Radical Openness George Breed, 2009-07 Excerpt from George Breed s *Radical Openness* I do not worship the little normal god the marvel of fitness and health working out in his cosmic gym he one with manners who serves as Dear Abby for us all I worship the raw naked God of many heads and eyes unafraid of assuming paradoxical shape devouring self with massive jaws and springing forth anew I love the voracious God consuming us with fierce passion at whose face we scarce not to look for fear our bones will melt and hearts explode and wild joy becomes our home

32 Secrets of Birth Chart Saket Shah, 2025-04-07 When I first began studying Vedic astrology I was searching for answers Why do we suffer certain patterns over and over Why do some people walk into our lives like fate only to leave like storms Why are some born with abundance while others carry invisible burdens I didn t just want to know when something would happen I wanted to know why it needed to happen In the sacred silence of the

scriptures in the dusty margins of forgotten manuscripts in the heartbeat of my own chart I began to see glimpses of something deeper Hidden patterns Mysterious laws Secrets that weren't taught in mainstream texts but whispered through experience devotion and inner knowing Thus this book was born not from a place of authority but from a place of wonder Each of the 32 secrets in this book is a doorway They come from classical Vedic astrology Jaimini's cryptic brilliance and deeper meditations on karma and consciousness But more than anything they come from years of living through my chart and helping others walk through theirs This is not a technical manual It's a spiritual map A mystical initiation For those who are tired of predictions and hungry for purpose If this book has awakened something in you some memory of who you were and what you came here to heal then it has fulfilled its purpose To the reader who sees themselves in these pages To the astrologer who senses truth beyond technique To the soul who is both seeker and secret This book was written for you With light devotion Saket Shah
