The Sunday School Journal ,1898 **An Order Outside Time** Robert B. Clarke,2005-06-15 The line of Western Spirituality began in Egypt and continued through the time of Christ Has it become stalled in the years since Robert Clarke says yes it has In The Four Gold Keys Clarke going by his own spiritualization in the psychic depths argued that the way out

of Western civilization's essential atheism lies in the psychological teachings of Swiss psychologist Carl Jung. In *An Order Outside Time*, Clarke reinterprets Western Spirituality using Jungian symbolism to show that the great stories of ancient Egypt and of the Old and New Testament are processes of what Jung called individuation. This is the individual's journey from lowest to highest Self from Osiris to Horus from Moses to Joshua from David to Solomon from John the Baptist to Jesus Christ. These pairings also reflect what Joseph Campbell calls the Hero's Journey which may ultimately spiritualize the whole culture. Clarke traces the connections between Egyptian, Jewish, and Christian mythology and concludes that the West's spiritual lineage has become stalled. We can attain wholeness only by making sense of the clues provided by our mythology. This is the royal line of Higher Self incarnations through the collective unconscious. The ultimate example of individuation, Clarke says, is the Christ who must now be further understood and developed. And taking Christ as our symbol of the Self, direct experience of the sacred by each of us can enable us to achieve our greatest spiritual potential both as individuals and as a whole culture. *An Order Outside Time* shows how that spiritual journey began and how it must be continued.

Elijah's Violin and Other Jewish Fairy Tales, 1994-10-20. Tales of magic and wonder can be found in every phase of Jewish literature from the sacred to the secular. The fairy tale in particular, set in enchanted lands and populated with a variety of human and supernatural beings, both good and evil, holds a very special place in the Jewish tradition. For in the fairy tale where good and evil engage in a timeless struggle, we have a clear reflection of the Jewish world view where faith in God can defeat the evil impulse. In *Elijah's Violin*, Howard Schwartz offers a sumptuous collection of thirty-six Jewish fairy tales from virtually every corner of the world. At once otherworldly and earthy, pious and playful, these celebrated tales from Morocco and India, Spain and Eastern Europe, Babylon and Egypt, illustrate not only their Jewish character but also their universality of themes. Invoking the biblical tale of David and Goliath, we read as King David defeats the giant by hovering above his spear. In *King David and the Giant*, the romantic tale of *The Princess in the Tower*, a variant of *Rapunzel*, we watch as the cautious King Solomon recognizes the vanity in trying to prevent Providence from taking place. And we see the religious nature of the quest for Elijah's violin in the title story. The successful completion of the king's quest enables the violin's imprisoned melodies, emblematic of the Jewish spirit, to be set free. Throughout this richly illustrated collection, one can find the quests and riddles of the traditional fairy tale along with the divine intervention that characterizes the Jewish fairy tale. Skillfully translated, these stories will captivate children and adults alike in which romance and magic become enchantingly entwined with faith, duty, and wisdom.
