Elijah Muhammad:

The Divine Sayings of Elijah Muhammad Volumes 1, 2 And 3 Elijah Muhammad, 2008 This book is a compilation of Elijah Muhammad's table talk questions and answers. The subject content includes the Black Woman's role at home and abroad, the responsibilities of the Blackman, Children, justification of post duty, the planets, ministry and lots more. It was initially transcribed by Sister Anna Karriem and Captain Portia Pasha. *Elijah Muhammad and Islam* Herbert Berg, 2009-03-01 Elijah Muhammad is arguably the most significant figure in the history of Islam in the United States. Successor to W D Fard, the founder of the Nation of Islam and a mentor to Malcolm X, Elijah Muhammad led the Nation of Islam for over forty years. In *Elijah Muhammad and Islam* Herbert Berg focuses on Elijah Muhammad's religiosity which is frequently brought into question as the authenticity of the Nation of Islam as truly Islamic remains hotly debated. To better comprehend this powerful and controversial figure, Berg contextualizes Elijah Muhammad and his religious approach within the larger Islamic tradition, exploring his use of the Qur'an, his interpretation of Islam, and his relationships with other Muslims. Above all, Berg seeks to understand, not define or label Muhammad as a Muslim. To do otherwise, he argues, is to misunderstand and distort the man, his teachings, his movement, and his legacy. **The Fall of America** Elijah Muhammad, 1973 This title deals with many prophetic and well as historical aspects of Elijah Muhammad's teaching. It chronologically cites various aspects of American history, its actions pertaining to the establishment and treatment of its once slaves, which is shown to be a significant cause of America's fall. **The Science Of Time** Elijah Muhammad, 2008 This title looks at a comparative aspect of how many religions have a timetable to expected events of the future and that although they seem to be addressing different references, they have striking similar and overlapping commonality. How time is told by the different worlds and the relevance to an upcoming appearance of a Mighty One at the end of a given time. It explores the calendar of the Christians, B C A D, Orthodox Muslim world A H, as well as the universal clock which uses the sun, moon, and stars as reference points. *The True History of Elijah Muhammad - The Black Stone* Elijah Muhammad, 2008-11-06 Messenger Elijah Muhammad was considered by the national as well as the international press as one of the most inaccessible men in America. If the press, white or Negro, wanted to see Elijah Muhammad, they had to come to him, a degree of significance earned by Messenger Muhammad and commanded by integrity. In an effort to ensure the clarity and sanctity of his message and history, this book draws from his own words to explain and elaborate on sensitive subjects like his mission, domestic life, family, and his relationship with his teacher, Master Fard Muhammad. It also delves into his relationship to other prophets, the paralleled work accomplished to substantiate his fulfillment, and important unpublished writings from his desk surrounding controversial matters perpetuated in today's public media. The Genesis Years of Elijah Muhammad Elijah Muhammad, 2008-11-14 This book represents the early writings of Elijah Muhammad when he submitted hundreds of articles to news organs like the Herald Dispatch, Amsterdam News, The Chicago Crusader, and the Pittsburgh Courier. These newspapers were circulated primarily throughout the black

community Schools of thought developed with notables like Elijah Muhammad a staunch advocate of racial separation on one side and Martin Luther King a government sponsored poster boy for racial integration on the other Elijah Muhammad writing challenged many white preachers openly and refuted their claim of divinity He address what had come to be known as open conspiracy to destroy the black man and woman through Catholic sponsored birth control *An Introduction to Elijah Muhammad Studies* Abul Pitre,2009-11-12 First published in 2009 this ground breaking work introduced a new field in Africana studies and laid the groundwork for positioning the teachings of Elijah Muhammad in academia Today this work remains a rare opportunity for scholars and lay persons to a preview the teachings of Elijah Muhammad and its multifaceted interdisciplinary scope This book has the potential to change the philosophical and practical methods of education In this revised edition new terminology for Elijah Muhammad Studies is coined Elijahmatology It additionally includes updated references and expanded discussion about the impact of Elijah Muhammad s teachings in the 21st century The book lays a foundation for situating the teachings of Elijah Muhammad in academia identifying Africana Studies as the discipline from which it could develop into a field of study *An Original Man* Claude Andrew Clegg,1997-01 The Life and Times of Elijah Muhammad *Elijah Muhammad* Herbert Berg,2013-10-01 Almost four decades after his death Elijah Muhammad 1897 1975 remains by far the most influential African American Muslim Leader of the Nation of Islam movement for over thirty years and a mentor to Malcolm X Muhammad was responsible for introducing hundreds of thousands of African Americans to Islam In this fascinating biography Herbert Berg assesses the impact of Muhammad s unique and intriguing perspective on Islam and seeks to understand why he formulated it Careful to consider Muhammad s career within the context of the significant racial tensions of his time this volume investigates a figure whose formulation of Islam however divisive forced Muslims and scholars alike to evaluate their often normative definitions of this religious tradition **In the Name of Elijah Muhammad** Mattias Gardell,1996-10-07 In the Name of Elijah Muhammad tells the story of the Nation of Islam its rise in northern inner city ghettos during the Great Depression through its decline following the death of Elijah Muhammad in 1975 to its rejuvenation under the leadership of Louis Farrakhan Mattias Gardell sets this story within the context of African American social history the legacy of black nationalism and the long but hidden Islamic presence in North America He presents with insight and balance a detailed view of one of the most controversial yet least explored organizations in the United States and its current leader Beginning with Master Farad Muhammad believed to be God in Person Gardell examines the origins of the Nation His research on the period of Elijah Muhammad s long leadership draws on previously unreleased FBI files that reveal a clear picture of the bureau s attempts to neutralize the Nation of Islam In addition they shed new light on the circumstances surrounding the murder of Malcolm X With the main part of the book focused on the fortunes of the Nation after Elijah Muhammad s death Gardell then turns to the figure of Minister Farrakhan From his emergence as the dominant voice of the radical black Islamic community to his leadership of the Million Man March Farrakhan has often been

portrayed as a demagogue bigot racist and anti Semite Gardell balances the media s view of the Nation and Farrakhan with the Nation s own views and with the perspectives of the black community in which the organization actively works His investigation based on field research taped lectures and interviews leads to the fullest account yet of the Nation of Islam s ideology and theology and its complicated relations with mainstream Islam the black church the Jewish community extremist white nationalists and the urban culture of black American youth particularly the hip hop movement and gangs

Flag of Islam Elijah Muhammad,1973-02 For thousands of years the people who did not have the knowledge of the person or reality of God worshipped their own ideas of God He has been made like many things other than what He really is We therefore can reason that if we don t know the Creator then we don t understand His Creation or the laws and principles that govern it All prophets sages gurus and persons of knowledge was is and shall be governed and subject to these laws this should clue us in on the fact that these same natural laws of the Creator can serve as a criteria or standard of judgment If what you believe doesn t correspond to this standard which transcends time and geography it has no place in it In other words the only way a person can walk on water is symbolically or the water would have to be ice otherwise it doesn t correspond to the Creator s law governing this creation It then fits into the category of untruths This book teaches you about the house rules

The Messenger Karl Evanzz,2001-01-09 Drawn from recently declassified FBI files and interviews with family members and former apostles The Messenger renders a daring portrait of one of African American history s most controversial leaders In this explosive biography investigative journalist Karl Evanzz recounts the multidimensional life of a semiliterate refugee from the Jim Crow South who became the influential founder of the Nation of Islam Considered the Prophet by his followers and a threat to national security by J Edgar Hoover Elijah Muhammad moved four million African Americans to convert to his heterodox version of Islam and inspired the lives of Malcolm X Muhammad Ali Jesse Jackson and Louis Farrakhan But his increasingly insatiable hunger for power ultimately led Elijah Muhammad down a path of corruption ultimately betraying his teachings and his devoted believers by womanizing fathering thirteen illegitimate children and abetting in the murders of those who criticized him not least of whom his chief disciple Malcolm X
