為雅妙他無取也客曰傳者

異於是予目一過曰觀者云何

# Embroidered Couch An Erotic Novel Of China

**SB Merriam**

## **Embroidered Couch An Erotic Novel Of China:**

The Embroidered Couch Tiancheng Lü, 2001 The first translation of a late Ming erotic novel that was originally published during the first decade of the 17th century attributed to Lu Tiancheng a well known playwright in the Ming dynasty It is regarded as a notorious classic in Chinese literature and has been long banned in China Shockingly explicit it details the travails of a romantic scholar named Easterngate who encourages a relationship between his wife and his compadre Dali The story that unfolds is one of lust betrayal and revenge played out against the extraordinary backdrop of 17C China

**Saying All That Can Be Said** Keith McMahon, 2024-09-09 In *Saying All That Can Be Said* Keith McMahon presents the first full analysis of the sexually explicit portrayals in the Ming novel *Jin Ping Mei* The Plum in the Golden Vase Countering common views of those portrayals as just sex or as bad sex he shows that they are rich in thematic meaning and loaded with social and aesthetic purpose McMahon places the novel in the historical context of Chinese sexual culture from which *Jin Ping Mei* inherits the style of the elegant metaphorical description of erotic pleasure but which the anonymous author extends in an exploration of the explicit the obscene and the graphic The novel uses explicit description to evaluate and comment on characters situations and sexual and psychic states of being Echoing the novel's way of taking sex as a vehicle for reading the world McMahon celebrates the richness and exuberance of *Jin Ping Mei*'s language of sex which refuses imprisonment within the boundaries of orthodox culture's clearly authoritative style and which continues to inspire admiration from readers around the world *Saying All That Can Be Said* will change the way we think about sexual culture in premodern China

*In the Inner Quarters* Mengchu Ling, R. W. L. Guisso, 2003 A collection of five erotic stories from Ming dynasty China in English for the first time

**Sexuality in China** Howard Chiang, 2018-06-15 What was sex like in China from imperial times through the post Mao era The answer depends of course on who was having sex where they were located in time and place and what kind of familial social and political structures they participated in This collection offers a variety of perspectives by addressing diverse topics such as polygamy pornography free love eugenics sexology crimes of passion homosexuality intersexuality transsexuality masculine anxiety sex work and HIV AIDS Following a loose chronological sequence the chapters examine revealing historical moments in which human desire and power dynamics came into play Collectively the contributors undertake a necessary historiographic intervention by reconsidering Western categorizations and exploring Chinese understandings of sexuality and erotic orientation

*The Best American Erotica*, 2002

*The Novel: An Alternative History, 1600-1800* Steven Moore, 2013-08-29 Winner of the Christian Gauss Award for excellence in literary scholarship from the Phi Beta Kappa Society Having excavated the world's earliest novels in his previous book literary historian Steven Moore explores in this sequel the remarkable flowering of the novel between the years 1600 and 1800 from *Don Quixote* to America's first big novel an homage to Cervantes entitled *Modern Chivalry* This is the period of such classic novels as *Tom Jones* *Candide* and *Dangerous Liaisons* but beyond the dozen or so recognized classics there are hundreds of

other interesting novels that appeared then known only to specialists Spanish picaresques French heroic romances massive Chinese novels Japanese graphic novels eccentric English novels and the earliest American novels These minor novels are not only interesting in their own right but also provide the context needed to appreciate why the major novels were major breakthroughs The novel experienced an explosive growth spurt during these centuries as novelists experimented with different forms and genres epistolary novels romances Gothic thrillers novels in verse parodies science fiction episodic road trips and family sagas along with quirky unclassifiable experiments in fiction that resemble contemporary avant garde works As in his previous volume Moore privileges the innovators and outriders those who kept the novel novel In the most comprehensive history of this period ever written Moore examines over 400 novels from around the world in a lively style that is as entertaining as it is informative Though written for a general audience *The Novel An Alternative History* also provides the scholarly apparatus required by the serious student of the period This sequel like its predecessor is a zestfully encyclopedic avidly opinionated and dazzlingly fresh history of the most elastic of literary forms Booklist **Canadian Book Review Annual** ,1975 *Desire and Fictional Narrative in Late Imperial China* Martin W. Huang,2020-03-23 In this new study of desire in Late Imperial China Martin Huang argues that the development of traditional Chinese fiction as a narrative genre was closely related to changes in conceptions of the fundamental nature of desire He further suggests that the rise of vernacular fiction during the late Ming dynasty should be studied in the context of contemporary debates on desire along with the new and complex views that emerged from those debates *Desire and Fictional Narrative in Late Imperial China* shows that the obsession of authors with individual desire is an essential quality that defines traditional Chinese fiction as a narrative genre Thus the maturation of the genre can best be appreciated in terms of its increasingly sophisticated exploration of the phenomenon of desire **The Cambridge World History of Sexualities: Volume 1, General Overviews** Merry E. Wiesner-Hanks,Mathew Kuefler,2024-04-30 Volume I offers historiographical surveys and general overviews of central topics in the history of world sexualities Split across twenty two chapters this volume places the history of sexuality in dialogue with anthropology women s history LGBTQ history queer theory and public history as well as examining the impact Freud and Foucault have had on the history of sexuality The volume continues by providing overviews on the sexual body family and marriage the intersections of sexuality with race and class male and female homoerotic relations trans and gender variant sexuality the sale of sex sexual violence sexual science sexuality and emotion erotic art and literature and the material culture of sexuality *Canadian Books in Print 2002* Edited by Butler Marian,Marian Butler,2002-02 Containing more than 48000 titles of which approximately 4000 have a 2001 imprint the author and title index is extensively cross referenced It offers a complete directory of Canadian publishers available listing the names and ISBN prefixes as well as the street e mail and web addresses *University of Toronto Quarterly* University of Toronto,2002 *Canadian Books in Print. Author and Title Index* ,1975 **Reinventing Licentiousness** Y. Yvon Wang,2021-03-15

Reinventing Licentiousness navigates an overlooked history of representation during the transition from the Qing Empire to the Chinese Republic a time when older hierarchical notions of licentiousness were overlaid by a new pornographic regime Y Yvon Wang draws on previously untapped archives ranging from police archives and surveys to ephemeral texts and pictures to argue that pornography in China represents a unique configuration of power and desire that both reflects and shapes historical processes On the one hand since the late imperial period pornography has democratized pleasure in China and opened up new possibilities of imagining desire On the other ongoing controversies over its definition and control show how the regulatory ideas of premodern cultural politics and the popular products of early modern cultural markets have contoured the globalized world Reinventing Licentiousness emphasizes the material factors particularly at the grassroots level of consumption and trade that governed proper sexual desire and led to ideological shifts around the definition of pornography By linking the past to the present and beyond Wang s social and intellectual history showcases circulated pornographic material as a motor for cultural change The result is an astonishing foray into what historicizing pornography can mean for our understandings of desire legitimacy capitalism and culture

### **Gender and the City before Modernity**

Lin Foxhall, Gabriele Neher, 2012-05-29 Gender and the City before Modernity presents a series of multi disciplinary readings that explore issues relating to the role of gender in a variety of cities of the ancient medieval and early modern worlds Presents an inter disciplinary collection of readings that reveal new insights into the intersection of gender temporality and urban space Features a wide geographical and methodological range Includes numerous illustrations to enhance clarity

**Asia Major** ,2003

**Canadian Books in Print** ,2003

Rulin Waishi and Cultural Transformation in Late Imperial

China Wei Shang, 2003 The 18th century Chinese novel Rulin waishi The Unofficial History of the Scholars Wu Jingzi s 1701 54 ironic portrait of literati life challenges the reader to come to grips with the mid Qing debates over ritual and ritualism and the construction of history narrative and lyricism
