Public Health Service, 1912 *Annual Report* United States. Public Health Service, 1911 *LIFE* , 1950-11-13 LIFE Magazine is the treasured photographic magazine that chronicled the 20th Century It now lives on at LIFE com the largest most amazing collection of professional photography on the internet Users can browse search and view photos of today s people and events They have free access to share print and post images for personal use *Polish Immigration to America: When, Where, Why and How* Stephen Szabados, 2016-08-27 When did your Polish ancestors immigrate where did they leave why did they leave how did they get here Steve Szabados is a wonderful resource He hopes you find the answer to some of these questions in this book This book discusses the history of Poland and gives some insights into possible answers to the questions about your ancestors immigration All three Polish partitions are covered and the material will hopefully clear up your confusion why your Polish ancestors listed that they were born in other countries on early U S documents The book also presents brief histories of most of the ports that were used by Polish immigrants for departure from Europe and the ports where they arrived Also covered are details of life in steerage during the voyage and the process of examination of the immigrants to gain admittance to the United States The Deportation Express Ethan Blue, 2021-10-19 A history of the United States systematic expulsion of undesirables and immigrants told through the lives of the passengers who travelled from around the world only to be locked up and forced out aboard America s first deportation trains The United States celebrated as a nation of immigrants and the land of the free has developed the most extensive system of imprisonment and deportation that the world has ever known The Deportation Express is the first history of American deportation trains a network of prison railroad

cars repurposed by the Immigration Bureau to link jails hospitals asylums and workhouses across the country and allow forced removal with terrifying efficiency With this book historian Ethan Blue uncovers the origins of the deportation train and finds the roots of the current moment as immigrant restriction and mass deportation once again play critical and troubling roles in contemporary politics and legislation A century ago deportation trains made constant circuits around the nation gathering so called undesirable aliens migrants disdained for their poverty political radicalism criminal conviction or mental illness and conveyed them to ports for exile overseas Previous deportation procedures had been violent expensive and relatively ad hoc but the railroad industrialized the expulsion of the undesirable Trains provided a powerful technology to divide citizens from aliens and displace people in unprecedented numbers Drawing on the lives of migrants and the agents who expelled them *The Deportation Express* is history told from aboard a deportation train By following the lives of selected individuals caught within the deportation regime this book dramatically reveals how the forces of state exclusion accompanied epic immigration in early twentieth century America These are the stories of people who traveled from around the globe only to be locked up and cast out deported through systems that bound the United States together and in turn pulled the world apart Their journey would be followed by millions more in the years to come *The Delineator* ,1920
