**John Cooper**

## **Elusive Rothschild The Life Of Victor Third Baron:**

**Elusive Rothschild** Kenneth Rose, 2003 The accomplishments and diversity of the interests of Victor third Baron Rothschild were remarkable A zoologist by choice and training he also formed the finest collection of 18th century English books in private hands In World War II he was head of counter sabotage in MI5 also being responsible for ensuring that presents of food drink and cigars to Winston Churchill contained no poison or bombs He coordinated research for Shell was the first director of Edward Heath's creation known as the Think Tank He chaired the family business N M Rothschild and Sons and presided over the Royal Commission on Gambling Then came the Blunt scandal Ultimately declared innocent by Margaret Thatcher of having spied for Soviet Russia Rothschild escaped prosecution for having breached the Official Secrets Act only after the humiliation of interrogation by Scotland Yard's Serious Crimes Squad Yet he was the victim of what Kenneth Rose his biographer sees as a cruel and relentless campaign of denigration that temporarily obscured his achievements

The Unexpected Story of Nathaniel Rothschild John Cooper, 2015-07-16 The Unexpected Story of Nathaniel Rothschild is the only full length biography of Nathaniel the first Lord Rothschild 1840 1915 The Rothschild family in all its branches is of compelling and continuing interest and fascination A family that could make or break dynasties that could bankrupt industrial magnates but who also were outstanding philanthropists and collectors of some of the world's greatest art treasures Ardently supportive of the founding of the State of Israel Nathaniel was also adept at playing the political game within and without Jewry He went to extremes to ensure that Jewish refugees from Russian pogroms went to Palestine and did not come to the UK The first Jew in the House of Lords he had previously stood as a Liberal MP and fought for social justice He knew every leading British politician from Disraeli to Lloyd George Indeed as a leading figure in the City he helped Lloyd George to surmount this country's worst ever financial crisis He died a man mourned by the political elite and the masses It is only now that his story has been fully told

*Nica's Dream: The Life and Legend of the Jazz Baroness* David Kastin, 2011-06-27 The first biography of the legendary Rothschild heiress who reigned as New York's Jazz Baroness It's a misty night in 1950s New York A silver Rolls Royce screeches to a stop at the neon lit doorway of a 52nd Street jazz club Behind the wheel is a glamorous brunette a chinchilla stole draped over her shoulder and a long cigarette holder clinched in her teeth After taking a pull from a small silver flask she glides past the bouncer into the murky depths of the Three Deuces The Jazz Baroness has arrived Raised in fairy tale splendor Kathleen Annie Pannonica Rothschild de Koenigswarter known as Nica piloted her own plane across the English Channel married a French baron fought in the French Resistance and had five children Then she heard a recording of Thelonious Monk's Round Midnight Inspired by the liberating spirit of jazz Nica left her family moved to Manhattan and began haunting the city's nightclubs The tabloids first splashed her name across the headlines after Charlie Parker died in her hotel suite a scandal that cast a dark shadow over the rest of her life She retreated from the public eye but through her ongoing ministrations to Monk and dozens of other musicians she became a legend

Nearly a score of jazz compositions have been written in her honor including two of the most beloved classics of the genre Horace Silver's *Nica's Dream* and Monk's *Pannonica*. *Nica's Dream* traces the story of a fascinating woman across her thirty year reign as the Jazz Baroness but it also explores a transformative era in twentieth century American culture. Based on interviews with musicians, family members, historians and artists, David Kastin's probing biography unwraps the life of this enigmatic figure and evokes the vibrancy of New York during the birth of bebop, the first stirrings of the Beat Generation and the advent of abstract expressionism.

**Ben Macintyre's *Espionage Files*** Ben Macintyre, 2012-11-18 Agent Zigzag. One December night in 1942 a Nazi parachutist landed in a Cambridgeshire field. His mission to sabotage the British war effort. His name was Eddie Chapman but he would shortly become MI5's Agent Zigzag. Dashing and louche, courageous and unpredictable, inside the traitor was a hero, inside the villain a man of conscience. The problem for Chapman, his many lovers and his spymasters was knowing where one ended and the other began. Ben Macintyre weaves together diaries, letters, photographs, memories and top secret MI5 files to create the exhilarating account of Britain's most sensational double agent. Operation Mincemeat. One overcast April morning in 1943 a fisherman notices a corpse floating in the sea off the coast of Spain. When the body is brought ashore he is identified as a British soldier, Major William Martin of the Royal Marines. A leather attach case secured to his belt reveals an intelligence goldmine: top secret documents, Allied invasion plans. But Major William Martin never existed. The body is that of a dead Welsh tramp and every single document is fake. Operation Mincemeat is the incredible true story of the most extraordinary deception ever planned by Churchill's spies, an outrageous lie that travelled from a Whitehall basement all the way to Hitler's desk. Double Cross, D-Day, 6 June 1944, the turning point of the Second World War, was a victory of arms. But it was also a triumph for a different kind of operation, one of deceit. At the heart of the deception was the Double Cross System, a team of double agents whose bravery, treachery, greed and inspiration succeeded in convincing the Nazis that Calais and Norway, not Normandy, were the targets of the 150,000 strong Allied invasion force. These were not conventional warriors but their masterpiece of deceit saved thousands of lives. Their codenames were Bronx, Brutus, Treasure, Tricycle and Garbo. This is their story.

**Strangers in the Archive** Heidi Kaufman, 2022-09-07 Winner of the 2023 Jordan Schnitzer Book Award for best book in the category of Jewish literature and linguistics. Traditionally the scene of some of London's poorest, most crime-ridden neighborhoods, the East End of London has long been misunderstood as abject and deviant. As a landing place for migrants and newcomers, however, it has also been memorably and colorfully represented in the literature of Victorian authors such as Charles Dickens and Oscar Wilde. In *Strangers in the Archive*, Heidi Kaufman applies the resources of archives, both material and digital, to move beyond icon and stereotype to reveal a deeper understanding of East End literature and culture in the Victorian age. Kaufman uncovers this engaging new perspective on the East End through Maria Polack's *Fiction without Romance* (1830), the first novel to be published by an English Jew, and through records of Polack's vibrant community. Although scholars of nineteenth century

London and readers of East End fictions persist in privileging sensational narratives of Jack the Ripper and the infamous Fagin the Jew as signs of universal depravity among East End minority ethnic and racial groups Strangers in the Archive considers how archival materials are uniquely capable of redressing cultural silences and marginalized perspectives as well as reshaping conceptions of the global significance of literary and print culture in nineteenth century London Many of this book s subjects including digital editions of rare books and manuscript diaries multimedia maps and other related East End print records can be viewed online at the Lyon Archive and the Polack Archive *Harry Oppenheimer* Michael

Cardo,2023-03-05 This book will surely be the most readable best informed most complete account of Harry Oppenheimer s life there is ever likely to be Bill Nasson historian and author As chairman of Anglo American and De Beers Harry Oppenheimer held sway over his family s gold and diamond empire for a quarter of a century He combined a passion for commerce with a streak of creative genius In this the first comprehensive biography of Oppenheimer Michael Cardo has produced a vivid portrait based on unrestricted access to his subject s private papers and interviews with Oppenheimer s relatives and associates Cardo brings to life the places people and events that shaped Oppenheimer s career at the intersection of business and politics From the diamond fields of Kimberley where his father Ernest arrived to seek his fortune in 1902 through his long apprenticeship as heir apparent to Harry Oppenheimer s emergence on the world stage as a magnate and monarch in his own right the King of Diamonds and the man with the Midas touch Cardo tells the story of a dynasty As a financier philanthropist and public figure Oppenheimer straddles the history of 20th century South Africa In the 1950s the National Party regarded him as a threat to Afrikanerdom the sinister embodiment of English money power Forty years later Nelson Mandela praised Oppenheimer as a nation builder a key figure in South Africa s transition to democracy Yet nowadays Oppenheimer is demonised in some quarters as the archetype of white monopoly capital and blamed in part for democracy s disappointing dividends Meticulously researched and superbly written this authoritative work sheds new light on the multifaceted legacy of a renowned South African industrialist **To Catch a Spy** Tim Tate,2024-08-15 The

Spycatcher affair remains one of the most intriguing moments in the history of British intelligence and a pivotal point in the public s relationship with the murky world of espionage and security It lifted the lid on alleged Soviet infiltration of British services and revealed a culture of law breaking bugging and burgling But how much do we know about the story behind the scandal In *To Catch a Spy* Tim Tate reveals the astonishing true story of the British government s attempts to silence whistleblower Peter Wright and hide the truth about Britain s intelligence services and political elites It s a story of state sanctioned cover up plots of the government lying to Parliament and courts around the world and of stories leaked with the intention to mislead and deceive This is a tale of high treason and low farce Drawing on thousands of pages of previously unpublished court transcripts the contents of secret British government files and original interviews with many of the key players in the Spycatcher trials it draws back the curtain on a hidden world A world where spies politicians and Britain s

most senior civil servants conspired to ride roughshod over the law prevented the public from hearing about their actions and mounted a cynical conspiracy to deceive the world It is the story of Peter Wright's ruthless and often lawless obsession to uncover Russian spies both real and imagined his belated determination to reveal the truth and the lengths to which the British government would go to silence him      **Operation Mincemeat** Ben Macintyre, 2010-01-18 Now a major film starring Colin Firth Matthew Macfadyen Kelly Macdonald Penelope Wilson Johnny Flynn and Jason Isaacs A RICHARD AND JUDY BOOK CLUB SELECTION A SUNDAY TIMES NO 1 BESTSELLER Astonishing Sheds riveting new light on this breathtaking plan Daily Mail A rollicking read Max Hastings Sunday Times Brilliant and almost absurdly entertaining New Yorker

\_\_\_\_\_ April 1943 a sardine fisherman spots the corpse of a British soldier floating in the sea off the coast of Spain and sets off a train of events that would change the course of the Second World War Operation Mincemeat was the most successful wartime deception ever attempted and the strangest It hoodwinked the Nazi espionage chiefs sent German troops hurtling in the wrong direction and saved thousands of lives by deploying a secret agent who was different in one crucial respect from any spy before or since he was dead His mission to convince the Germans that instead of attacking Sicily the Allied armies planned to invade Greece This is the true story of the most extraordinary deception ever planned by Churchill's spies an outrageous lie that travelled from a Whitehall basement all the way to Hitler's desk      **Double Cross** Ben Macintyre, 2012-01-01 The number one bestselling author of Agent Zigzag and Operation Mincemeat exposes the true story of the D Day Spies      **The Secret War Between the Wars** Kevin Quinlan, 2014 The methods developed by British intelligence in the early twentieth century continue to resonate today Much like now the intelligence activity of the British in the pre Second World War era focused on immediate threats posed by subversive clandestine networks against a backdrop of shifting great power politics Even though the First World War had ended the battle against Britain's enemies continued unabated during the period of the 1920s and 1930s Buffeted by political interference and often fighting for their very survival Britain's intelligence services turned to fight a new clandestine war against rising powers Soviet Russia and Nazi Germany Using recently declassified files of the British Security Service MI5 The Secret War Between the Wars details the operations and tradecraft of British intelligence to thwart Communist revolutionaries Soviet agents and Nazi sympathizers during the interwar period This new study charts the development of British intelligence methods and policies in the early twentieth century and illuminates the fraught path of intelligence leading to the Second World War An analysis of Britain's most riveting interwar espionage cases tells the story of Britain's transition between peace and war The methods developed by British intelligence in the early twentieth century continue to resonate today Much like now the intelligence activity of the British in the pre Second World War era focused on immediate threats posed by subversive clandestine networks against a backdrop of shifting great power politics As Western countries continue to face the challenge of terrorism and in an era of geopolitical change heralded by the rise of China and the resurgence of Russia a return to the past may provide context for a

better understanding of the future Kevin Quinlan received his PhD in History from the University of Cambridge He works in Washington DC

**Learned Lives in England, 1900-1950** William C. Lubenow, 2020 If objectivity was the great discovery of the nineteenth century uncertainty was the great discovery of the twentieth century

**Britain's War Machine** David Edgerton, 2011-09-09 The familiar image of the British in the Second World War is that of the plucky underdog taking on German might David Edgerton's bold compelling new history shows the conflict in a new light with Britain as a very wealthy country formidable in arms ruthless in pursuit of its interests and in command of a global production system Rather than belittled by a Nazi behemoth Britain arguably had the world's most advanced mechanized forces It had not only a great empire but allies large and small Edgerton shows that Britain fought on many fronts and its many home fronts kept it exceptionally well supplied with weapons food and oil allowing it to mobilize to an extraordinary extent It created and deployed a vast empire of machines from the humble tramp steamer to the battleship from the rifle to the tank made in colossal factories the world over Scientists and engineers invented new weapons encouraged by a government and prime minister enthusiastic about the latest technologies The British indeed Churchillian vision of war and modernity was challenged by repeated defeat at the hands of less well equipped enemies Yet the end result was a vindication of this vision Like the United States a powerful Britain won a cheap victory while others paid a great price Putting resources machines and experts at the heart of a global rather than merely imperial story Britain's War Machine demolishes timeworn myths about wartime Britain and gives us a groundbreaking and often unsettling picture of a great power in action

**A Spy Named Orphan: The Soviet Agent Who Stole the West's Greatest Secrets** Roland Philipps, 2018-05-01 A lively and beautifully engineered biography John Banville New York Review of Books Donald Maclean was one of the most treacherous spies of the Cold War era a member of the infamous Cambridge Five spy ring yet the extent of this shrewd secretive man's betrayal has never fully been explored Drawing on formerly classified files **A Spy Named Orphan** documents the extraordinary story of a model diplomat leading a chilling double life until his exposure and defection to the USSR Philipps describes a man prone to alcoholic rages who rose through the ranks of the British Foreign Office while secretly transmitting through his Soviet handlers reams of diplomatic and military intelligence on the atom bomb and the shape of the postwar world A mesmerizing tale of blind faith and fierce loyalty alongside dangerous duplicity and human vulnerability Philipps's narrative will stand as the definitive account of the man codenamed Orphan

**Operation Lena and Hitler's Plots to Blow Up Britain** Bernard O'Connor, 2017-11-15 The wartime story of how the Nazi Germany's sent saboteurs from 1938 onwards to launch acts of terror on the street of England and amazingly employed collaborators from the IRA and attempted to use Scottish and Welsh nationalists

*Who Loses, Who Wins: The Journals of Kenneth Rose* Kenneth Rose, 2019-11-14 Kenneth Rose was one of the most astute observers of the post war Establishment The wry and amusing journals of the royal biographer and historian made objective observation a sculpted craft His impeccable social placement located him within the beating heart of the

national elite for decades He was capable of writing substantial history such as his priceless material on the abdication crisis from conversations with both the Duke of Windsor and the Queen Mother Yet he maintained sufficient distance to achieve impartial documentation while working among political clerical military literary and aristocratic circles Relentless observation and a self confessed difficulty to let a good story pass me by made Rose a legendary social commentator while his impressive breadth of interests was underpinned by tremendous respect for the subjects of his enquiry Brilliantly equipped as Rose was to witness detail and report the second volume of his journals vividly portrays some of the most important events and people of the last century from the election of Margaret Thatcher as Prime Minister in 1979 to Kenneth Rose s death in 2014 **Country Life** ,2003 Churchill and the Jews Martin Gilbert,2024-09-04 An insightful history of Churchill s lifelong commitment both public and private to the Jews and Zionism and of his outspoken opposition to anti Semitism Winston Churchill was a young man in 1894 when Captain Alfred Dreyfus a Jewish officer in the French army was convicted of treason and sent to Devil s Island Despite the prevailing anti Semitism in England as well as on the Continent Churchill s position was clear he supported Dreyfus and condemned the prejudices that had led to his conviction Churchill s commitment to Jewish rights to Zionism and ultimately to the State of Israel never wavered In 1922 he established on the bedrock of international law the right of Jews to emigrate to Palestine During his meeting with David Ben Gurion in 1960 Churchill presented the Israeli prime minister with an article he had written about Moses praising the father of the Jewish people Drawing on a wide range of archives and private papers speeches newspaper coverage and wartime correspondence Churchill s official biographer Sir Martin Gilbert explores the origins implications and results of Churchill s determined commitment to Jewish rights opening a window on an underappreciated and heroic aspect of the brilliant politician s life and career The author masterfully sketches the evolution of Israel through a long difficult British Jewish process of conception Gilbert s deep lifelong scholarship and knowledge of his subject lend his book both authority and accessibility Kirkus Reviews A must read for those interested in Churchill and in Jewish history Publishers Weekly **Stalin's Englishman** Andrew Lownie,2016-10-04 Guy Burgess was the most important complex and fascinating of The Cambridge Spies Maclean Philby Blunt brilliant young men recruited in the 1930s to betray their country to the Soviet Union An engaging and charming companion to many an unappealing utterly ruthless manipulator to others Burgess rose through academia the BBC the Foreign Office MI5 and MI6 gaining access to thousands of highly sensitive secret documents which he passed to his Russian handlers In this first full biography Andrew Lownie shows us how even Burgess s chaotic personal life of drunken philandering did nothing to stop his penetration and betrayal of the British Intelligence Service Even when he was under suspicion the fabled charm which had enabled many close personal relationships with influential Establishment figures including Winston Churchill prevented his exposure as a spy for many years Through interviews with more than a hundred people who knew Burgess personally many of whom have never spoken about him before and the discovery of hitherto secret

files Stalin's Englishman brilliantly unravels the many lives of Guy Burgess in all their intriguing chilling colorful tragicomic wonder     **A Spy Among Friends** Ben Macintyre, 2014-01-01 From bestselling author Ben Macintyre the true untold story of history's most famous traitor     Misdefending the Realm Antony Percy, 2017 This is the story of how the Soviet Union successfully infiltrated the UK government in the years leading up to WW2 and specifically when the USSR was an ally of Nazi Germany August 1939 June 1941 Historians have previously argued that this success was due to the existence of a Communist super mole within MI5 and that in the fight against Fascism multiple indulgences towards communists were an unavoidable strategy The reality was very different When a key Soviet defector warned of the deep insertion of agents within the corridors of power the Comintern were obliged by the Hitler Stalin pact to launch an aggressive counteroffensive in 1940 Britain's Security Service was persuaded that the threat from communist subversion was minimal When this most damaging espionage was detected MI5's officers engaged in an extensive cover up to conceal their deficiencies Exploiting recently declassified material and a broad range of historical and biographical sources Antony Percy here reveals how the Soviet Union caught up so swiftly with Western expertise and weaponry and so removed a key Western advantage over its Communist adversary as the Cold War ensued

## **Elusive Rothschild The Life Of Victor Third Baron Book Review: Unveiling the Magic of Language**
