

Elizabeth Cary

Louise Pecquet du Bellet

Elizabeth Cary:

The Literary Career and Legacy of Elizabeth Cary, 1613-1680 H. Wolfe, 2006-12-25 This is the first book to study the work and influence of Elizabeth Cary author of the first original play by a woman to be printed in English *The Tragedy of Mariam* 1613 Previous criticism focused concentrated on this and *The History of Edward II* this volume incorporates critical and historical analyses of other genres too **Elizabeth Cary, Lady Falkland** Lady Elizabeth Cary, Heather Wolfe, 2001 Elizabeth Cary Ginger Roberts Brackett, 1996 excellent job A useful biography of a little known female writer who lived in fascinating times Booklist **Works by and Attributed to Elizabeth Cary** Lady Elizabeth Cary, 1996

Some Prominent Virginia Families Louise Pecquet du Bellet, 1907 **Genealogies of Virginia Families**, 1981 From Tyler's quarterly historical and genealogical magazine **Elizabeth Cary, Lady Falkland** Lady Elizabeth Cary, 2004

Maxwell History and Genealogy Florence Amelia Wilson Houston, Laura Anna Cowan Blaine, Ella Dunn Mellette, 1916

Women during the English Reformations K. Kramer, Julie Chappell, 2014-11-19 Catholic or Protestant recusant or godly rebel early modern women reinvented their spiritual and gendered spaces during the reformations in religion in England during the sixteenth century and beyond These essays explore the ways in which some Englishwomen struggled to erase rewrite or reimagine their religious and gender identities **A Biographical Encyclopedia of Early Modern**

Englishwomen Carole Levin, Anna Riehl Bertolet, Jo Eldridge Carney, 2016-11-03 From the exemplary to the notorious to the obscure this comprehensive and innovative encyclopedia showcases the worthy women of early modern England Poets princesses or pirates the women of power and agency found in these pages are indeed worth knowing and this volume will introduce many female figures to even the most established scholars in early modern studies Rather than using the conventional alphabetical format of the standard biographical encyclopedia this volume is divided into categories of women Since many women will fit in more than one category each woman is placed in the category that best exemplifies her life and is cross referenced in other appropriate sections This structure makes the book an interesting read for seasoned scholars of early modern women while students need not already be familiar with these subjects in order to benefit from the text Another unusual feature of this reference work is that each entry begins with some incident from the woman's life that is particularly exciting or significant Some entries are very brief while others are extensive Each includes a source listing The book is well illustrated and liberally sprinkled with quotations of the time either by or about the women in the text *A History of Early Modern Women's Writing* Patricia Phillippy, 2018-01-18 *A History of Early Modern Women's Writing* is essential reading for students and scholars working in the field of early modern British literature and history This collaborative book of twenty two chapters offers an expansive multifaceted narrative of British women's literary and textual production in the period stretching from the English Reformation to the Restoration Chapters work together to trace the contours of a diverse body of early modern women's writing aligning women's texts with the major literary political and cultural currents with which they

engage Contributors examine and take account of developments in critical theory feminism and gender studies that have influenced the reception reading and interpretation of early modern women s writing This book explicates and interrogates significant methodological and critical developments in the past four decades guiding and testing scholarship in this period of intense activity in the recovery dissemination and interpretation of women s writing *Early Modern Women Poets (1520-1700)* Jane Stevenson, Peter Davidson, 2001 This is a complete reexamination of early modern women s verse based on primary research in many archives and libraries Forty per cent of the material included has never been printed before but the book also includes lavish selections from the early modern women poets currently studied such as Aphra Behn It offers a very thorough and very complete conspectus of women s verse production at all social levels from 1520 to 1700 **Women and Geography on the Early Modern English Stage** Katja Pilhuj, 2025-10-01 In a late 1590s atlas proof from cartographer John Speed Queen Elizabeth appears crowned and brandishing a ruler as the map s scale of miles Not just a map key the queen s depiction here presents her as a powerful arbiter of measurement in her kingdom For Speed the queen was a formidable female presence authoritative ready to measure any place or person The atlas finished during James reign later omitted her picture But this disappearance did not mean Elizabeth vanished entirely her image and her connection to geography appear in multiple plays and maps Elizabeth becomes like the ruler she holds an instrument applied and adapted Women and Geography on the Early Modern English Stage explores the ways in which mapmakers playwrights and audiences in early modern England could following their queen s example use the ideas of geography or world writing to reshape the symbolic import of the female body and territory to create new identities The book demonstrates how early modern mapmakers and dramatists men and women conceived of and constructed identities within a discourse of fluid ideas about space and gender *Shakespeare's Sisters* Ramie Targoff, 2024-03-12 A BOSTON GLOBE BEST BOOK OF THE YEAR This remarkable work about women writers in the English Renaissance explodes our notion of the Shakespearean period by drawing us into the lives of four women who were committed to their craft long before anyone ever imagined the possibility of a room of one s own In an innovative and engaging narrative of everyday life in Shakespeare s England Ramie Targoff carries us from the sumptuous coronation of Queen Elizabeth in the mid sixteenth century into the private lives of four women writers working at a time when women were legally the property of men Some readers may have heard of Mary Sidney accomplished poet and sister of the famous Sir Philip Sidney but few will have heard of Aemilia Lanyer the first woman in the seventeenth century to publish a book of original poetry which offered a feminist take on the crucifixion or Elizabeth Cary who published the first original play by a woman about the plight of the Jewish princess Mariam Then there was Anne Clifford a lifelong diarist who fought for decades against a patriarchy that tried to rob her of her land in one of England s most infamous inheritance battles These women had husbands and children to care for and little support for their art yet against all odds they defined themselves as writers finding rooms of their own where doors had been shut for

centuries Targoff flings those doors open revealing the treasures left by these extraordinary women in the process she helps us see the Renaissance in a fresh light creating a richer understanding of history and offering a much needed female perspective on life in Shakespeare's day Writing Habits Jaime Goodrich, 2021-10-12 An in depth examination of a significant but marginalized body of literature the texts produced in English Benedictine convents on the Continent between 1600 and 1800 **Readings in Renaissance Women's Drama** S. P. Cerasano, Marion Wynne-Davies, 2002-01-31 Readings in Renaissance Women's Drama is the most complete sourcebook for the study of this growing area of inquiry It brings together for the first time a collection of the key critical commentaries and historical essays both classic and contemporary on Renaissance women's drama Specifically designed to provide a comprehensive overview for students teachers and scholars this collection combines this century's key critical essays on drama by early modern women by early critics such as Virginia Woolf and T S Eliot specially commissioned new essays by some of today's important feminist critics a preface and introduction explaining this selection and contexts of the materials a bibliography of secondary sources Playwrights covered include Joanna Lumley Elizabeth Cary Mary Sidney Mary Wroth and the Cavendish sisters **Major Women Writers of Seventeenth-century England** James Fitzmaurice, 1997 The first comprehensive anthology of seventeenth century English women writers *Stuart Women Playwrights, 1613-1713* Pilar Cuder-Domínguez, 2016-04-01 In the field of seventeenth century English drama women participated not only as spectators or readers but more and more as patronesses as playwrights and later on as actresses and even as managers This study examines English women writers tragedies and tragicomedies in the seventeenth century specifically between 1613 and 1713 which represent the publication dates of the first original tragedy Elizabeth Cary's *The Tragedy of Mariam* and the last one Anne Finch's *Aristomenes* written by a Stuart woman playwright Through this one hundred year period major changes in dramatic form and ideology are traced in women's tragedies and tragicomedies In examining the whole of the century from a gender perspective this project breaks away from conventional approaches to the subject which tend to establish an unbridgeable gap between the early Stuart period and the Restoration All in all this study represents a major overhaul of current theories of the evolution of English drama as well as offering an unprecedented reconstruction of the genealogy of seventeenth century English women playwrights **The Herald and Genealogist** John Gough Nichols, 1874 The New England Historical and Genealogical Register, 1880 Beginning in 1924 Proceedings are incorporated into the Apr no

Unveiling the Magic of Words: A Overview of "**Elizabeth Cary**"
