## **Emergency Contact:**

**Emergency Contact** Elle Brownlee, 2015-03-06 When Liam's best friend has to leave town on business he asks for a favor be an emergency contact for his cousin who is new in town Liam doesn't think twice before he accepts He's great with numbers and confidently plays the odds because nobody ever uses those emergency contacts right Wrong The very next Sunday cousin Garrett shows up at Liam's apartment fresh faced devastatingly gorgeous and nothing like Liam had dismissively assumed Garrett arrived in New York City hoping to make it in the modeling world and Liam isn't sure what to do with him While he eventually warms to welcome the distraction he's not prepared to have his steady predictable world overturned Liam is sure Garrett will soon tire of him and find someone closer in age and less eager for the quiet settled life Liam prefers But Garrett is too sweet natured and naive to recognize Liam's dismissal and he's not as shallow as Liam presumes Although Garrett sees a future for the two of them Liam manages to push him away It is only then Liam sees the Garrett shaped hole in his life

*Emergency Contact* Mary H. K. Choi, 2019-04-09 Smart and funny with characters so real and vulnerable you want to send them care packages I loved this book Rainbow Rowell From debut author Mary H K Choi comes a compulsively readable novel that shows young love in all its awkward glory perfect for fans of Eleanor Park and To All the Boys I've Loved Before For Penny Lee high school was a total nonevent Her friends were okay her grades were fine and while she'd somehow landed a boyfriend they never managed to know much about each other Now Penny is heading to college in Austin Texas to learn how to become a writer It's seventy nine miles and a zillion light years away from everything she can't wait to leave behind Sam's stuck Literally figuratively emotionally financially He works at a caf and sleeps there too on a mattress on the floor of an empty storage room upstairs He knows that this is the god awful chapter of his life that will serve as inspiration for when he's a famous movie director but right this second the seventeen bucks in his checking account and his dying laptop are really testing him When Sam and Penny cross paths it's less meet cute and more a collision of unbearable awkwardness Still they swap numbers and stay in touch via text and soon become digitally inseparable sharing their deepest anxieties and secret dreams without the humiliating weirdness of having to you know see each other

**Android For Dummies** Dan Gookin,2020-08-06 Your comprehensive and very friendly reference guide to Android phones and tablets You re used to hearing it said that the phone in your pocket or tablet by your bed has more computing

power than the entire Apollo 11 space program in the 1960s or something similarly impressive and this is no less true for Android devices than any other. Sounds great but what does that actually mean you can do with them? The new edition of *Android For Dummies* reveals all for new and experienced users alike making it easy to get the most out of the awesome computing power of Android smartphone and tablet devices from communications and pictures and videos to the wonderful world of 2.8 million Google apps. Cutting through the jargon, bestselling tech author Dan Gookin puts you in touch with all the Android features you'll need to know and many more you'll be pleased to discover from setup and configuration to the major features such as text, email, internet maps, navigation, camera and video as well as synching with your home computer. In addition to getting familiar with these and the latest Android 10 operating system (OS) in both Google Pixel and Samsung versions you'll become an expert on the best ways to share your thoughts, videos and pictures on social media, navigate with Android Auto when driving and maintain your files so they're orderly and easy to find. Explore Android devices from physical functions to software and online features. Communicate via email, social media, Google Duo video calls and more. Tweak your privacy settings to keep your information secure. Use Android Auto when driving and see in the dark with Night Light and Dark Mode. Androids may be able to land a spacecraft on the Moon yet but there's a whole universe waiting right there in the device at your fingertips and this book is the perfect place to begin to explore.
