Elizabeth Cady Stanton A Radical For Woman S Rights The Library Of American Biography:

Elizabeth Cady Stanton, a Radical for Woman's Rights Lois W. Banner, 1980 A biography of a nineteenth century pioneer feminist who was a leader in the women s rights movement The Antipolygamy Controversy in U.S. Women's Movements, 1880-1925 Joan Smyth Iversen, 2014-01-21 This first study of the antipolygamy movement in the United States traces its growth from a Utah based women s group into a national crusade where it sparked a debate in suffrage politics The author analyzes this debate highlighting the differing views of marriage family and the role of women held by suffrage leaders Mormon women and antipolygamy reformers Antipolygamy rhetoric masked a more significant debate within women s groups about the structure and meaning of the American family Coming in the post Civil War period the antipolygamy agenda reflects an attempt to re construct the Republican family diminish patriarchal authority and improve the status of women The reaction of the antipolygamy women was also more than a struggle for power Their adherence to the Republican family was a discourse involving not just rhetoric but a whole range of cultural forms and institutions which provided women with status moral authority and an identity Often the fear of polygamy was mingled with anxiety over the increase in divorce and the emergence of the new woman Ironically by the end of the long congressional battle over Utah and the Mormons both the rhetoric of polygamy and antipolygamy were used against the women s movement **History of New Testament**

Research, Vol. 2 William Baird, 2002-11-01 Stressing the historical and theological significance of pivotal figures and movements William Baird guides the reader through intriguing developments and critical interpretation of the New Testament from its beginnings in Deism through the watershed of the Tübingen school Familiar figures appear in a new light and important previously forgotten stages of the journey emerge Baird gives attention to the biographical and cultural setting of persons and approaches affording both beginning student and seasoned scholar an authoritative account that is useful for orientation as well as research Elizabeth Cady Stanton Lori D. Ginzberg, 2010-08-31 Elizabeth Cady Stanton was a brilliant activist intellectual That nearly all of her ideas that women are entitled to seek an education to own property to get a divorce and to vote are now commonplace is in large part because she worked tirelessly to extend the nation s promise of radical individualism to women In this subtly crafted biography the historian Lori D Ginzberg narrates the life of a woman of great charm enormous appetite and extraordinary intellectual gifts who turned the limitations placed on women like herself into a universal philosophy of equal rights Few could match Stanton s self confidence loving an argument she rarely wavered in her assumption that she had won But she was no secular saint and her positions were not always on the side of the broadest possible conception of justice and social change Elitism runs through Stanton s life and thought defined most often by class frequently by race and always by intellect Even her closest friends found her absolutism both thrilling and exasperating for Stanton could be an excellent ally and a bothersome menace sometimes simultaneously At once critical and admiring Ginzberg captures Stanton s ambiguous place in the world of reformers and intellectuals describes how she

changed the world and suggests that Stanton left a mixed legacy that continues to haunt American feminism A *Respectable Woman* Jane E. Dabel, 2008-05-10 In the nineteenth century New York City underwent a tremendous demographic transformation driven by European immigration the growth of a native born population and the expansion of one of the largest African American communities in the North New York's free blacks were extremely politically active lobbying for equal rights at home and an end to Southern slavery As their activism increased so did discrimination against them most brutally illustrated by bloody attacks during the 1863 New York City Draft Riots The struggle for civil rights did not extend to equal gender roles and black male leaders encouraged women to remain in the domestic sphere serving as caretakers moral educators and nurses to their families and community Yet as Jane E Dabel demonstrates separate spheres were not a reality for New York City's black people who faced dire poverty a lopsided sex ratio racialized violence and a high mortality rate all of which conspired to prevent men from gaining respectable employment and political clout Consequently many black women came out of the home and into the streets to work build networks with other women and fight against racial injustice A *Respectable Woman* reveals the varied and powerful lives led by black women who despite the exhortations of male reformers occupied public roles as gender and race reformers

Research Guide to American Historical Biography Robert Muccigrosso, 1988 Description and evaluation of the most important secondary and primary sources for 452 American historical figures in all five volumes T p verso v 5 [The Elizabeth Cady Stanton-Susan B. Anthony Reader, 3d ed.](#) Elizabeth Cady Stanton, Susan B. Anthony, 2022-09-28 In its third edition this accessible and engaging collection of the writings of Elizabeth Cady Stanton and Susan B Anthony provides a critical overview of the lives ideas and activism of two founders of the American feminist tradition Introductory material has been extensively revised to reflect recent scholarship and provides historical context to selected letters speeches articles reminiscences arguments before courts state legislatures and Congress Of particular interest is new material concerning Cady Stanton's relationship with Frederick Douglass and Anthony's with Ida B Wells [The Women's Rights Movement, Revised Edition](#) Shane Mountjoy, 2019-07-01 The women's rights movement grew out of the women's suffrage movement of the mid 1800s and also addressed other women's legal rights issues The second wave of the movement which promoted economic political and social equality gained momentum in the 1960s and 70s when such groups as the National Organization for Women fought for equal pay and laws banning employment discrimination Today the movement is in its third wave fighting against sexual harassment and assault as well as for greater representation in the media in nontraditional professions and in politics Clearly written highly visual and bolstered by a chronology bibliography and suggestions for further reading *The Women's Rights Movement Revised Edition* is an illuminating introduction to one of the most prominent reform movements of the last 60 years *The Psychohistory Review*, 1983 [Americans in Dissent](#) Steven L. Piott, 2014-10-15 *Americans in Dissent* is designed as a collection of biographical essays written for general readers and undergraduates that focuses on the topic of American dissent during the

period from 1830 to 1890 Centered on influential nineteenth century social critics this volume shifts the focus of American reform away from romantic attempts at reforming the individual to more pragmatic efforts aimed at confronting social economic and political problems Coexisting with what seemed to be a preponderance of romantic idealism during much of the period was an undercurrent of genuine realism Instead of looking through the prism of a pre modern society many of these dissenters focused on how society was becoming increasingly acquisitive and entrepreneurial They were among the first to question laissez faire individualism and unrestrained industrial capitalism and anticipated the critiques of later Progressive Era reformers Representing a wide range of interests each of the selections features a fascinating and provocative man or woman who offered a fundamental critique of American society and made a significant contribution to the development of the reform ethos that characterized the period

New Women of the New South Marjorie Spruill

Wheeler,1993-07-01 There is currently a great deal of interest in the Southern suffrage movement but until now historians have had no comprehensive history of the woman suffrage movement in the South the region where suffragists had the hardest fight and the least success This important new book focuses on eleven of the movement s most prominent leaders at the regional and national levels exploring the range of opinions within this group with particular emphasis on race and states rights Wheeler insists that the suffragists were motivated primarily by the desire to secure public affirmation of female equality and to protect the interests of women children and the poor in the tradition of noblesse oblige in a New South they perceived as misgoverned by crass and materialistic men A vigorous suffrage movement began in the South in the 1890s however because suffragists believed offering woman suffrage as a way of countering black voting strength gave them an expediency argument that would succeed even make the South lead the nation in the adoption of woman suffrage When this strategy failed the movement flagged until the Progressive Movement provided a new rationale for female enfranchisement Wheeler also emphasizes the relationship between the Northern and Southern leaders which was one of mutual influence This pioneering study of the Southern suffrage movement will be essential to students of the history of woman suffrage American women the South the Progressive Era and American reform movements

Encyclopedia of Women's History in America Kathryn Cullen-DuPont,2014-05-14 A collection of biographical information about outstanding women in American history

Right Here I See My Own Books Sarah Wadsworth,Wayne A. Wiegand,2012 Explores the creation and significance of an exhibit hall at the 1893 world s fair that contained more than 8 000 volumes of writings by women

Feminists Who Changed America, 1963-1975 Barbara J. Love,2006-09-22 Documents the key feminists who ignited the second wave women s movement This work tells the stories of more than two thousand individual women and a few notable men who together reignited the women s movement and made permanent changes to entrenched customs and laws

American Countercultures: An Encyclopedia of Nonconformists, Alternative Lifestyles, and Radical Ideas in U.S. History

Gina Misiroglu,2015-03-26 Counterculture while commonly used to describe youth oriented movements during the 1960s

refers to any attempt to challenge or change conventional values and practices or the dominant lifestyles of the day This fascinating three volume set explores these movements in America from colonial times to the present in colorful detail American Countercultures is the first reference work to examine the impact of countercultural movements on American social history It highlights the writings recordings and visual works produced by these movements to educate inspire and incite action in all eras of the nation s history A Z entries provide a wealth of information on personalities places events concepts beliefs groups and practices The set includes numerous illustrations a topic finder primary source documents a bibliography and a filmography and an index **This Far By Faith** Judith Weisenfeld,Richard Newman,2014-04-23 This Far By Faith brings together a collection of essays on the religious identities and experiences of African American women Spanning from the period of slavery to the present the essays profile American figures such as Sojourner Truth Harriet Tubman and Willie Mae Ford Smith exploring the role that religious institutions and impulses played in their lives **The Women's Rights Movement** Shane Mountjoy,Tim McNeese,2007 The women s rights movement grew out of the women s suffrage movement of the mid 1800s The second wave of the movement which promoted economic political and social equality gained momentum in the 1960s and 70s This work gives an introduction to one of the most prominent reform movements over the years **Focus On: 100 Most Popular American Autobiographers** Wikipedia contributors, **Well-Behaved Women Seldom Make History** Laurel Thatcher Ulrich,2008-09-23 From admired historian and coiner of one of feminism s most popular slogans Laurel Thatcher Ulrich comes an exploration of what it means for women to make history In 1976 in an obscure scholarly article Ulrich wrote Well behaved women seldom make history Today these words appear on t shirts mugs bumper stickers greeting cards and all sorts of Web sites and blogs Ulrich explains how that happened and what it means by looking back at women of the past who challenged the way history was written She ranges from the fifteenth century writer Christine de Pizan who wrote The Book of the City of Ladies to the twentieth century s Virginia Woolf author of A Room of One s Own Ulrich updates their attempts to reimagine female possibilities and looks at the women who didn t try to make history but did And she concludes by showing how the 1970s activists who created second wave feminism also created a renaissance in the study of history **Rethinking American Women's Activism** Annelise Orleck,2014-10-17 In this enthralling narrative Annelise Orleck chronicles the history of the American women s movement from the nineteenth century to the present Starting with an incisive introduction that calls for a reconceptualization of American feminist history to encompass multiple streams of women s activism she weaves the personal with the political vividly evoking the events and people who participated in our era s most far reaching social revolutions In short thematic chapters Orleck enables readers to understand the impact of women s activism and highlights how feminism has flourished through much of the past century within social movements that have too often been treated as completely separate Showing that women s activism has taken many forms has intersected with issues of class and race and has continued during periods

of backlash Rethinking American Women s Activism is a perfect introduction to the subject for anyone interested in women s history and social movements
