**Their Stars Shone Brightly** Larry O. Goldbeck, MD, 2016-08-27 The passage of time inevitably causes outstanding achievements and important names to be obscured or lost However this does not reduce their inherent value Over the course of many decades the author has derived countless hours of entertainment and education through the four major American entertainment media radio theater movies and television He feels indebted to the exceptionally talented performers of the twentieth century who have now passed into history Recently the author has attempted to locate a book describing all four of the entertainment media and its great performers but none is to be found Many books are available about only one or two media The author hopes that this book will spark the readers interest in the great stars of the past and propagate this forward particularly to the younger generation All the data in this book is publicly available piecemeal but this book consolidates and makes it more pleasurable and easier for the reader to acquire the fun and sometimes trivial information

*Marriage Seen through Proverbs and Anti-Proverbs* Anna

T. Litovkina, Wolfgang Mieder, 2019-11-04 This book explores various aspects of marriage and the ways it is viewed and conceptualized in the body of Anglo American anti proverbs or proverb transformations It also depicts those who contribute to the institution of marriage that is husbands and wives and analyses their nature qualities attributes and behaviours as revealed through such anti proverbs In addition the text investigates those who remain single and do not belong to the institution of marriage but contribute to the institution of marriage It will appeal to a wide range of readers from the casually interested general reader to the paremiologist paremiographer lexicographer and anthropologist

**Mike Nichols** Mark Harris, 2022-02-01 One of The Hollywood Reporter's 100 Greatest Film Books of All Time A National Book Critics Circle finalist One of People's top 10 books of 2021 An instant New York Times bestseller Named a best book of the year by NPR and Time A magnificent biography of one of the most protean creative forces in American entertainment history a life of dazzling highs and vertiginous plunges some of the worst largely unknown until now by the acclaimed author of *Pictures at a Revolution* and *Five Came Back* Mike Nichols burst onto the scene as a wunderkind while still in his twenties he was half of a hit improv duo with Elaine May that was the talk of the country Next he directed four consecutive hit plays won back to back Tonys ushered in a new era of Hollywood moviemaking with *Who's Afraid of Virginia Woolf* and followed it with *The Graduate* which won him an Oscar and became the third highest grossing movie ever At thirty five he lived in a three story Central Park West penthouse drove a Rolls Royce collected Arabian horses and counted Jacqueline Kennedy Elizabeth Taylor Leonard Bernstein and Richard Avedon as friends Where he arrived is even more astonishing given where he had begun born Igor Peschkowsky to a Jewish couple in Berlin in 1931 he was sent along with his younger brother to America on a ship in 1939 The young immigrant boy caught very few breaks He was bullied and ostracized an allergic reaction had rendered him permanently hairless and his father died when he was just twelve leaving his mother alone and overwhelmed The gulf between these two sets of facts explains a great deal about Nichols's transformation from lonely outsider to the center of

more than one cultural universe the acute powers of observation that first made him famous the nourishment he drew from his creative partnerships most enduringly with May his unquenchable drive his hunger for security and status and the depressions and self medications that brought him to terrible lows It would take decades for him to come to grips with his demons In an incomparable portrait that follows Nichols from Berlin to New York to Chicago to Hollywood Mark Harris explores with brilliantly vivid detail and insight the life work struggle and passion of an artist and man in constant motion Among the 250 people Harris interviewed Elaine May Meryl Streep Stephen Sondheim Robert Redford Glenn Close Tom Hanks Candice Bergen Emma Thompson Annette Bening Natalie Portman Julia Roberts Lorne Michaels and Gloria Steinem Mark Harris gives an intimate and evenhanded accounting of success and failure alike the portrait is not always flattering but its ultimate impact is to present the full story of one of the most richly interesting complicated and consequential figures the worlds of theater and motion pictures have ever seen It is a triumph of the biographer s art **Hollywood** Jill

Tietjen, Barbara Bridges, 2019-04-26 The year was 1896 the woman was Alice Guy Blach and the film was *The Cabbage Fairy* It was less than a minute long Guy Blach the first female director made hundreds of movies during her career Thousands of women with passion and commitment to storytelling followed in her footsteps Working in all aspects of the movie industry they collaborated with others to create memorable images on the screen This book pays tribute to the spirit ambition grit and talent of these filmmakers and artists With more than 1200 women featured in the book you will find names that everyone knows and loves the movie legends But you will also discover hundreds and hundreds of women whose names are unknown to you actresses directors stuntwomen screenwriters composers animators editors producers cinematographers and on and on Stunning photographs capture and document the women who worked their magic in the movie business Perfect for anyone who enjoys the movies this photo treasury of women and film is not to be missed *In Spite of . . . Everything* Tom Barnaba, 2018-04-11 It is an understatement to say that women are real people with true and great abilities just like men yet it does seem like forever that we have been debating the rights of women and how they match up against the rights of men By every reckoning there is no blockage to the total equality of women to men yet again there it is In spite of everything that has been accomplished there still exists somewhat of a prejudice In spite of this prejudice young women need to know about those great sometimes not too well known women who have pushed and prodded and fought like crazy to get today's women to a spot that would have been unheard of only a relatively short time ago women who deserve the highest praise and placed in the highest echelons of respect and honor And even in politics women have been able to bring more choices for the voters with more women being elected as mayors to county and state legislatures executive offices congress and beyond And despite the hectic pace and all the infighting there have been far fewer who have been forced to resign because of incompetence or criminality Many of the women discussed in these pages could have been even more useful and helpful had they not had faced that word tradition Elizabeth Cady Stanton and Susan B Anthony were some team Their organizational

skills and tireless efforts could not have been met with failure It goes back to Stanton calling a womens rights convention in Seneca Falls New York in 1848 Someday we will truly be a land of equality practicing what it preaches and the women will get us there Hopefully this book will encourage young women of today to keep up the good fight     Global Milton and Visual Art Angelica Duran,Mario Murgia,2021-03-18 Global Milton and Visual Art showcases the aesthetic appropriation and reinterpretation of the works and legend of the early modern English poet and politician John Milton in diverse eras regions and media book illustrations cinema digital reworkings monuments painting sculpture shieldry and stained glass It innovates an inclusive approach to Milton s literary art especially his masterpiece Paradise Lost in global contemporary aesthetics via intertextual and interdisciplinary relations The fifteen purposefully brief chapters 103 illustrations and 64 supplemental web images reflect the great richness of the topics and the diverse experiences and expertise of the contributors Part I Panoramas provides overviews and key contexts Part II Cameos offers different perspectives of the varied afterlives of the most widely circulating illustrations of Paradise Lost those by Gustave Dor Part III Textual Close ups focuses on a rich variety of book illustrations from centuries old elite engravings to a twenty first century graphic novel and Part IV A Prospect beyond Books explores visual media outside of books that manifest powerful connections direct and indirect with Milton s works and legend
