**Elsa Schiaparelli's Private Album** Marisa Schiaparelli Berenson, 2014. An elaborately illustrated highly personal look at one of the most prominent fashion figures of the 20th century. Elsa Schiaparelli is one of the most important couturiers and taste makers of the 20th century. She numbered among her collaborators the artists Salvador Dalí, Jean Cocteau, Christian Berard and Marcel Vernet, resulting in such extraordinary couture collaborations as the lobster and parsley dress based on a print by Salvador Dalí and the Circus collection of gold embroidered jackets based on drawings by Cocteau. These artists also became personal friends of Schiaparelli's and made wonderful screens and other works of applied art for her house in Paris, photographs of the interiors of which have never been published. Now the actress Marisa Berenson reveals her private archive of pictures of her much-loved grandmother's house in all its wit and eccentricity and pens an affectionate first-hand memoir of Schiaparelli.

**The Little Book of Schiaparelli** Emma Baxter-Wright, 2012. This monograph on designer Elsa Schiaparelli chronicles the work of one of history's most influential and eccentric couturiers. Endowed with a strikingly imaginative and experimental approach to fashion, she cultivated the combination of the witty and the surreal, the cutting edge and the elegant.

*Shocking Life* Elsa Schiaparelli, 2026-03-17. A lively idiosyncratic and fascinating account of the life and career of Elsa Schiaparelli in her own inimitable voice. I merely know Schiaparelli by hearsay; I have only seen her in a mirror. She is, for me, a kind of fifth dimension. Elsa Schiaparelli is one of the most celebrated fashion designers of the 20th century. Recognized for her unique creative vision, which combined a love of art and mysticism with ingenious design talent and wit, her collaborations with surrealist artists, affluent and famous clientele, and innovative yet wearable designs set Schiaparelli apart from her contemporaries. With a cast of characters that includes Coco Chanel, Salvador Dalí, Daisy Fellowes, and Eva Perón, *Shocking Life* is a lively idiosyncratic and fascinating account of the life and career of Schiaparelli in her own inimitable voice. This deluxe edition, illustrated with a selection of some of her most iconic designs, takes us from her somewhat conventional childhood in Rome, where she was surrounded by academics and aristocrats, through the establishment of her couture house during the turbulence of the 1920s, on to her dominance of 1930s fashion and the fate of her house during World War Two.

**Poiret, Dior and Schiaparelli** Ilya Parkins, 2013-08-01. Through a highly original and detailed analysis of the memoirs, interviews, and other life writings of Poiret, Dior, and Schiaparelli, this book explores changing notions of femininity in the early decades of the twentieth century when the democratization of fashion began. Examining the idea of modernity, eternity, and the ephemeral in the writings of these haute couturiers, the book reflects on fashion's ambivalent approach to women, which both celebrated and vilified them, presenting them as both ultra-modern style leaders and irrational creatures stuck in the past. This fascinating text is key reading for scholars and students of fashion, gender studies, cultural studies, and history.
