Gannet J. N. P. Watson,1990-01-01 *Marlborough's Shadow* J. N. P. Watson,2020-01-31 Several writers have remarked that Marlborough could have never achieved his great military success during the War of the Spanish Succession without the support industry and ingenuity of his Chief of Staff Quartermaster General and Chief of Intelligence General William Cadogan who became the 1st Earl of Cadogan and who in 1722 succeeded Marlborough as Commander in Chief of the British Army Apart from the other considerations Marlborough then in his 50 s was relatively frail and prone to fevers and headaches whereas Cadogan the better educated officer was still in his early 30 s and very fit This the story of a most able young general is a must for all those interested in military history particularly that relating to the early 18th century However Cadogan was a more complex and more interesting personality than his career as a soldier indicates He possessed the charm the wisdom the powers of persuasion and the linguistic ability to make an outstanding diplomat He proved indeed to be the brightest roving ambassador of the reign of George I And yet despite all his positive attributes he was not a man political or of financial integrity *Country Life* ,1910 **The Writers Directory 2008** Michelle Kazensky,2007-06 Features bibliographical biographical and contact information for living authors worldwide who have at least one English publication Entries include name pseudonyms addresses citizenship birth date specialization career information and a bibliography **The Writers Directory** ,2003 **Whitaker's Book List** ,1991 **The Wiltshire Archaeological and Natural History Magazine** ,1888 Includes proceedings of the annual general meetings of the Wiltshire Archaeological and Natural History Society **A System of Natural History** Augustus Addison Gould,1834 **New Complete and Universal Natural History, of All the Most Remarkable Quadrupeds, Birds ...** J.
