Ella Fitzgerald Singer

Maria Isabel Sanchez Vegara

Ella Fitzgerald Singer:

Ella Fitzgerald Stuart Nicholson, 2014-07-22 Stuart Nicholson's biography of Ella Fitzgerald is considered a classic in jazz literature. Drawing on original documents, interviews, and new information, Nicholson draws a complete picture of Fitzgerald's professional and personal life. Fitzgerald rose from being a pop singer with chart novelty hits in the late 30s to become a bandleader and then one of the greatest interpreters of American popular song. Along with Billie Holiday, she virtually defined the female voice in jazz, and countless others followed in her wake and acknowledged her enormous influence. Also includes two 8-page inserts. **Ella Fitzgerald** Bud Kliment, 1989. Traces the life of the legendary singer, tells how she became involved in music, and describes the highlights of her career. ***Ella Fitzgerald: American Jazz Singer*** Grace Hansen, 2015-12-15. Ella Fitzgerald went from a poor girl living on the streets to the one of the greatest jazz singers of her time and ours. This title will take readers through the grand life of Ella and show them that nothing can hold you back if you have a dream and determination. Complete with a timeline and wonderful historical photographs. **Becoming Ella Fitzgerald: The Jazz Singer Who Transformed American Song** Judith Tick, 2023-12-05. An NPR Books We Love Pick of the Year. A Kirkus Best Nonfiction Book of the Year. A radiant, rich, no stone unturned biography. Paula J. Giddings, author of *When and Where I Enter*. A landmark biography that reclaims Ella Fitzgerald as a major American artist and modernist innovator. Ella Fitzgerald (1917-1996) possessed one of the twentieth century's most astonishing voices. In this first major biography since Fitzgerald's death, historian Judith Tick offers a sublime portrait of this ambitious risk taker whose exceptional musical spontaneity made her a transformational artist. *Becoming Ella Fitzgerald* clears up long-enduring mysteries. Archival research and in-depth family interviews shed new light on the singer's difficult childhood in Yonkers, New York; the tragic death of her mother; and the year she spent in a girls reformatory school where she sang in its renowned choir and dreamed of being a dancer. Rarely seen profiles from the Black press offer precious glimpses of Fitzgerald's tense experiences of racial discrimination and her struggles with constricting models of Black and white femininity at midcentury. Tick's compelling narrative depicts Fitzgerald's complicated career in fresh and original detail, upending the traditional view that segregates vocal jazz from the genre's mainstream. As she navigated the shifting tides between jazz and pop, she used her originality to pioneer modernist vocal jazz. Interpreting long-lost setlists, reviews from both white and Black newspapers, and newly released footage and recordings, the book explores how Ella's transcendence as an improviser produced onstage performances every bit as significant as her historic recorded oeuvre. From the singer's first performance at the Apollo Theatre's famous Amateur Night to the Savoy Ballroom where Fitzgerald broke through with Chick Webb's big band in the 1930s, Tick evokes the jazz world in riveting detail. She describes how Ella helped shape the bebop movement in the 1940s as she joined Dizzy Gillespie and her then husband Ray Brown in the world-touring jazz at the Philharmonic, one of the first moments of high-culture acceptance for the disreputable art form. Breaking ground as a female bandleader, Fitzgerald refuted

expectations of musical Blackness deftly balancing artistic ambition and market expectations Her legendary exploration of the Great American Songbook in the 1950s fused a Black vocal aesthetic and jazz improvisation to revolutionize the popular repertoire This hybridity often confounded critics yet throughout the 1970s and 1980s Ella reached audiences around the world electrifying concert halls and sold millions of records A masterful biography *Becoming Ella Fitzgerald* describes a powerful woman who set a standard for American excellence nearly unmatched in the twentieth century **Ella Fitzgerald** Carolyn Wyman,1993-08-01 Chronicles the personal life and singing career of the well known jazz artist and discusses her impact on contemporary music *First Lady of Song* Geoffrey Mark Fidelman,1994 Ella Fitzgerald an artist who has been called a national treasure and no one has disputed the laudation has captivated an international audience for more than fifty years Her inimitable voice has been heard in intimate clubs in concerts on radio and television and on countless recordings *Ella Fitzgerald* Katherine E. Krohn,2001-01-01 A biography of the celebrated jazz singer known especially for her scat singing and songbook recordings of the works of many major American composers **Ella Fitzgerald** Megan Schoeneberger,2005 Provides an introduction to the life and biography of the African American jazz singer Ella Fitzgerald who recorded more than 200 albums and performed at Carnegie Hall 26 times *The Story of Ella Fitzgerald* Kathy Trusty,2025-06-17 Discover the life of Ella Fitzgerald a story about finding your voice for kids ages 6 to 9 Ella Fitzgerald was one of the greatest singers of all time Before she found her voice and changed the world of jazz music she was a playful girl who wanted to become a dancer Her life changed when people started noticing her beautiful singing voice and she was hired as a singer in a famous jazz band Explore how Ella went from being a young girl growing up in New York to an award winning artist who made musical history Independent reading This Ella Fitzgerald biography is broken down into short chapters and simple language so kids 6 to 9 can read and learn on their own Critical thinking Kids will learn the Who What Where When Why and How of Ella s life find definitions of new words discussion questions and more A lasting legacy Find out how Ella s impact on music and culture is still felt today How will Ella s persistence and incredible talent inspire you Discover activists artists and athletes and more from across history with the rest of The Story Of series including famous figures like Katherine Johnson Simone Biles Jackie Robinson Maya Angelou and Michelle Obama **Skit-scat Raggedy Cat** Roxane Orgill,2010 Follows the beloved American jazz singer s rise to fame describing the difficult historical and cultural factors that she overcame **Ella Fitzgerald** Bud Kliment,1988-01 Traces the life of the legendary singer tells how she became involved in music and describes the highlights of her career **Ella Fitzgerald** Maria Isabel Sanchez Vegara,2018-03-01 Meet Ella Fitzgerald one of the most influential jazz singers of all time Part of the beloved Little People BIG DREAMS series this inspiring and informative little biography follows the inspirational life of the First Lady of Song from her early singing days on the streets of Harlem to her success as a jazz legend with the message It s not where you come from but where you re going that counts Ella Fitzgerald grew up near Harlem in New York where she was surrounded by

music and dance After winning first prize in a talent competition at the Apollo Theater she went on to tour the world with her pioneering voice This moving book features stylish and quirky illustrations and extra facts at the back including a biographical timeline with historical photos and a detailed profile of the singer's life Little People BIG DREAMS is a best selling biography series for kids that explores the lives of outstanding people from designers and artists to scientists and activists All of them achieved incredible things yet each began life as a child with a dream This empowering series of books offers inspiring messages to children of all ages in a range of formats The board books are told in simple sentences perfect for reading aloud to babies and toddlers The hardcover and paperback versions present expanded stories for beginning readers With rewritten text for older children the treasuries each bring together a multitude of dreamers in a single volume You can also collect a selection of the books by theme in boxed gift sets Activity books and a journal provide even more ways to make the lives of these role models accessible to children Inspire the next generation of outstanding people who will change the world with Little People BIG DREAMS
