Bowker Company. Department of Bibliography, 1978      **William Shakespeare** Douglas J. King, 2020-10-08 Based on solid research and clear explanations this book provides a thorough and up to date analysis of 10 key facts and fictions regarding the life and works of William Shakespeare Shakespeare is perhaps the most famous author in world literature His works have attracted tremendous critical and historical attention and the world in which he lived has been the subject of hundreds if not thousands of books But for all the attention given to Shakespeare and his world arguments continue about what we can say for sure concerning his life and works This book brings a unique perspective to the ongoing

fascination and debate over the life and works of the most renowned writer of all time The book focuses on 10 separate key issues including Shakespeare's sexuality his religion his marriage and family his education and the vexing authorship question Each chapter treats a particular topic and provides a section on what people think happened how the story developed and what we now believe is the historical truth This book looks objectively and closely at evidence to provide the most likely explanations for questions that cannot be definitively answered Using historical primary source documents it gives readers the clearest possible view of endlessly fascinating topics **Performing Arts Books, 1876-1981**, 1981

Shakespeare and Senecan Tragedy Curtis Perry, 2021 Perry reveals Shakespeare derived modes of tragic characterization previously seen as presciently modern via engagement with Rome and Senecan tragedy **A Companion to Shakespeare's Works, Volume I** Richard Dutton, Jean E. Howard, 2008-04-15 This four volume Companion to Shakespeare's Works compiled as a single entity offers a uniquely comprehensive snapshot of current Shakespeare criticism Brings together new essays from a mixture of younger and more established scholars from around the world Australia Canada France New Zealand the United Kingdom and the United States Examines each of Shakespeare's plays and major poems using all the resources of contemporary criticism from performance studies to feminist historicist and textual analysis Volumes are organized in relation to generic categories namely the histories the tragedies the romantic comedies and the late plays problem plays and poems Each volume contains individual essays on all texts in the relevant category as well as more general essays looking at critical issues and approaches more widely relevant to the genre Offers a provocative roadmap to Shakespeare studies at the dawning of the twenty first century This companion to Shakespeare's tragedies contains original essays on every tragedy from Titus Andronicus to Coriolanus as well as thirteen additional essays on such topics as Shakespeare's Roman tragedies Shakespeare's tragedies on film Shakespeare's tragedies of love Hamlet in performance and tragic emotion in Shakespeare The Horrid Looking Glass: Reflections on Monstrosity, 2020-09-25 From the fictional world of vampires zombies and invaders from other worlds to the very real world of revolutionary France and in between the nature of the monster encompasses the very quality that makes them so believable that which we perceive as other While there is a commonality in this otherness the monster lurking in the shadows concealed in darkness or conjured with a few lines from a horror novel suggests the monster as one onto which we are free to project the most distorted and unhuman features In each chapter of this volume you will discover that the way in which we project what is monstrous is not a singular other but is in fact a part of our own self identity The greatest horror of the monster is not that it stands apart but that once we pull it from the shadow of our own projected imagination we discover that the monster we fear is also bound to our own mirror image To look at the monster to name that which must never be named is to look upon a reflection and embrace a part of our nature we do not wish to see **Ecology and Environment in European Drama** Downing Cless, 2010-05-11 Looking at European drama through an ecological lens this book chronicles nature and the environment as

primary topics in major plays from ancient to recent times Cless focuses on the few yet well known plays in which nature is at stake in the action or the environment is a dramatic force Though theater predominantly explores human and cultural themes these plays fully display the power of the other than human world and its endangerment during the history of Europe While offering a broad overview the book features extensive case studies of several playwrights plays and eco theater productions Aristophanes *The Birds* Marlowe's *Doctor Faustus* Shakespeare's *A Midsummer Night's Dream* and *The Tempest* and Giraudoux's *The Madwoman of Chaillot* In each case Cless connects nature in the play to nature in the life of the playwright based on biographical research into the understanding of natural philosophy and awareness of the immediate environment that influenced the specific play The book is one of the first of its kind in a growing field of ecocriticism and emerging eco studies of theater
