The Murdoch Method Irwin Stelzer, 2018-05-01 After having worked with Rupert Murdoch for what the legendary newspaperman describes as thirty five years of great memories Irwin Stelzer is uniquely positioned to evaluate Murdoch's media empire through periods of rapid expansion and acquisitions times of financial and regulatory stress and political battles in Britain and America Stelzer helped plan important company conclaves and assisted with speeches at least one of which was responsible for having News Corp barred by the Chinese regime from doing business in that country Here are the philosophies on how Rupert approaches and values deals whether stalking the Wall Street Journal for decades before pouncing or over paying for everything from Fox Studios to NFL rights how he copes with regulatory constraints how he wins some and loses some must notably MySpace The Murdoch Method is the sum total of the management techniques that grew out of Rupert's attitudes and conceptions taking him from a struggling newspaper in an out of the way town in Australia to running a globe dominating media enterprise

Double Helix, Double Joy Carolyn Rasmussen, Alister Danks, 2012-11-29 Professor David Danks explained in a public lecture revealingly titled Double Helix Double Joy that Even from its infancy it was apparent that the double helix was going to change not only science but also the community's image of science Double Joy conveyed his sense that the developments cascading from Watson and Crick's initial DNA discovery would yield immense benefits for people generally and also for his own research ambitions A double joy made concrete in the foundation of the Murdoch Institute for Research into Birth Defects where he could fully implement his vision of unfettered basic scientific research wedded to clinical practice and services to public health Born into the long established Melbourne family of hardware merchants Danks chose a career path more aligned to that family's association with hospitals and health Inspired to know why a disease had occurred and how it could be anticipated and prevented Danks trained with pioneers of human genetics in London and Baltimore from 1959 At that time human genetics was scarcely known in Australia Following his discovery of the cause of Menkes disease in 1972 and breakthroughs in PKU testing he applied his entrepreneurial flair to the development of a brilliant multi disciplinary research team focussed on the identification of genetic diseases affecting newborns and their treatment in the clinic Dame Elisabeth Murdoch embraced his vision and helped launch the Murdoch Institute in 1986 based at the Royal Children's Hospital A man of towering intellect who did it because it was fun Danks legacy reaches beyond the Murdoch Institute to the establishment of clinical genetics services throughout Australia the internationally acclaimed POSSUM database and the next generation of researchers who continue to explore and expand his vision

The Making of Murdoch: Power, Politics and What Shaped the Man Who Owns the Media Tom

Roberts,2020-01-23 Rupert Murdoch's extraordinary career has no parallel His control of Fox news which so successfully supports the Trump presidency is a key force in American politics In the UK his control of The Sun and The Times leaves politicians scrambling to get him onside But what do we know about the man himself This book looks closely at the Murdochs focusing on Rupert's father Keith who built the family's media power and cultivated the anti establishment instincts that his son Rupert is known for Roberts traces the life of the Murdochs how Rupert Murdoch's view of the world was formed and assesses its impact on the media that influences our politics today The Man Who Owns the News Michael

Wolff,2008-12-02 From the author of Fire and Fury this irresistible account offers an exclusive glimpse into a man who wields extraordinary power and influence in the media on a worldwide scale and whose family is being groomed to carry his legacy into the future If Rupert Murdoch isn't making headlines he's busy buying the media outlets that generate them His News Corp holdings from the New York Post Fox News and The Wall Street Journal to name just a few are vast and his power is unrivaled So what makes a man like this tick Michael Wolff gives us the definitive answer in The Man Who Owns the News With unprecedented access to Rupert Murdoch himself and his associates and family Wolff chronicles the astonishing growth of Murdoch's 70 billion media kingdom In intimate detail he probes the Murdoch family dynasty from the battles that have threatened to destroy it to the reconciliations that seem to only make it stronger Drawing upon hundreds of hours of interviews he offers accounts of the Dow Jones takeover as well as plays for Yahoo and Newsday as they've never been revealed before *Eye for Eternity* Mark McKenna,2020-11-03 Manning Clark was a complex demanding and brilliant man

Mark McKenna's compelling biography of this giant of Australia's cultural landscape is informed by his reading of Clark's extensive private letters journals and diaries many that have never been read before An Eye for Eternity paints a sweeping portrait of the man who gave Australians the signature account of their own history It tells of his friendships with Patrick White and Sidney Nolan It details an urgent and dynamic marriage ripped apart at times by Clark's constant need for extramarital romantic love A son who wrote letters to his dead parents A historian who placed narrative ahead of facts A doubter who flirted with Catholicism A controversial public figure who marked slights and criticisms with deeply held grudges To understand Clark's life is to understand twentieth century Australia And it raises fundamental questions about the craft of biography When are letters too personal comments too hurtful and insights too private to publish Clark incessantly documented his life leaving notes to the biographers he knew would pursue his story He had a deep need to be remembered and this book means he will now be understood in an unforgettable way Ten Journeys to Cameron's Farm
