Elizabethan Metaphysical Imagery

John Hoyles

Elizabethan Metaphysical Imagery:

Elizabethan and Metaphysical Imagery Rosemond Tuve, 1965 Elizabethan and Metaphysical Imagery Rosemond Tuve, 1961 Aspects of Elizabethan Imagery Elizabeth Holmes, 1929 A Reference Guide for English Studies Michael J. Marcuse, 1990-01-01 This ambitious undertaking is designed to acquaint students teachers and researchers with reference sources in any branch of English studies which Marcuse defines as all those subjects and lines of critical and scholarly inquiry presently pursued by members of university departments of English language and literature Within each of 24 major sections Marcuse lists and annotates bibliographies guides reviews of research encyclopedias dictionaries journals and reference histories The annotations and various indexes are models of clarity and usefulness and cross references are liberally supplied where appropriate Although cost conscious librarians will probably consider the several other excellent literary bibliographies in print such as James L Harner s Literary Research Guide Modern Language Assn of America 1989 larger academic libraries will want Marcuse s volume Jack Bales Mary Washington Coll Lib Fredericksburg Va Library Journal **The Development of Shakespeare's Imagery** Wolfgang Clemen, 2013-04-15 First published in 1951 The edition reprints the second updated edition of 1977 When first published this book quickly established itself as the standard survey of Shakespeare s imagery considered as an integral part of the development of Shakespeare s dramatic art By illustrating through the use of examples the progressive stages of Shakespeare s use of imagery and in relating it to the structure style and subject matter of the plays the book throws new light on the dramatist s creative genius The second edition includes a new preface and an up to date bibliography Elizabethan and Metaphysical Imagery Rosemond Tuve, 1965 **Elizabethan and Metaphysical Imagery, Etc. [A Reduced Photographic Reprint of the Edition of 1947.]** Rosemond Teresa Marie TUVE, 1961 **Elizabethan and Metaphysical Imagery** Rosemond Tuve, 1947

Elizabethan and Metaphysical Imagery Rosemond Tuve, 1951 *Rosemond Tuve* Margaret Carpenter Evans, 2004 This is the biography of Rosemond Tuve a remarkable woman scholar who rose to honor and acclaim in the United States and abroad Her story is told mainly in her own compelling voice through personal letters diaries and lectures Tuve was an internationally recognized Renaissance scholar She was the first visiting woman English professor to Harvard University in 1958 and to Princeton University in 1961 A reading of Rosemond Tuve is a reflection on education and rewards of the life of the mind **Shakespeare, the Goddess, and Modernity** John O'Meara, 2012-02-17 O'Meara's work is the perfect supplement to Ted Hughes Shakespeare and the Goddess of Complete Being shedding further illumination into those areas where Hughes penetrating lens finally appears to dim This work shines utterly clear light on the path of understanding we may re win with regard to myth forcing the reader to face the incredible starkness of the prospect we face and the lack of option ever closing in and also giving the reader the necessary clues to follow particularly Barfield Shakespeare and Rudolf Steiner Richard Ramsbotham author of Who Wrote Bacon William Shakespeare Francis Bacon and James I Very interesting

stuff Particularly where you parallel the break through the tragic dead end to the transcendental redemptive solution that I follow from Macbeth through Lear to the last plays with the Steinerian view of the same progress Ted Hughes on Othello's Sacrifice Letter to John O'Meara 21 November 1996 in the Ted Hughes Archives Emory University Atlanta Georgia This volume brings together virtually all of the published shorter critical work of John O'Meara gathered from over 30 years of production What emerges is an extensive uniquely challenging interpretation of the evolution of for the most part English literary history from Shakespeares time to our own excellent Shakespearean explorations The idea of Lutheran depravity without Lutheran grace or Lutheran Calvinist justification is very strong and original Anthony Gash author of The Substance of Shadows Shakespeares Dialogue with Plato O'Meara sets out to demonstrate the essential fact that full encounter with human depravity was is a necessary step in the attaining of true otherworldly Imagination Eric Philips Oxford on The New School of the Imagination from the Sektion für Schöne Wissenschaften the Goetheanum Newsletter Issue No 3 Winter Spring 2008 2009

Seventeenth-Century Spanish Poetry Arthur Terry, 1993-11-11 The first comprehensive study in English of one of the most important bodies of verse in European literature

The Waning of the Renaissance 1640-1740 John Hoyle, 2012-12-06 It is not always easy to maintain a proper balance between the delineation of cultural development within a given literary field and the claims of practical criticism And yet if the history of ideas is to be more than a pastime for the student of literature it must be rooted in the precise art of discrimination The following chapters attempt to describe and evaluate a particular cultural development by relating the background of ideas to the literary achievement of three writers It will be sufficient here to outline the nature of the problem and the method and approach employed The concept of cultural development implies a recognition of the connections between ideology and aesthetics There are at least two ways of exploring such connections The one pioneered by Basil Willey seeks to situate the critical moments of our cultural development in the background of ideas without which the contribution of a particular author cannot be justly evaluated The danger of such an approach is that the task of discrimination comes to depend over heavily on extra literary criteria

1 - 1000000 1000000 1000000 IslamKotob, 1983-01-01

The New Cambridge Bibliography of English Literature: Volume 1, 600-1660 George Watson, Ian Roy Willison, 1974-08-29 More than fifty specialists have contributed to this new edition of volume 1 of The Cambridge Bibliography of English Literature The design of the original work has established itself so firmly as a workable solution to the immense problems of analysis articulation and coordination that it has been retained in all its essentials for the new edition The task of the new contributors has been to revise and integrate the lists of 1940 and 1957 to add materials of the following decade to correct and refine the bibliographical details already available and to reshape the whole according to a new series of conventions devised to give greater clarity and consistency to the entries

Elizabeth I Susan Frye, 1993 Little has been written on the manner in which Elizabeth I constructed her power in a patriarchal society The author contends that she evolved a number of strategies by which she expressed her control of

government through owning her own body **Christopher Marlowe** Park Honan, 2005-10-27 Christopher Marlowe Poet Spy is the most thorough and detailed life of Marlowe since John Bakeless's in 1942. It has new material on Marlowe in relation to Canterbury, also on his home life, schooling and six and a half years at Corpus Christi College Cambridge and includes fresh data on his reading teachers and early achievements including a new letter with a new date for the famous putative portrait of Marlowe at Cambridge. The biography uses for the first time the Latin writings of his friend Thomas Watson to illuminate Marlowe's life in London and his career as a spy that is as a courier and agent for the Elizabethan Privy Council. There are new accounts of him on the continent particularly at Flushing or Vlissingen where he was arrested. The book also more fully explains Marlowe's relations with his chief patron Thomas Walsingham than ever before. This is also the first biography to explore in detail Marlowe's relations with fellow playwrights such as Kyd and Shakespeare and to show how Marlowe's relations with Shakespeare evolved from 1590 to 1593. With closer views of him in relation to the Elizabethan stage than have appeared in any biography, the book examines in detail his aims, mind and techniques as exhibited in all of his plays from *Dido the Tamburlaine* dramas and *Doctor Faustus* through to *The Jew of Malta* and *Edward II*. It offers new treatments of his evolving versions of *The Passionate Shepherd* and displays circumstances, influences and the bearings of Shakespeare's *Venus and Adonis* in relation to Marlowe's *Hero and Leander*. Throughout there is a strong emphasis on Marlowe's friendships and so-called homosexuality. Fresh information is brought to bear on his seductive use of blasphemy, his street fights, his methods of preparing himself for writing and his atheism and religious interests. The book also explores his attraction to scientists and mathematicians such as Thomas Harriot and others in the Raleigh Northumberland set of thinkers and experimenters. Finally, there is new data on spies and business agents such as Robert Poley, Nicholas Skeres and Ingram Frizer and a more exact account of the circumstances that led up to Marlowe's murder. ELIZABETHAN AND METAPHYSICAL IMAGERY : RENAISSANCE POETRY AND TWENTIETH-CENTURY CRITICS ROSEMUND TUVE, 1968

The Shakespeare Play as Poem S. Viswanathan, 1980-11-20 A balanced critique of the reading of Shakespeare's plays as dramatic poems *The Fetters of Rhyme* Rebecca M. Rush, 2021-05-04 How rhyme became entangled with debates about the nature of liberty in sixteenth and seventeenth century English poetry. In his 1668 preface to *Paradise Lost*, John Milton rejected the use of rhyme, portraying himself as a revolutionary freeing English verse from the troublesome and modern bondage of rhyming. Despite his claim to be a pioneer, Milton was not initiating a new line of thought. English poets had been debating about rhyme and its connections to liberty, freedom and constraint since Queen Elizabeth's reign. *The Fetters of Rhyme* traces this dynamic history of rhyme from the 1590s through the 1670s. Rebecca Rush uncovers the surprising associations early modern readers attached to rhyming forms like couplets and sonnets and she shows how reading poetic form from a historical perspective yields fresh insights into verse's complexities. Rush explores how early modern poets imagined rhyme as a band or fetter, comparing it to the bonds linking individuals to political, social and religious communities.

She considers how Edmund Spenser's sonnet rhymes stood as emblems of voluntary confinement how John Donne's revival of the Chaucerian couplet signaled sexual and political radicalism and how Ben Jonson's verse charted a middle way between licentious Elizabethan couplet poets and slavish sonneteers Rush then looks at why the royalist poets embraced the prerogative charms of rhyme and how Milton spent his career reckoning with rhyme's allure Examining a poetic feature that sits between sound and sense liberty and measure *The Fetters of Rhyme* elucidates early modern efforts to negotiate these forces in verse making and reading
