Goddess X Robert St. Clare, 2006-04 Goddess X begins in the heart and mind of Keith Martin a twenty six year old social worker who is slightly neurotic and overly nostalgic for the 1970s He reluctantly trudges through his existence resenting the present time and mourning the loss of his utopian childhood spent with Dawn the kind and beautiful next door neighbor who raised and nurtured him while his parents nurtured their careers His banal reality shatters forever when he and his co workers attend the grand opening of a ghoulish new bar called No Escape Keith is shocked when he witnesses the owner of the bar Dawn s conniving and controlling husband David passionately kissing another woman Realizing that he must warn Dawn Keith decides to contact her despite the pain it will cause him to face his lost love a woman twenty years his senior a woman who was like a mother to him Overcoming his fear Keith makes a trip to his old neighborhood and pays a visit to Dawn who

welcomes him with tears and hugs They quickly discover that their bond is as strong as ever but that they must also face an awkward and intense physical attraction Infused with new hope they vow to never lose each other again Keith s newfound bliss is short lived as he discovers the dark secrets of the past His entire being is shaken when he learns that Dawn the Goddess of his childhood had been verbally and physically abused by David throughout their entire marriage He also learns that Dawn s house his childhood sanctuary is being plagued by paranormal phenomena which began in 1974 when David and his mistress Rosa tried to invoke an evil spirit into the body of a marionette during a party Enraged by this information Keith begins an investigation that leads from the past to a future where David and Rosa a self proclaimed sorceress are planning a bizarre and demonic demise for Dawn that s twenty four years in the making For a brand new writer Robert St Clare has the skills and abilities of a seasoned author Like Charles Dickens he gives his characters many dimensions so much so that the reader can t help liking and disliking the right ones You really want to travel through the adventures and misadventures of Keith Martin whose love for an older woman his former baby sitter Dawn overpowers him He therefore falls prey to the dangers awaiting him commandeered by Dawn s evil husband David and his mistress Rosa an expert in Tibetan sorcery An interesting and compelling tale in the flavor of Edgar Allen Poe especially in St Clare s flash backs to the 70 s obsessions with drugs and the occult A gripping page turner C Verrastro Who s Who Among American Teachers Inductee *Moon Hall* Gabriele Wills,2017-06-28 Two women who live a century apart Two stories that interweave to form a rich tapestry of intriguing characters evocative places and compelling events Escaping from a disintegrating relationship in the city writer Kit Spencer stumbles upon the quintessential Norman Rockwell village in the Ottawa Valley where she buys an old stone mansion Moon Hall But her illusions about idyllic country life are soon challenged by reality Beneath the seemingly calm backwater run powerful currents dramas already close to breaking the surface In her rural community of farmers hippies and yuppies Kit unwittingly precipitates events that will change them all forever Violet McAllister the ghost that reputedly haunts Moon Hall comes vividly to life through her long forgotten diary From the gritty shantytown of the newly minted capital of Canada to the extravagant balls given by the popular and flamboyant Governor General and his wife Violet s tragic tale unfolds Kit feels a bond with this strong and passionate woman and realizes she must grasp her own happiness while she can Moon Hall is a haunting tale of relationships in crisis and touches on the full spectrum of human emotions from raw violence and dark passions to compassion and love *Raising the Stakes* Sandra Marton,2016-10-17 When a lawyer encounters the woman he s been tasked to find business turns to pleasure in a fiery game of winner take all Wealthy attorney Gray Baron has come to Las Vegas on a mission to find a woman Dawn Lincoln Kittredge the long lost grandchild of his uncle But feisty Dawn is not about to make anything easy for him After being hurt in the past Dawn is wary of strangers even gorgeous sexy ones like Gray But mutual suspicion doesn t stop an undeniable passion from igniting between them As the tension mounts all bets are off *Multinational Enterprises, Foreign Direct Investment and Growth in Africa* Bernard Michael Gilroy,Thomas

Gries, Willem A. Naudé, 2006-03-30 How can Africa the world's most lagging region benefit from globalisation and achieve sustained economic growth Africa needs greater investment by Multinational Enterprises MNEs to improve competitiveness and generate more growth through positive spill over effects Despite the fact that Africa's returns on investment averaged 29% since 1990 Africa has gained merely 1% of global Foreign Direct Investment FDI flows The challenge for African countries is how to be a more desirable destination for FDI The study integrates three currents of economic research namely from the literature on endogenous economic growth convergence and regional integration the explanations for Africa's poor growth and the growing understanding of the role of MNEs in a global economy The empirical side of the book is based on an econometric study of the determinants of FDI in Africa as well as a detailed firm level survey conducted in 2000 **The Runaway Bag** Albert Payson Terhune, 1925 *How to Be Dead in a Year of Snakes* Chris Tse, 2015-01-01 In 1905 white supremacist Lionel Terry murdered the Cantonese gold prospector Joe Kum Yung to draw attention to his crusade to rid New Zealand of Chinese and other east Asian immigrants Author Chris Tse uses this story and its reenactment for a documentary a hundred years later to reflect on the experiences of Chinese migrants of the period their wishes and hopes their estrangement and alienation their ghostly reverberation through a white majority culture Along the way readers visit the gold fields of the south a shipwreck in the Hokianga that left the spirits of 500 Chinese gold miners in an unmemorialized limbo for a hundred years and the streets of Newtown Wellington where Lionel Terry went out one night looking for a Chinaman Chris Tse's flickering use of imagery resonant language and flexible pronouns are particularly suited to the historic events he describes and the viewpoints he shifts through *How to be Dead in a Year of Snakes* is a welcome poetic addition to New Zealand literature **Flowers From The Withering Garden** Trent Chess, 2011-02-04 This book of poetry is from the view of the world through my eyes and no other I have always looked to the darker nature of life and the souls of men I have always written on the thoughts of life and death as these things are the constant in the lives of men I began writing poetry shortly after the death of my mother in 1987 but it was not until recent years that I cultivated my work into what it has become today If I can compel one person to think about what was read then I have achieved something Most of my poems are ambiguous and will leave their meanings to the mind of the reader **The Metarevolution** Grant Bartley, 2009 The Metarevolution is a revolutionary manifesto about revolutions It is both a theory about the nature of change throughout history and a prescription of what to do about it The touchstone idea for The Metarevolution is that no matter how well thought out any ideology may be to start with there are always limitations which only become clear as its ideals are applied History shows that radical changes too often lead to disaster or to corruption as these limitations are revealed or as thinking stagnates when it needs to change How can we overcome these limitations for present and future revolutions And how can we overcome the failure to ultimately progress which this basic cycle of history demonstrates By looking at the hypothetical example of a coming global ecological revolution and many examples from history The Metarevolution analyses

what goes wrong with cultures in following their ideals and reveals the metarevolutionary response This is to create a subculture which pursues an on going deep critique of ideology the aim of which is for humanity to continually evolve its ideals In following this metarevolutionary programme we will continually redirect ourselves towards the best world we can create for ourselves So a metarevolution is the most intelligent thing the human race can do for itself and The Metarevolution needs you
