Elizabethan Jacobean Comedy

David Daiches

Elizabethan Jacobean Comedy:

Dramatic Form in Shakespeare and the Jacobeans Leo Salinger, 1986-03-20 A collection of essays concerned with aspects of dramatic form in works by Shakespeare and his contemporaries

Citizen Comedy in the Age of Shakespeare Alexander Leggatt, 1972-12-15 This is the first book to survey comprehensively the field of Elizabethan and Jacobean citizen comedy Most studies of the period focus on major authors this one follows recurring themes and motifs through a variety of plays by many authors from the moralizing comedies of the boys companies Professor Leggatt provides not only a fresh perspective on familiar plays by such figures as Jonson Middleton and Dekker but also a new look at a number of neglected comedies some by unfamiliar authors some by major authors working together Standard figures the usurer the prodigal and the prostitute and standard plots notably intrigues based on money or sex or both are traced to show the changes that occur in apparently stereotyped material at the hands of individual authors The result is to display the range and internal variety of a genre that too often is seen as all of a piece and to show the different ways in which social thinking can interact with the demands and comic form This book will interest students of Renaissance English drama both for its treatment of a neglected type of play and for its comments on individual citizen comedies Those who are concerned with drama as a vehicle for social commentary will find many points for discussion

Elizabethan and Jacobean Comedy Robert Ornstein, Hazelton Spencer, 1966

The Ancient World of Comedy Pasquale De Marco, 2025-04-15 Embark on a comedic journey that will leave you laughing out loud and craving more The Ancient World of Comedy is the ultimate guide to the world of comedy delving into its origins evolution and impact on society With wit and humor this book explores the techniques and elements that make comedy work analyzing the works of famous playwrights actors and comedians throughout history From the ancient theaters of Greece and Rome to the modern day comedy clubs and streaming platforms The Ancient World of Comedy takes you on a historical tour of comedy highlighting the pioneers who have shaped this art form Discover the secrets behind slapstick satire irony and wit and learn how these comedic devices have been used to entertain and provoke audiences for centuries This comprehensive book delves into the different types of comedy from stand up to sketch from physical to observational and everything in between With insightful analysis and engaging storytelling The Ancient World of Comedy explores the unique characteristics of each genre showcasing iconic comedians who have mastered their craft and left an indelible mark on the world of comedy But comedy is not just about making people laugh It also serves as a powerful tool for social commentary and critique The Ancient World of Comedy examines the role of comedy in society exploring how it has been used to reflect and challenge social and political issues and how it has helped people cope with difficult times From political satire to black humor this book sheds light on the complex relationship between comedy and society Whether you're a comedy enthusiast a student of literature or simply someone who enjoys a good laugh The Ancient World of Comedy is the perfect book for you With its in depth analysis insightful commentary and a touch of humor this book will deepen your

understanding and appreciation of comedy as an art form and its impact on our lives Get ready to laugh learn and be inspired by the fascinating world of comedy If you like this book write a review on google books

Jacobean City Comedy Brian Gibbons,2017-03-27 The first decade of the Jacobean age witnessed a sudden profusion of comedies satirizing city life among these were comedies by Ben Jonson John Marston and Thomas Middleton as well as the bulk of the repertory of the newly established children s companies at Blackfriars and Paul s The playwrights self consciously forged a new genre which attracted London audiences with its images of folly and vice in Court and City and hack writing dramatists were prompt to cash in on a new theatrical fashion This study first published in 1980 examines ways in which the Jacobean city comedy reflect on the self consciousness of audiences and the concern of the dramatists with Jacobean society This title will be of interest of students of Renaissance Drama English Literature and Performance

Theatrical Convention and Audience Response in Early Modern Drama Jeremy Lopez,2002-12-05 This book gives a detailed and comprehensive survey of the diverse theatrically vital formal conventions of the drama of Shakespeare and his contemporaries Besides providing readings of plays such as Hamlet Othello Merchant of Venice and Titus Andronicus it also places Shakespeare emphatically within his own theatrical context and focuses on the relationship between the demanding repertory system of the time and the conventions and content of the plays Lopez argues that the limitations of the relatively bare stage and non naturalistic mode of early modern theatre would have made the potential for failure very great and he proposes that understanding this potential for failure is crucial for understanding the way in which the drama succeeded on stage The book offers perspectives on familiar conventions such as the pun the aside and the expository speech and it works toward a definition of early modern theatrical genres based on the relationship between these well known conventions and the incoherent experience of early modern theatrical narratives

The Places of Wit in Early Modern English Comedy Adam Zucker,2011-03-10 An exploration of wit witlessness and social and comic conventions in the plays of Shakespeare Jonson and their contemporaries

Elizabethan and Jacobean Comedies ,1984 *Elizabethan Jacobean Drama* Blakemore G. Evans,1998-04-21 Treats through excerpts from contemporary opinion and official documents various aspects of the little world of theatre in the full context of Elizabethan Jacobean life and times

A Preface to Shakespeare's Comedies Michael Mangan,2014-06-06 This is an informative and interesting guide to the comedies of love The Two Gentlemen of Verona The Taming of the Shrew Love s Labour s Lost A Midsummer Nights Dream Much Ado About Nothing As You Like it and Twelfth Night which were written in the early part of Shakespeare s career As well as supplying dramatic and critical analysis this study sets the plays within their wider social and artistic context Michael Mangan begins by considering the social function of laughter the use of humour in drama for handling social tensions in Elizabethan and Jacobean society and the resulting expectations the audience would have had about comedy in the theatre In the second section he discusses the individual plays in the light of recent critical and theoretical research The useful reference section at the end gives the reader a short bibliographic guide

to key historical figures relevant to a study of Shakespeare's comedies and a detailed critical bibliography

The Love Story in Shakespearean Comedy Anthony J. Lewis, 2021-10-21 In this fascinating study Anthony J Lewis argues that it is the hero himself rejecting a woman he apprehends as a threat who is love's own worst enemy Drawing upon classical and Renaissance drama iconography and a wide range of traditional and feminist criticism Lewis demonstrates that in Shakespeare the actions and reactions of hero and heroine are contingent upon social setting father son relations patriarchal restrictions on women and cultural assumptions about gender appropriate behavior This compelling analysis shows how Shakespeare deepened the familiar love stories he inherited from New Comedy and Greek romance Beginning with a penetrating analysis of the hero's contradictory response to sexual attraction Lewis's discussion traces the heroine's reaction to abandonment and slander and the lover's subsequent parallel descents into versions of bastardy and death In arguing that comedy's happy ending is the product of the gender role reversals brought on by their evolving relationship itself Lewis shows in meticulous detail how sexual stereotypes influence attitudes and restrict behavior This perceptive discussion of male response to family and of female response to rejection will appeal to Shakespeare scholars and students as well as to the theater community Lewis's persuasive argument that Shakespeare's heroes and heroines are from the first three dimensional figures far removed from the stock types of Plautus Terence and his continental sources will prove a valuable contribution to the ongoing feminist reappraisal of Shakespeare

Classical Monologues from Aeschylus to Bernard Shaw Leon Katz, 2002

Neo-Victorian Villains, 2017-06-01 Neo Victorian Villains is the first edited collection to examine the afterlives of such Victorian villains as Dracula Svengali Dorian Gray and Jekyll and Hyde exploring their representation in neo Victorian drama and fiction In addition Neo Victorian Villains examines a number of supposedly villainous types from the spirit medium and the femme fatale to the imperial native and the ventriloquist and traces their development from Victorian times today Chapters analyse recent theatre films and television from Ripper Street to Marvel superhero movies as well as classic Hollywood depictions of Victorian villains In a wide ranging opening chapter Benjamin Poore assesses the legacy of nineteenth century ideas of villains and villainy in the twentieth and twenty first centuries Contributors are Sarah Artt Guy Barefoot Jonathan Buckmaster David Bullen Helen Davies Robert Dean Marion Gibson Richard Hand Emma James Mark Jones Emma V Miller Claire O Callaghan Christina Parker Flynn Frances Pheasant Kelly Natalie Russell Gillian Piggott Benjamin Poore and Rob Welch

Shakespeare Survey Kenneth Muir, Jonathan Bate, Michael Dobson, 2002-11-28 The first fifty volumes of this yearbook of Shakespeare studies are being reissued in paperback

Four Renaissance Comedies Robert Shaughnessy, 2017-03-14 This edition of four Renaissance comedies represents the vitality range and diversity of the English comic drama of the late sixteenth and early seventeenth centuries reflecting both its capacity for escapist fantasy and its concern with the intrigues of everyday city life Comprehensive textual notes establish the plays in their originating cultural and theatrical circumstances as well as explaining obscure references and allusions A general introduction provides

a helpful overview of early modern comedy in the context of Renaissance comic theory and practice together with an assessment of its continuing theatrical appeal *The Pelican Guide to English Literature: The age of Shakespeare* Boris Ford,1963 *A Critical History of English Literature, Vol. 3* David Daiches,1979 **Ben Jonson** Anne Barton,1984-07-12 Anne Barton gives a reading of the plays that re evaluates Ben Jonson as a dramatist *The Oxford English Literary History* Katharine Eisaman Maus,2025-02-24 The Oxford English Literary History is the new century s definitive account of a rich and diverse literary heritage that stretches back for a millennium and more Each of these thirteen groundbreaking volumes offers a leading scholar s considered assessment of the authors works cultural traditions events and ideas that shaped the literary voices of their age The series will enlighten and inspire not only everyone studying teaching and researching in English Literature but all serious readers This volume surveys the rich English literary tradition 1603 1660 in the context of the eventful decades between the accession of James I and the restoration of Charles II The first Part describes the social rules of writing Who could become a writer in the early seventeenth century How could a literary career be pursued How was literary work disseminated And how did those practices change between 1603 and 1660 The second Part discusses the period s most innovative and important literary genres including satiric city comedy country house poetry chorography masque tragedy tragicomedy religious poetry epic the poetry of love and friendship and a variety of prose

Re-Presenting Ben Jonson Martin Butler,1999-07-13 Work on Ben Jonson has long been dominated by the 11 volume Oxford text of his Works edited by C H Herford Percy Simpson and Evelyn Simpson 1925 52 In this monumental edition Jonson seems a remote and forbidding figure an author of formidable learning and literariness This collection of essays by twelve leading scholars editors historians and bibliographers explores ways in which modern understanding of Jonson s texts has undermined the emphasis of the Oxford edition and generated a Jonson whose Works and career look quite different Addressing the competing needs of future readers teachers and performers it asks how this reconceptualized Jonson might best be transmitted into the next century The volume also includes a new Jonson text *The Entertainment at Britain s Burse* written in 1609 to celebrate the royal opening of the Earl of Salisbury s commercial development in the Strand Discovered in 1996 it is the most significant addition to Jonson s canon this century and is here printed for the first time

Thank you for downloading **Elizabethan Jacobean Comedy**.
