grisham, 2014-03-21 This book explores the factors that influence violent rebellious political organisations to transform into other entities such as political parties criminal organisations and terrorist organisations From the end of the Second World War until 1990 many events in the world centred on the bipolar struggle between the United States and the USSR Although there were numerous civil wars occurring during the Cold War era many of these conflicts went virtually unnoticed unless they were linked to the Cold War struggle for ideological dominance In the aftermath of the fall of the Soviet Union the number of intra state conflicts was prevalent around the globe Along with the occurrence of civil wars a variety of violent political movements also developed Examining cases from Latin America Africa Europe and Asia this book addresses how violent political movements transform during and after conflict into new types of organisations using the collective political violence transformative CPVT model The study uses a combination of pre existing literature from the fields of sociology and political science archival research and interviews with movement members former and active conducted by the author In studying the Provisional IRA and Sinn Féin in the Spear of the Nation MK and the African National Congress ANC the Abu Sayyaf Group and the Revolutionary Armed Forces of Colombia FARC EP *Transforming Violent Political Movements* paints a picture of organisations that have to respond to their environments to survive This book will be of much interest to students of political violence terrorism war and conflict studies security studies and IR **Armed Struggle** Richard English, 2008-09-04 A timely work of major historical importance examining the whole spectrum of events from the 1916 Easter Rising to the current and ongoing peace process fully updated with a new afterword for the paperback edition An essential book closely reasoned formidably intelligent and utterly compelling required reading across the political spectrum important and riveting Roy Foster The Times An outstanding new book on the IRA a calm rational but in the end devastating deconstruction of the IRA Henry McDonald Observer Superb the first full history of the IRA and the best overall account of the organization English writes to the highest scholarly standards Moreover he writes with the common reader in mind he has crafted a fine balance of detail and analysis and his prose is clear fresh and jargon free sets a new standard for debate on republicanism Peter Hart Irish Times The one book I recommend for anyone trying to

understand the craziness and complexity of the Northern Ireland tragedy Frank McCourt author of Angela's Ashes

Transitional Justice and the Politics of Inscription Joseph Robinson, 2017-08-04 Taking Northern Ireland as its primary case study this book applies the burgeoning literature in memory studies to the primary question of transitional justice how shall societies and individuals reckon with a traumatic past Joseph Robinson argues that without understanding how memory shapes moulds and frames narratives of the past in the minds of communities and individuals theorists and practitioners may not be able to fully appreciate the complex emotive realities of transitional political landscapes Drawing on interviews with what the author terms memory curators coupled with a robust analysis of secondary literature from a range of transitional cases the book analyses how the bodies of the dead the injured and the traumatised are written into or written out of transitional justice The author argues that scholars cannot appreciate the dynamism of transitional memory space unless they first engage with the often silenced or marginalised voices whose memories remain trapped behind the antagonistic politics of fear and division Ultimately challenging the imperative of national reconciliation the author argues for a politics of public memory that incubates at multiple nodes of social production and can facilitate a vibrant democratic debate over the ways in which a traumatic past can or should be remembered Writing Resistance in Northern Ireland Aimée

Walsh, 2024-04-02 *Writing Resistance in Northern Ireland* is an examination of feminist republicanism's in the north of Ireland between 1975 and 1986 Republican prison protest was rife during this period and fractures opened up between the feminist and republican movements Despite their shared objective of self determination the two movements did not achieve a natural or total congruence While it has been argued that there is a disjuncture between feminism and nationalism this book argues for a new perspective on feminist republicanism's in the north and tells the story of a niche collective of republican feminists who came to the fore during the Troubles and sought bodily political and economic autonomy The book examines source material including historical narratives jail writings journalism documentary film and literary texts and paints a vivid picture of a movement of republican feminist women's writing concerned with political crisis gender and the nation Aimée Walsh uses the plural republicanism's as a way of encapsulating the varied iterations of nationalist feminism from militant republicanism in Armagh Gaol to a non violent literary nationalist feminism This examination of the interaction between nationalism and gender shows how the study of women's writing can offer a paradigm shift in the history of the Troubles as seen through a feminist lens Demons, Hamlets and Femmes Fatales Jayne Steel, 2007 The book provides a lively

discussion of the ways in which popular fiction appropriates the figure of the Provisional IRA activist and the political conflict within the north of Ireland It looks at how authors recreations or transformations of Irish republicanism might reveal self referential images that are ultimately a product of national identity and or gender identity An important focus of the book interrogates British fascination and fixation with the Provisional IRA and its terrors The many novels discussed in this study include Gerald Seymour Harry's Game Campbell Armstrong Jig Bernard MacLaverty Cal Mary Costello Titanic Town Jennifer

Johnston *Shadows on our Skin* Deidre Madden *One by One through the Darkness* *The Thriller and Northern Ireland since 1969* Aaron Kelly, 2017-03-02 For the past 30 years the so called Troubles thriller has been the dominant fictional mode for representing Northern Ireland leading to the charge that the crudity of this popular genre appropriately reflects the social degradation of the North Aaron Kelly challenges both these judgments showing that the historical questions raised by setting a thriller in Northern Ireland disrupt the conventions of the crime novel and allow for a new understanding of both the genre and the country Two essays on crime fiction by Walter Benjamin and Berthold Brecht appear here for the first time in English translation By demonstrating the relevance of these theorists as well as other key European thinkers such as Antonio Gramsci Louis Althusser and Slavoj Zizek to his interdisciplinary study of Irish culture and the crime novel Kelly refutes the idea that Northern Ireland is a stagnate anomaly that has been bypassed by European history and remained impervious to cultural transformation On the contrary Kelly's examination of authors such as Jack Higgins Tom Clancy Gerald Seymour Colin Bateman and Eoin McNamee shows that profound historical change and complexity have characterized both Northern Ireland and the thriller form *Writing Ireland's Working Class* Michael Pierse, 2016-04-30 Exploring writing of working class Dublin after Seán O'Casey this book breaks new ground in Irish Studies unearthing submerged narratives of class in Irish life Examining how working class identity is depicted by authors like Brendan Behan and Roddy Doyle it discusses how this hidden urban Ireland has appeared in the country's literature **If It Was Not For Terrorism** Banu Baybars Hawks, Lemi Baruh, 2011-07-12 *If It Was Not for Terrorism* Crisis Compromise and Elite Discourse in the Age of War on Terror aims to investigate questions regarding the hegemonic power that is exercised by elites and mass media through the discourse of War on Terror The chapters in the volume provide case studies from a wide variety of geographies to debate questions regarding the construction of the meaning of terrorism communication of collective identities and otherness and media frames regarding the War on Terror civil liberties and government restrictions In bringing this collection together it was the editors' intention to provide a venue for discussion of expressions and diverse concerns around the themes of media and terrorism from international and interdisciplinary perspectives The edited volume is divided into two parts The first part focuses on elite discourse about the definition of terrorism and discursive strategies involved in construction of us vs others The second part of the volume investigates issues related to media framing of the compromises that are deemed necessary for success in the War on Terror At the same time several chapters of this part also identify opportunities for resistance to hegemonic discourse *Translating Frantz Fanon Across Continents and Languages* Kathryn Batchelor, Sue-Ann Harding, 2017-04-21 This book provides an innovative look at the reception of Frantz Fanon's texts investigating how when where and why these especially his seminal *Les Damnés de la Terre* 1961 were first translated and read Building on renewed interest in the author's works in both postcolonial studies and revolutionary movements in recent years as well as travelling theory micro history and *histoire croisée* interests in Translation Studies the volume tells the stories of translations of Fanon's

texts into twelve different languages Arabic Danish English German Italian Norwegian Persian Polish Russian Serbo Croatian Swahili and Swedish bringing both a historical and multilingual perspective to the ways in which Fanon is cited today With contributions from an international interdisciplinary group of scholars the stories told combine themes of movement and place personal networks and agency politics and activism archival research and textual analysis creating a book that is a fresh and comprehensive volume on the translated works of Frantz Fanon and essential reading for scholars in translation studies postcolonial studies cultural studies critical race studies and African and African diaspora literature *'The Age-old Struggle'* Jack Hepworth, 2021 The Age Old Struggle analyses the internal dynamics of Irish republicanism between the outbreak of the Troubles in 1969 and the Good Friday Agreement of 1998 Drawing upon the words and writings of more than 250 Irish republicans this book scrutinises the movement's historical and contemporary complexity Yet it also examines the centripetal forces which connected republican organisations through decades of struggle **Irish Freedom** Richard English, 2008-09-04 Richard English's brilliant new book now available in paperback is a compelling narrative history of Irish nationalism in which events are not merely recounted but analysed Full of rich detail drawn from years of original research and also from the extensive specialist literature on the subject it offers explanations of why Irish nationalists have believed and acted as they have why their ideas and strategies have changed over time and what effect Irish nationalism has had in shaping modern Ireland It takes us from the Ulster Plantation to Home Rule from the Famine of 1847 to the Hunger Strikes of the 1970s from Parnell to Pearse from Wolfe Tone to Gerry Adams from the bitter struggle of the Civil War to the uneasy peace of the early twenty first century Is it imaginable that Ireland might as some have suggested be about to enter a post nationalist period Or will Irish nationalism remain a defining force on the island in future years a courageous and successful attempt to synthesise the entire story between two covers for the neophyte and for the exhausted specialist alike Tom Garvin Irish Times **The Oxford History of the Irish Book, Volume V** Clare Hutton, Patrick Walsh, 2011-06-23 Part of a series providing an authoritative history of the book in Ireland this volume comprehensively outlines the history of 20th century Irish book culture This book embraces all the written and printed traditions and heritages of Ireland and places them in the global context of a worldwide interest in book histories Critical Terrorism Studies Jacob L. Stump, Priya Dixit, 2013 This book is an introduction to critical approaches to terrorism studies While there is a growing body of Critical Terrorism Studies CTS literature devoted to empirical examples and conceptual development very little has been written about how to systematically carry out this kind of research Critical Terrorism Studies fills this gap by addressing three key themes The position of terrorism studies and critical terrorism studies in the discipline of International Relations IR Theoretical and methodological elaborations of critical approaches to the study of terrorism Empirical illustrations of those approaches Drawing upon a range of engaging material the volume reviews a series of non variable based methodological approaches It then goes on to provide empirical examples that illustrate how these approaches have been and can be utilized by students

teachers and postgraduate researchers alike to critically and rigorously study terrorism This textbook will be of much interest to students of terrorism studies sociology critical security studies and IR in general

Gangsters Or Guerrillas Representations Of Irish Republicans In Troubles Fiction Introduction

In today's digital age, the availability of Gangsters Or Guerrillas Representations Of Irish Republicans In Troubles Fiction books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Gangsters Or Guerrillas Representations Of Irish Republicans In Troubles Fiction books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Gangsters Or Guerrillas Representations Of Irish Republicans In Troubles Fiction books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Gangsters Or Guerrillas Representations Of Irish Republicans In Troubles Fiction versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Gangsters Or Guerrillas Representations Of Irish Republicans In Troubles Fiction books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Gangsters Or Guerrillas Representations Of Irish Republicans In Troubles Fiction books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in

the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Gangsters Or Guerrillas Representations Of Irish Republicans In Troubles Fiction books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Gangsters Or Guerrillas Representations Of Irish Republicans In Troubles Fiction books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Gangsters Or Guerrillas Representations Of Irish Republicans In Troubles Fiction books and manuals for download and embark on your journey of knowledge?

FAQs About Gangsters Or Guerrillas Representations Of Irish Republicans In Troubles Fiction Books

1. Where can I buy Gangsters Or Guerrillas Representations Of Irish Republicans In Troubles Fiction books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Gangsters Or Guerrillas Representations Of Irish Republicans In Troubles Fiction book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join

book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
