It was also a granted notion that reader writer and even critic of all literature can only be male because this notion assumes the exclusion of female voice from the institution of literary expression shunning her as an inferior sex. The purpose of all Patriarchal conspiracy is to retain power and possessive right over womenfolk. To make women believe that there is such a thing as essence of femaleness called femininity serves the purpose of Patriarchy. This speaks of the Male chauvinistic conspiracy and prudish notion of the male dominance in the world for exploitation of womenfolk. **Emergent Public Health Issues in the US-Mexico Border Region** Cecilia Ballesteros Rosales, Scott Carter Carvajal, Jill Eileen Guernsey De Zapien, 2017-02-16 US Mexico border region area has unique social demographic and policy forces at work that shape the health of its residents as well as serves as a microcosm of migration health challenges facing an increasingly mobile and
