Elia Kazan A Life:

Elia Kazan: A Life Elia Kazan, 2011-10-16 ONE OF THE HOLLYWOOD REPORTER S 100 GREATEST FILM BOOKS OF ALL TIME In this amazing autobiography Kazan at seventy eight brings us the undiluted telling of his story and revelation of himself all the passion vitality and truth the almost outrageous honesty that have made him so formidable a stage director A Streetcar Named Desire Death of a Salesman All My Sons Cat on a Hot Tin Roof Tea and Sympathy film director On the Waterfront East of Eden Gentleman s Agreement Splendor in the Grass Baby Doll The Last Tycoon A Face in the Crowd and novelist the number one best seller The Arrangement This is the best autobiography I ve read by a prominent American in I don t know how many years It is endlessly absorbing and I believe this is because it concerns a man who is looking to find a coherent philosophy that will be tough enough to contain all that is ugly in his person and his experience yet shall prove sufficiently compassionate to give honest judgment on himself and others Somehow the author brings this off Elia Kazan A Life has that candor of confession which is possible only when the deepest wounds have healed and honesty can achieve what honesty so rarely arrives at a rich and hearty flavor By such means a famous director has written a book that offers the kind of human wealth we find in a major novel Norman Mailer Kazan gives us his sense of himself as an outsider a Greek rug merchant s son born in Turkey an immigrant s son raised in New York and educated at Williams College He takes us into the almost accidental sojourn at the Yale Drama School that triggered his commitment to theatre and his edgy exciting apprenticeship with the new and astonishing Group Theatre as stagehand and stage manager and as actor Waiting for Lefty Golden Boy his first nervous and then successful attempts at directing for theatre and movies The Skin of Our Teeth A Tree Grows in Brooklyn his return to New York to co found the Actors Studio and his long and ambivalent relationship with Lee Strasberg his emergence as premier director on both coasts With his director s eye for the telling scene Kazan shares the joys and complications of production his unique insights on acting directing and producing He makes us feel the close presence of the actors producers and writers he s worked with James Dean Marlon Brando Tennessee Williams Vivien Leigh Tallulah Bankhead Sam Spiegel Darryl Zanuck Harold Clurman Arthur Miller Budd Schulberg James Baldwin Clifford Odets and John Steinbeck among them He gives us a frank and affectionate portrait of Marilyn Monroe He talks with startling candor about himself as husband and in the years where he obsessively sought adventure outside marriage as lover For the first time he discusses his Communist Party years and his wrenching decision in 1952 to be a cooperative witness before HUAC He writes about his birth as a writer The pace and organic drama of his narrative his grasp of the life and politics of Broadway and Hollywood the keenness with which he observes the men and women and worlds around him and above all the honest with which he pursues and captures his own essence make this one of the most fascinating autobiographies of our time **Elia Kazan** ,1974 *The Ambivalent Legacy of Elia Kazan* Ron Briley, 2016-10-28 Elia Kazan first made a name for himself on the Broadway stage directing productions of such classics as The Skin of Our Teeth Death of Salesman and A

Streetcar Named Desire His venture to Hollywood was no less successful He won an Oscar for only his second film Gentleman s Agreement and his screen version of Streetcar has been hailed as one of the great film adaptations of a staged work But in 1952 Kazan s stature was compromised when he was called to testify before the House Un American Activities Committee HUAC Kazan s decision to name names allowed him to continue his filmmaking career but at what price to him and the Hollywood community In The Ambivalent Legacy of Elia Kazan The Politics of the Post HUAC Films Ron Briley looks at the work of this unquestionable master of cinema whose testimony against former friends and associates influenced his body of work By closely examining the films Kazan helmed between 1953 and 1976 Briley suggests that the director s work during this period reflected his ongoing leftist and progressive political orientation The films scrutinized in this book include Viva Zapata East of Eden A Face in the Crowd Splendor in the Grass America America The Last Tycoon and most notably On the Waterfront which many critics interpret as an effort to justify his HUAC testimony In 1999 Kazan was awarded an honorary Oscar that caused considerable division within the Hollywood community highlighting the lingering effects of the director s testimony The blacklist had a lasting impact on those who were named and those who did the naming and the controversy of the HUAC hearings still resonates today The Ambivalent Legacy of Elia Kazan will be of interest to historians of postwar America cinema scholars and movie fans who want to revisit some of the director s most significant films in a new light

Elia Kazan Elia Kazan,2000 Forty years of interviews with the theater and film director whose reputation has often been overshadowed by his testimony against fellow film industry professionals during the 1952 HUAC hearings **The Selected Letters of Elia Kazan** Elia Kazan,2016-03-08 This fully annotated selection of Elia Kazan s letters reveals all the passion vitality and raw honesty that made him such a towering figure in American theater and film Kazan s determination to be a sincere conscious practicing artist resounds through every phase of his career his apprenticeship with the Group Theatre his co founding of the Actors Studio and co direction of the Repertory Theater of Lincoln Center and his innovative directing on Broadway A Streetcar Named Desire and Death of a Salesman and in Hollywood On the Waterfront and East of Eden Kazan collaborated with some of the greatest writers of the era including Arthur Miller Tennessee Williams Thornton Wilder and John Steinbeck His letters to and about Marlon Brando James Dean Warren Beatty Robert De Niro and others are full of insights on acting and directing We see his heated dealings with studio moguls his principled resistance to censorship the upheavals of testifying before the House Committee on Un American Activities We glimpse his inner life in his startlingly candid letters to his first wife and those to and about his children The Selected Letters provides an extraordinary portrait of a complex intense monumentally talented man who engaged the political moral and artistic currents of the twentieth century

“Keep ‘Em in the East” Richard Koszarski,2021-07-20 The year 1955 was a watershed one for New York s film industry Elia Kazan s On the Waterfront took home eight Oscars and more quietly Stanley Kubrick released the low budget classic Killer s Kiss A wave of films that changed how American movies were made soon followed led by directors such as Sidney

Lumet William Friedkin Francis Ford Coppola and Martin Scorsese Yet this resurgence could not have occurred without a deeply rooted tradition of local film production Richard Koszarski chronicles the compelling and often surprising origins of New York's postwar film renaissance looking beyond such classics as *Naked City* *Kiss of Death* and *Portrait of Jennie* He examines the social cultural and economic forces that shaped New York filmmaking from city politics to union regulations and shows how decades of low budget independent production taught local filmmakers how to capture the city's grit liveliness and allure He reveals the importance of race films all Black productions intended for segregated African American audiences that not only helped keep the film business afloat but also nurtured a core group of writers directors designers and technicians Detailed production histories of *On the Waterfront* and *Killer's Kiss* films that appear here in a completely new light illustrate the distinctive characteristics of New York cinema Drawing on a vast array of research including studio libraries censorship records union archives and interviews with participants *Keep Em in the East* rewrites a crucial chapter in the history of American cinema

On the Irish Waterfront James T. Fisher, 2011-01-15 Site of the world's busiest and most lucrative harbor throughout the first half of the twentieth century the Port of New York was also the historic preserve of Irish American gangsters politicians longshoremen's union leaders and powerful Roman Catholic pastors This is the demimonde depicted to stunning effect in Elia Kazan's *On the Waterfront* 1954 and into which James T. Fisher takes readers in this remarkable and engaging historical account of the classic film's backstory Fisher introduces readers to the real Father Pete Barry featured in *On the Waterfront* John M. Pete Corridan a crusading priest committed to winning union democracy and social justice for the port's dockworkers and their families A Jesuit labor school instructor not a parish priest Corridan was on but not of Manhattan's West Side Irish waterfront His ferocious advocacy was resisted by the very men he sought to rescue from the violence and criminality that rendered the port a jungle an outlaw frontier in the words of investigative reporter Malcolm Johnson Driven off the waterfront Corridan forged creative and spiritual alliances with men like Johnson and Budd Schulberg the screenwriter who worked with Corridan for five years to turn Johnson's Pulitzer Prize winning 1948 newspaper expos into a movie Fisher's detailed account of the waterfront priest's central role in the film's creation challenges standard views of the film as a post facto justification for Kazan and Schulberg's testimony as ex communists before the House Committee on Un American Activities *On the Irish Waterfront* is also a detailed social history of the New York New Jersey waterfront from the rise of Irish American entrepreneurs and political bosses during the World War I era to the mid 1950s when the emergence of a revolutionary new mode of cargo shipping signaled a radical reorganization

of the port This book explores the conflicts experienced and accommodations made by an insular Irish Catholic community forced to adapt its economic political and religious lives to powerful forces of change both local and global in scope *Fifty Hollywood Directors* Suzanne Leonard, Yvonne Tasker, 2014-11-20 *Fifty Hollywood Directors* introduces the most important iconic and influential filmmakers who worked in Hollywood between the end of the silent period and the birth of the blockbuster By exploring the historical cultural and technological contexts in which each director was working this book traces the formative period in commercial cinema when directors went from pioneers to industry heavyweights Each entry discusses a director's practices and body of work and features a brief biography and suggestions for further reading Entries include Frank Capra Cecil B DeMille John Ford Alfred Hitchcock Fritz Lang Orson Welles DW Griffith King Vidor This is an indispensable guide for anyone interested in film history Hollywood and the development of the role of the director

Movie-Made Appalachia John C. Inscoe, 2020-11-24 While Hollywood deserves its reputation for much maligned portrayals of southern highlanders on screen the film industry also deserves credit for a long standing tradition of more serious and meaningful depictions of Appalachia's people Surveying some two dozen films and the literary and historical sources from which they were adapted John C Inscoe argues that in the American imagination Appalachia has long represented far more than deprived and depraved hillbillies Rather the films he highlights serve as effective conduits into the region's past some grounded firmly in documented realities and life stories others only loosely so In either case they deserve more credit than they have received for creating sympathetic and often complex characters who interact within families households and communities amidst a wide array of historical contingencies They provide credible and informative narratives that respect the specifics of the times and places in which they are set Having used many of these movies as teaching tools in college classrooms Inscoe demonstrates the cumulative effect of analyzing them in terms of shared themes and topics to convey far more generous insights into Appalachia and its history than one would have expected to emerge from southern California's dream factory *Elia Kazan* Richard Schickel, 2011-08-02 No mere page turner this is a page devourer generating the kind of suspense that is usually the province of the playwright or novelist The New York Times Book Review Few figures in film and theater history tower like Elia Kazan Born in 1909 to Greek parents in Istanbul Turkey he arrived in America with incomparable vision and drive and by the 1950s he was the most important and influential director in the nation simultaneously dominating both theater and film His productions of *A Streetcar Named Desire* and *Death of a Salesman* reshaped the values of the stage His films most notably *On the Waterfront* brought a new realism and a new intensity of performance to the movies Kazan's career spanned times of enormous change in his adopted country and his work affiliated him with many of America's great artistic moments and figures from New York City's Group Theatre of the 1930s to the rebellious forefront of 1950s Hollywood from Katharine Hepburn and Spencer Tracy to Marlon Brando and James Dean Ebullient and secretive bold and self doubting beloved yet reviled for naming names before the House Un

American Activities Committee Kazan was an individual as complex and fascinating as any he directed. Noted film historian and critic Richard Schickel illuminates much more than a single astonishing life and life's work. He pays discerning tribute to the power of theater and film and casts a new light on six crucial decades of American history. Includes photographs. A New York Times Notable Book. Magnificent. The Washington Post. Unsparingly thorough. Publishers Weekly. Remarkably insightful. Martin Scorsese. Vividly conveys the director's potent personality, his exuberance, relentless work ethic, and frank assessments of the fleeting nature of fame. Booklist starred review.

Kazan Revisited Lisa Dombrowski, 2011-01-15. Top critics and scholars reconsider the cinematic legacy of Elia Kazan. A groundbreaking filmmaker dogged by controversy in both his personal life and career, Elia Kazan was one of the most important directors of postwar American cinema. In landmark motion pictures such as *A Streetcar Named Desire*, *On the Waterfront*, *East of Eden*, and *Splendor in the Grass*, Kazan crafted an emotionally raw form of psychological realism. His reputation has rested on his Academy award-winning work with actors, his provocative portrayal of sexual moral and generational conflict, and his unpopular decision to name former colleagues as Communists before the House Un-American Activities Committee in 1952. But much of Kazan's influential cinematic legacy remains unexamined. Arriving in the wake of his centenary, *Kazan Revisited* engages and moves beyond existing debates regarding Kazan's contributions to film, tackling the social, political, industrial, and aesthetic significance of his work from a range of critical perspectives. Featuring essays by established film critics and scholars such as Richard Schickel, Time, Victor Navasky, The Nation, Mark Harris, Entertainment Weekly, Kent Jones, Film Comment, Jonathan Rosenbaum, Essential Cinema, 2004, Jeanine Basinger, The Star Machine, 2007, and Leo Braudy, On the Waterfront, 2008, this book is a must for diehard cinephiles and those new to Kazan alike. Contributors include JEANINE BASINGER, LEO BRAUDY, LISA DOMBROWSKI, HADEN GUEST, MARK HARRIS, KENT JONES, PATRICK KEATING, SAVANNAH LEE, BRENDA MURPHY, VICTOR NAVASKY, BRIAN NEVE, JONATHAN ROSENBAUM, RICHARD SCHICKEL, ANDREW TRACY, and SAM WASSON.

Beyond The Aegean Elia Kazan, 2012-03-21. From Elia Kazan, the celebrated writer and director, a huge, stunning story of a word in tumult and an immigrant's life redeemed. It is a pivotal moment in history. The First World War has barely ended. Greek forces are reclaiming Anatolia from the Turks. And Stavros Topouzoglou, who twenty years earlier, escaping oppression of Turkish rule, fled to America, only to discover the venality of his dream of an American life, disembarks to reclaim his homeland. Here he will recast his life and rid himself of his obsession with the elegant American woman who has become for him the ultimate symbol of success. He will marry an Anatolian girl who will treat him like an agha. He will have the life his father had. Stavros's energy and arrogance propel him to an astonishing success in his war-torn country. Deep in the interior of Anatolia, he meets the woman who he thinks will complete this new vision of himself: the fiercely independent Thomna. But he does not know that her passion matches his own. Twenty years before he got to America at any cost, his passion now is for Anatolia, and bringing his mother and sister back from America, he pursues his fortune further into dangerous areas behind the lines of

combat even when learns that the Allies have deserted the Greeks even after he loses his brother to the Greco Turkish war As the novel unfolds we see Stavros and his dreams of wealth and home becoming inextricably entwined with the Greek cause compelling him at the risk of sacrificing his life with Thomna to a level of selflessness and heroism he has never before imagined Beyond the Aegean is a novel dramatically historically and emotionally powerful a novel that both stands uncompromisingly on its own and brings to a close Elia Kazan s commanding saga of one immigrant life

Communism in Hollywood Alan Casty,2009-08-03 Much has been written about the history of Communism in America including the Party s appeal to many in the Hollywood community of the 1930s and 40s While several books have offered standard accounts of the House Un American Activities Committee HUAC hearings and the blacklist in the entertainment industry Alan Casty provides a fresh and provocative perspective In Communism in Hollywood The Moral Paradoxes of Testimony Silence and Betrayal Casty challenges the absolute dualisms of the period cowardly informers and heroic martyrs Drawing on newly available material Casty illustrates the control by the international Communist movement and the role of the Hollywood Communists themselves in fomenting the intense hostilities of the period Casty juxtaposes the actions and statements of those who testified and named names before HUAC with Communists who refused to testify and remained silent about the atrocities of the Soviet Union By providing a scrupulous account of the full scope of the Communist Party in Hollywood this book presents a more accurate picture of the moral quandaries faced during this dark period in American history

Critical theory and demagogic populism Paul K. Jones,2020-11-03 Populism is a powerful force today but its full scope has eluded the analytical tools of both orthodox and heterodox populism studies This book provides a valuable alternative perspective It reconstructs in detail for the first time the sociological analyses of US demagogues by members of the Frankfurt School and compares these with contemporary approaches Modern demagoguery emerges as a key under researched feature of populism since populist movements whether left or right are highly susceptible to demagogic capture The book also details the culture industry s populist contradictions including its role as an incubator of modern demagogues from the 1930s through to today s social media and Trumpian psychotechnics Featuring a previously unpublished text by Adorno on modern demagoguery as an appendix it will be of interest to researchers and students in critical theory sociology politics German studies philosophy and history of ideas as well as all those concerned about the rise of demagogic populism today
