illuminate darkly Malyon gazes down into the emotional chasm which seems to separate men and women parents and children and the images she brings to the surface are not quite like anything you've read before though you recognize them and know they're true Perhaps the only Canadian stories at all comparable are those of Carol Shields in *Various Miracles* and *The Orange Fish* *Trial of Miss Madeleine H. The Poetical Works of Elizabeth Barrett Browning with Two Prose Essays Elizabeth Barrett Browning, 1916 *THE BROKEN WINGS (With Original Illustrations)* Kahlil Gibran, 2023-12-31

In Kahlil Gibran's poignant novella *The Broken Wings* readers are invited into a lyrical exploration of love, sacrifice, and the struggles of the soul. Written in Gibran's signature poetic prose, the narrative unfolds a tragic yet deeply resonant love story between the young poet Michael and his beloved Selma, whose potential is stifled by societal constraints. The work stands as a critique of the oppressive forces of the early 20th-century society, interweaving philosophical reflections with Gibran's original illustrations that enhance the aesthetic experience and emotional depth of the text. This blend of narrative and visual artistry creates an immersive literary tapestry that engages heart and mind alike.

Kahlil Gibran, a Lebanese American writer and artist, drew from his own experiences of exile and cultural dislocation to inform his worldview. Born in 1883 in modern-day Lebanon, Gibran immigrated to the United States as a child, experiencing firsthand the tensions between personal aspirations and socioeconomic challenges. His rich appreciation for beauty, spirituality, and freedom is mirrored in *The Broken Wings*, reflecting both his personal tragedies and broader societal critiques. This beautifully illustrated edition of *The Broken Wings* is not only a work of art but also a profound meditation on the nature of love and freedom. It is recommended for readers who seek to explore the complexities of human relationships as well as those who appreciate a poetic and philosophical examination of the heart's yearnings. Gibran's timeless themes remain relevant, inviting both introspection and inspiration.

The Broken Wings (Illustrated) Kahlil Gibran, 2015-11-09

This carefully crafted ebook *The Broken Wings Illustrated* is formatted for your eReader with a functional and detailed table of contents.

Extract: I was eighteen years of age when love opened my eyes with its magic rays and touched my spirit for the first time with its fiery fingers, and Selma Karamy was the first woman who awakened my spirit with her beauty and led me into the garden of high affection where days pass like dreams and nights like weddings. Selma Karamy was the one who taught me to worship beauty by the example of her own beauty and revealed to me the secret of love by her affection; she was the one who first sang to me the poetry of real life.

The Broken Wings is a tale of tragic love set in turn-of-the-century Beirut. The book highlights many of the social issues of the time in the Eastern Mediterranean, including religious corruption, the lack of rights of women, and the weighing up of wealth and happiness, and is probably inspired from Gibran's own personal experiences.

Kahlil Gibran (1883-1931) was a Lebanese American artist, poet, and philosopher. Regarded as a literary and political rebel, his romantic style was at the heart of the renaissance in modern Arabic literature.
