## **Elites Crises And The Origins Of Regimes:**

**Elites, Crises, and the Origins of Regimes** Mattei Dogan, John Higley, 1998 Most political regimes whether authoritarian or democratic are born in abrupt brutal and momentous crises In this volume a group of prominent scholars explores how these seminal events affect elites and shape regimes Combining theoretical and case study chapters the authors draw from a wide range of historical and contemporary examples to challenge mainstream developmental explanations of political change which emphasize incremental changes and evolutions stretching over generations

Political Elites Geraint Parry, 2024-10-31 Elites have been described both as the bulwarks of democracy and its very antithesis *Political Elites* first published in 1969 reviews the literature on the role of elites in politics It deals with both the classic elite theorists Mosca Pareto Michels Burnham and C Wright Mills and with many of the empirical and theoretical works on elites by modern political scientists and sociologists It seeks to clarify the central terms of elite discourse some of which have entered the everyday political vocabulary elitism power elite establishment elite consensus iron law of oligarchy and mass It explores the ways in which the descriptions of power relationships can subtly be infiltrated by the values of the observers For this ECPR Classics edition Professor Parry has added an introduction reviewing significant new developments in elite political science

*Elites After State Socialism* John Higley, György Lengyel, 2000 This distinctive book presents valuable new research on the political and economic elites that have emerged in Central and Eastern Europe since the demise of state socialism Integrating theoretically informed analysis with fresh empirical data the contributors significantly enhance our understanding of the evolution and interplay of elites in the post communist period Leading experts explore the elite circulations differentiations and competitions that now underpin but in some countries also still inhibit democratic stability and economic growth A provocative concluding chapter assesses the century long confrontation between elite theory and Marxism and where they stand today after state socialism's collapse

Elite Configurations at the Apex of Power Mattéi Dogan, 2003 This book prepared under the auspices of the IPSA Research Committee on Political Elites focuses on the interpenetration between various types of elites The contributions to this book reveal contrasting patterns of recruitment and selection in terms of career paths visibility influence and power of different elite circles

**Regime Stability in Saudi Arabia** Stig Stenslie, 2012 This book examines the structure of political power amongst elites inside Saudi Arabia and how they might cope with the very serious challenge posed by succession Presenting a new and refreshing theoretical approach that links elite integration with regime stability the author shows that the kingdom's royal elite is far more integrated than it has generally been given credit for Based on extensive field work inside Saudi Arabia the book offers a detailed up to date survey and assessment of all the key sectors of the elites in the country The author examines how the succession process has been used in highly different circumstances including deposition assassination and death by old age and demonstrates how regime stability in Saudi Arabia rests on the royal family's ability to unite and to solve the challenge of succession He offers a

strong analysis of intra ruling family mechanisms and dynamics in this notoriously private royal family and addresses the question of whether as the number of royals rapidly grows the elite is able to remain integrated Providing a rare insight into the issues facing the royal family and ruling elite in Saudi Arabia this book will be of great interest to scholars and students of Middle Eastern politics and Saudi Arabia in particular Paths to Development in Asia Tuong Vu,2010-03-22 Why have some states in the developing world been more successful at facilitating industrialization than others Challenging theories that privilege industrial policy and colonial legacies this book focuses on state structure and the politics of state formation arguing that a cohesive state structure is as important to developmental success as effective industrial policy Based on a comparison of six Asian cases including both capitalist and socialist states with varying structural cohesion Tuong Vu proves that it is state formation politics rather than colonial legacies that have had decisive and lasting impacts on the structures of emerging states His cross national comparison of South Korea Vietnam Republican and Maoist China and Sukarno s and Suharto s Indonesia which is augmented by in depth analyses of state formation processes in Vietnam and Indonesia is an important contribution to understanding the dynamics of state formation and economic development in Asia Defect Or Defend Terence Lee,2015 Why do certain militaries brutally suppress popular demonstrations while others support the path to political liberalization by backing mass social movements Although social movements and media can help destabilize authoritarian governments not all social protest is effective or culminates in the toppling of dictatorships Frequently the military s response determines the outcome In Defect or Defend Terence Lee uses four case studies from Asia to provide insight into the military s role during the transitional phase of regime change Lee compares popular uprisings in the Philippines and Indonesia both of which successfully engaged military support to bring down authoritarian rule with protest movements in China and Burma which were violently suppressed by military forces Lee s theory of high personalism and power sharing among the armed forces leadership provides a framework for understanding the critical transitory phases of democratization He uses this theory to review and assess Eastern Europe s democratization events in 1989 the Colored Revolutions of the early 2000s and the protests and revolutions unfolding in the Middle East This book will appeal to students and scholars of comparative politics Asian studies security studies and international relations as well as defense policymakers

*Encyclopedia of Government and Politics* Mary Hawkesworth,Maurice Kogan,2013-11-07 This is a brand new edition of the critically acclaimed Encyclopedia of Government and Politics which has been fully revised and updated to provide a systematic account of politics and political studies at the beginning of the new millennium Providing a penetrating analysis of government and politics at a global regional and nation state level the Encyclopedia assesses both traditional and contemporary approaches and projects the paths of future research The articles provide a degree of critical analysis far beyond a simple descriptive outline of the subject Internationally respected contributors have been carefully selected to present contending approaches to related topics both to clarify the political implications of the various methodologies and to

enrich the portrayal of political life With its expanded revised and updated coverage Encyclopedia of Government and Politics is more than ever an indispensable tool for students teachers professional analysts and policy makers **Youth in Regime**

**Crisis** Félix Krawatzek, 2018-09-19 How do political regimes respond to the challenges emanating from youth mobilization This book seeks to understand regime resilience and breakdown by analysing the public meaning of youth as well as the physical mobilization of young people Mobilization carried by young people is a key component in understanding the stabilisation of the authoritarian regime structures in contemporary Russia but the Russian experience makes only sense if placed in its broader historical context Three comparative cases the breakdown of the authoritarian Soviet Union the breakdown of the democratic Weimar Republic and the crisis of the democratic regime in France around 1968 highlight how regimes which lacked popular support have compensated for their insufficient legitimacy by trying to mobilize youth symbolically and politically This book illustrates the symbolic significance of youth and its role in regime crisis by analysing a new data set of newspaper articles with a new method of discourse analysis The combination of qualitative interpretation and quantitative network analysis enables a deeper and more systematic understanding of discursive structures about youth Through this methodological innovation the book contributes to the way we define the categories of youth generation and crisis It makes the case that our conceptualisation should reflect the way terms are being used usages that can be captured in a systematic way with new methods of discourse analysis Oxford Studies in Democratization is a series for scholars and students of comparative politics and related disciplines Volumes concentrate on the comparative study of the democratization process that accompanied the decline and termination of the cold war The geographical focus of the series is primarily Latin America the Caribbean Southern and Eastern Europe and relevant experiences in Africa and Asia The series editor is Laurence Whitehead Senior Research Fellow Nuffield College University of Oxford **Elitenforschung in der Geschichte**

**des 19. und 20. Jahrhunderts** Lukás Fasora, Ewald Hiebl, Judit Pál, Petr Popelka, 2019 Der vorliegende Sammelband zur historischen Elitenforschung ist das Ergebnis eines internationalen Workshops der im Frühjahr 2015 in Cluj Napoca Klausenburg stattgefunden hat Im Mittelpunkt steht die Frage inwieweit philosophische und soziologische Elite Konzepte auf das Gebiet der historischen Forschung übertragen werden können und inwiefern die Quellenlage aus dem Gebiet der Sozialgeschichte vom 18 bis ins 20 Jahrhundert eine fundierte Erforschung historischer Eliten ermöglicht Neben dem praktischen Erfahrungsaustausch über die Perspektiven und Grenzen der historischen Elitenforschung am Beispiel eigener Forschungen werden auch die Bemerkungen der Geschichtswissenschaft thematisiert sich gegen andere Sozialwissenschaften im Besonderen der Soziologie zu öffnen und in einer Debatte über den Begriff der Elite in der historischen Entwicklung der Neuzeit zu engagieren Damit können theoretische Konzepte aus vielen Feldern der Sozial und Geisteswissenschaften mit empirischen Befunden aus historischen Quellen zu einer neuen interdisziplinären Symbiose verbunden werden *The Soviet Elite from Lenin to Gorbachev* Evan Mawdsley, Stephen White, 2000-03-09 This ground breaking book examines the Soviet

ruling elite over the entire period of Communist rule. It serves as a collective biography of nearly two thousand people who served on the Communist Party's Central Committee from 1917 to 1991. The book is based on archival research only available after the collapse of communism and extensive interviews with former Central Committee members.

**Elite Dualism and Leadership Selection in China** Xiaowei Zang, 2004-03-01 Who are the top political leaders in China? What are the major criteria in elite recruitment? How is job promotion in high politics determined? By studying over one and a half thousand top political Chinese leaders, this book seeks to answer these questions and as a result defines how Chinese leadership is stratified. Unlike existing research on Chinese leaders, *Elite Dualism and Leadership Selection in China* draws on extensive statistical information and data analysis. It evidences how political development in the reform era has led to the division of labour between the Chinese Communist Party (CCP) and the government in governance, leading to two distinctive career paths in the two political systems respectively. Key issues examined include the different criteria the CCP and the government demand, the requirements for promotion, the effect of university education on the rate of mobility, the different affiliations of the two groups, the role of cooptation in leadership selection. Many of the elites discussed are still leading figures in China, making this book the most up to date and extensive biographical data set in elite studies. This allows for a meaningful analysis of elite behaviour in China for the first time in Chinese Studies. This book will be useful to both students of Chinese studies and comparative politics and will also interest researchers, political commentators, statesmen and China watchers.

Elites and Identities in Post-Soviet Space David Lane, 2013-09-13 The dissolution of the communist system led to the creation of new states and the formation of new concepts of citizenship in the post-Soviet states of Central and Eastern Europe. The formation of national identity also occurred in the context of the process of increasing economic and political globalisation, particularly the widening of the European Union to include the central European post-socialist and Baltic States. Internationally, Russia sought to establish a new identity either as a European or as a Eurasian society and had to accommodate the interests of a wider Russian Diaspora in the near abroad. This book addresses how domestic elites, regional political and economic, influenced the formation of national identities and the ways in which citizenship has been defined. A second component considers the external dimensions, the ways in which foreign elites influenced either directly or indirectly the concept of identity and the interaction with internal elites. The essays consider the role of the European Union in attempting to form a European identity. Moreover, the growing internationalisation of economies, privatisation, monetary harmonisation, dependence on trade, also had effects on the kind of national identity sought by the new nation states as well as the defining by them of the other. The collection focuses on the interrelations between social identity, state and citizenship formation, and the role of elites in defining the content of concepts in different post-communist societies. This book was originally published as a special issue of *Europe Asia Studies*.

**Political Elites in East Central Europe** Nicole Gallina, 2008-10-29 This monograph is a major survey of East Central European (ECE) political elites and concentrates on

Czech Republic Slovakia Hungary and Poland It is grounded within classic elite theory slightly adapted to ECE necessities More practically the book examines political elite composition and identifies political elite fragmentation in ECE The author questions that East Central European political elites have incorporated democratic values and conduct The main argument is that there is a significant gap between the formal democratic ECE institutions and political elite behaviour This gap has different dimensions which are relevant at the domestic level and also cause problems at the EU level Ultimately the political elite institution gap questions democratic political achievements after 1989 In providing a major analysis of ECE political elite structure and conduct the book points to the most urgent challenges of ECE political systems the reform of the political elite From the content The Importance of Analysing ECE Elites Forms of Political Elite Formation and Activity Political Elite Fragmentation in ECE Elite Formation and Reproduction in East Central Europe Patterns of Political Elite Behaviour Influencing Political Elite Behaviour Institutional Change after 1989 The Relationship between Europeanisation and Euroscepticism Elite Systems in East Central Europe Case Studies Poland Czech Republic Slovakia Hungary Implications of Elite Attitudes for Europeanisation Political Elites Incapable Europeanisers *Building Democracy and Civil Society East of the Elbe* Sven Eliaeson, 2006-04-18 This book explores the idea of civil society and how it is being implemented in Eastern Europe The implosion of the Russian empire fifteen years ago and the new wave of democratization opened a new field of inquiry The wide ranging debate on the transition became focused on a conceptual battle the question of how to define civil society Because totalitarian systems shun self organization real existing civil society barely existed East of the Elbe and the emergence of civil society took unusually complex and puzzling forms which varied with national culture and reflected the deep historical past of these societies This insightful text relates the concept of civil society and developments in Eastern Europe to wider sociological theories and makes international comparisons where appropriate It discusses particular aspects of civil society and examines the difficulties of establishing civil society It concludes by assessing the problems and prospects for civil society in Eastern Europe going forward *The Anthropology of Elites* J. Abbink, T. Salverda, 2012-12-28 Offering insightful anthropological historical contributions to the understanding of elites worldwide this book helps us grasp their ways of life and role in times of contested global inequalities Case studies include the Polish gentry the white former colonial elite of Mauritius professional elites and transnational financial elites **Dismantling Democratic States** Ezra N. Suleiman, 2013-12-03 Bureaucracy is a much maligned feature of contemporary government And yet the aftermath of September 11 has opened the door to a reassessment of the role of a skilled civil service in the survival and viability of democratic society Here Ezra Suleiman offers a timely and powerful corrective to the widespread view that bureaucracy is the source of democracy's ills This is a book as much about good governance as it is about bureaucratic organizations Suleiman asks Is democratic governance hindered without an effective instrument in the hands of the legitimately elected political leadership Is a professional bureaucracy required for developing but not for maintaining a democratic state Why has

a reform movement arisen in recent years championing the gradual dismantling of bureaucracy and what are the consequences Suleiman undertakes a comparative analysis of the drive toward a civil service grounded in the New Public Management He argues that government reinvention has limited bureaucracy's capacity to adequately serve the public good All bureaucracies have been under political pressure in recent years to reduce not only their size but also their effectiveness and all have experienced growing deprofessionalism and politicization He compares the impact of this evolution in both democratic societies and societies struggling to consolidate democratic institutions Dismantling Democratic States cautions that our failure to acknowledge the role of an effective bureaucracy in building and preserving democratic political systems threatens the survival of democracy itself **Dilemmas of Transition** Aurel Braun, Zoltan D. Barany, 1999 Exploring the controversies and problems surrounding post communist transitions this innovative volume brings together a distinguished group of political scientists economists historians and sociologists Within a strong theoretical framework the book moves between general issues of transition and specific analyses Hungary a state that has weathered political and economic transition more successfully than most is used as the volume's case study for illuminating both comparative and regional issues By bridging the divide between area studies and comparative politics this book will be a key resource for advanced students and for scholars in East European post communist studies comparative politics and international relations

Democratic and Capitalist Transitions in Eastern Europe M. Dobry, 2012-12-06 here of exchange and borrowing in debates between these disciplines all the more so as we shall see a little further on as the analysis of the Central and East European transformations has also contributed to introduce into political science and sociology theoretical systematizations first formulated in economics In addition to this opening up to the objects and theories of economics the pseudo dilemma of simultaneity produced by a kind of feedback another series of effects on transition and the related research domains Contrary to most expectations and predictions in the wake of the 1989 upheavals affirmations that the dilemmas problems or challenges of the transitions in Central and Eastern Europe ought to have been dealt with and resolved one after the other in sequence in the manner of the more or less idealized trajectories of Great Britain or Spain trajectories significantly enough promoted far beyond the circles of scholars as a model of transition and above all contrary to the assumption that superposing a radical economic transformation upon a transition to democracy would make the whole edifice thoroughly unworkable unstable or dangerous it must be stated clearly out that the two processes in their simultaneity are not necessarily incompatible This is one of the main findings stressed upon in several chapters of this book **Politics in Southeast Asia** William Case, 2013-09-13 This volume provides an introduction to the politics of the five key southeast Asian states Malaysia Singapore Indonesia Thailand and the Philippines and is intended as a textbook for undergraduate and graduate students taking courses on this subject Using a comparative politics and political economy perspective the author focuses in particular on the degree of democracy in the five countries arguing that in all the countries considered democracy is to varying degrees

imperfect The book synthesises a wide range of scholarship and presents the material in a concise and accessible way

### **Elites Crises And The Origins Of Regimes Introduction**

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Elites Crises And The Origins Of Regimes PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Elites Crises And The Origins Of Regimes PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free

downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Elites Crises And The Origins Of Regimes free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

### **FAQs About Elites Crises And The Origins Of Regimes Books**

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Elites Crises And The Origins Of Regimes is one of the best book in our library for free trial. We provide copy of Elites Crises And The Origins Of Regimes in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Elites Crises And The Origins Of Regimes. Where to download Elites Crises And The Origins Of Regimes online for free? Are you looking for Elites Crises And The Origins Of Regimes PDF? This is definitely going to save you time and cash in something you should think about. If you trying to find then search around for online. Without a doubt there are numerous these available and many of them have the freedom. However without doubt you receive whatever you purchase. An alternate way to get ideas is always to check another Elites Crises And The Origins Of Regimes. This method for see exactly what may be included and adopt these ideas to your book. This site will almost certainly help you save time and effort, money and stress. If you are looking for free books then you really should consider finding to assist you try this. Several of Elites Crises And The Origins Of Regimes are for sale to free while some are payable. If you arent sure if the books you would like to download works with for usage

along with your computer, it is possible to download free trials. The free guides make it easy for someone to free access online library for download books to your device. You can get free download on free trial for lots of books categories. Our library is the biggest of these that have literally hundreds of thousands of different products categories represented. You will also see that there are specific sites catered to different product types or categories, brands or niches related with Elites Crises And The Origins Of Regimes. So depending on what exactly you are searching, you will be able to choose e books to suit your own need. Need to access completely for Campbell Biology Seventh Edition book? Access Ebook without any digging. And by having access to our ebook online or by storing it on your computer, you have convenient answers with Elites Crises And The Origins Of Regimes To get started finding Elites Crises And The Origins Of Regimes, you are right to find our website which has a comprehensive collection of books online. Our library is the biggest of these that have literally hundreds of thousands of different products represented. You will also see that there are specific sites catered to different categories or niches related with Elites Crises And The Origins Of Regimes So depending on what exactly you are searching, you will be able to choose ebook to suit your own need. Thank you for reading Elites Crises And The Origins Of Regimes. Maybe you have knowledge that, people have search numerous times for their favorite readings like this Elites Crises And The Origins Of Regimes, but end up in harmful downloads. Rather than reading a good book with a cup of coffee in the afternoon, instead they juggled with some harmful bugs inside their laptop. Elites Crises And The Origins Of Regimes is available in our book collection an online access to it is set as public so you can download it instantly. Our digital library spans in multiple locations, allowing you to get the most less latency time to download any of our books like this one. Merely said, Elites Crises And The Origins Of Regimes is universally compatible with any devices to read.
