Ellen Glasgows American Dream

Joan F. Santas

Ellen Glasgows American Dream:

Ellen Glasgow's American Dream Joan Foster Santos, 1989 *Ellen Glasgow's American dream* Joan F. Santos, 1987

Ellen Glasgow's American Dream, 1980 *Ellen Glasgow's Development as Novelist* Marion K. Richards, 2019-05-20

No detailed description available for *Ellen Glasgow's Development as Novelist* *Ellen Glasgow and a Woman's Traditions* Pamela R. Matthews, 1994 Ellen Glasgow wrote and published nineteen novels as well as poems short stories essays reviews and an autobiography published posthumously in a career that spanned nearly fifty years Until now her writings have not been subject to feminist revaluation in the way that works of such writers as Charlotte Perkins Gilman or Willa Cather have been In *Ellen Glasgow and a Woman's Traditions* Pamela R Matthews initiates such a revaluation by taking into account not only Glasgow's gender and her perception of her role as a woman writer but the reader's gender and mis understanding of Glasgow Using current feminist psychological theory she assesses what Glasgow faced as a woman writer caught between the nineteenth and twentieth centuries examines the traditions in place at these times and analyzes the influence on Glasgow of her female friendships This shifting of critical perspective yields entirely new interpretations and closes the gap that has existed between standard criticisms of Glasgow and the effect that Glasgow has had on her readers **Ellen Glasgow** Linda W. Wagner, 2011-06-01 For many years Pulitzer Prize winner Ellen Glasgow has been regarded as a classic American regional novelist But Glasgow is far more than a Southern writer as Linda Wagner demonstrates in this fascinating reassessment of her work A Virginia lady Glasgow began to write at a time when the highest praise for a literary woman was to be mistaken for a male writer In her early fiction published at the turn of the century all attention is focused on male protagonists the strong female characters who do appear early in these novels gradually fade into the background But Ellen Glasgow grew to become a woman who born to be protected from the very life she wanted to chronicle moved beyond convention to live her life on her own terms And as her own self image changed the perspective of her novels became more feminine the female characters moved to center stage and their philosophies became central to her themes Glasgow's best novels then *Barren Ground* *Vein of Iron* and the romantic trilogy that includes *The Sheltered Life* came late in her life when she was no longer content to imitate fashionable male novelists Glasgow's increased self assurance as writer and woman led to a far greater awareness of craft Her style became more highly imaged more suggestive as though she wished to widen the range of resources available to move her readers She became a writer both popular and respected Her novels appeared as selections of the Literary Guild and the Book of the Month Club and one became a best seller At the same time she was chosen as one of the few female members of the Academy of Arts and Letters and in 1942 she was awarded the Pulitzer Prize for her novel *In This Our Life* *Seven American Women Writers of the Twentieth Century* Maureen Howard, 1977-01-01 *Seven American Women Writers of the Twentieth Century* was first published in 1977 Minnesota Archive Editions uses digital technology to make long unavailable books once again accessible and are published unaltered from the original University of Minnesota

Press editions **American Naturalistic and Realistic Novelists** Edd C. Applegate, 2001-11-30 Realistic writers seek to render accurate representations of the world and their novels contain authentic details and descriptions of their characters and settings Like Realistic authors Naturalistic ones similarly try to portray the world accurately but they tend to depict the darker side of life Realism was born in Europe in the nineteenth century and soon became popular in the United States while Naturalism became prominent at the beginning of the twentieth century Both traditions have continued in one form or another to the present day and Realistic and Naturalistic novelists include some of America's most significant authors such as Sherwood Anderson Saul Bellow Ambrose Bierce Willa Cather Theodore Dreiser Ralph Ellison and Jack London This reference includes biographical and critical entries for more than 120 American Naturalistic and Realistic novelists An introductory essay discusses the history of the Realistic and Naturalistic traditions points to the difficulty of defining them and surveys the many authors who have been associated with the two movements The entries that follow are arranged alphabetically to facilitate use Each includes basic biographical information and a narrative overview of the writer's educational background professional career and published works The writer's works are briefly discussed in relation to the Realistic and Naturalistic traditions Entries include primary and secondary bibliographies and the volume closes with a list of works for further reading *Encyclopedia of the American Novel* Abby H. P. Werlock, 2015-04-22 Praise for the print edition no other reference work on American fiction brings together such an array of authors and texts as this *Reader's Guide to Women's Studies* Eleanor Amico, 1998-03-20 The Reader's Guide to Women's Studies is a searching and analytical description of the most prominent and influential works written in the now universal field of women's studies Some 200 scholars have contributed to the project which adopts a multi-layered approach allowing for comprehensive treatment of its subject matter Entries range from very broad themes such as Health General Works to entries on specific individuals or more focused topics such as Doctors **A Certain Slant of Light: Regionalism and the Form of Southern and Midwestern Fiction**,

Three Modes of Modern Southern Fiction C. Hugh Holman, 2008 Within the general region designated as The South there are three societies only shadowily defined at their outer limits but distinct and sharp at their centers In these essays C Hugh Holman suggests ways in which race geography climate and religion have contributed to the formation of these relatively definite sub regions He also shows that continuing literary traditions and social attitudes have shaped qualified and to some extent defined the artistic methods and forms which writers in these regions used To demonstrate his thesis he has chosen Ellen Glasgow as spokesman for the Tidewater South Thomas Wolfe for the Piedmont South and William Faulkner for the Deep South A thorough scholar critic Holman approaches his subject positively presenting the impact of these sub regions on three great Southern novelists and showing the distinctively different views of the South which each novelist embodies in his work These essays will prove a useful tool to any student who wishes to understand the nature quality and meaning of the South both as a literary subject and as a personal and often tragic experience The War Within Daniel Joseph

Singal, 2014-02-01 The years after World War I saw a different sort of war in the American South as Modernism began to contest the New South Creed for the allegiance of Southern intellectuals In *The War Within* Daniel Joseph Singal examines the struggle between the characteristic culture of twentieth century America and the South's tenacious blend of Victorianism and the Cavalier myth He explores the lives and works of historians Ulrich B Phillips and Broadus Mitchell novelists Ellen Glasgow William Faulkner and Robert Penn Warren publisher William T Couch sociologists Howard Odum Rupert Vance Guy Johnson and Arthur Raper and Agrarian poets John Crowe Ransom Donald Davidson and Allen Tate The drama Singal unfolds is as much national as regional in its implications His sophisticated and original analysis of the complex relationship between these southern writers and their heritage enables him to trace the transition to Modernism with unusual clarity and to address questions of major importance in American intellectual history How did Modernism come into being Does it display a fundamental underlying pattern What are its essential values beliefs and assumptions Singal marshals archival and published sources and combines them with oral history interviews to trace this process of change on the levels of both formal thought and individual experience He uses the interwar South as the locale for a pioneering examination of the momentous change that has affected all of Western culture

The Sense of Society Gordon Milne, 1977 Combines a historical survey of the American novel of manners with concentrated attention on the major practitioners of the genre James Howells Wharton Glasgow Marquand and Auchincloss

[Delphi Complete Works of Ellen Glasgow \(Illustrated\)](#) Ellen Glasgow, 2022-11-22 The winner of the Pulitzer Prize in 1942 Ellen Glasgow published 19 novels to critical acclaim establishing a new form of Southern fiction Offering realistic depictions of life in her native Virginia her narratives avoided the nostalgia sentimentality and idealistic escapism that characterised Southern literature after Reconstruction With an assured and increasingly ironic treatment Glasgow's novels examined the decay of the Southern aristocracy and the trauma of the encroachment of modern industrial civilization with compelling results For the first time in publishing history this eBook presents Glasgow's complete works with numerous illustrations rare texts informative introductions and bonus material Version 1 Beautifully illustrated with images relating to Glasgow's life and works Concise introductions to the major texts All 19 novels with individual contents tables Features rare novels appearing for the first time in digital publishing Images of how the books were first published giving your eReader a taste of the original texts Excellent formatting of the texts Rare short stories only available in this collection Glasgow's critical essays digitised here for the first time Includes Glasgow's autobiography discover her literary life Ordering of texts into chronological order and genres Please visit www.delphiclassics.com to browse through our range of exciting titles

Reviewing the South Sarah Gardner, 2017-04-24 The American South received increased attention from national commentators during the interwar era Beginning in the 1920s the proliferation of daily book columns and Sunday book supplements in newspapers reflected a growing audience of educated readers and its demand for books and book reviews This period of intensified scrutiny coincided with a boom in the publishing industry which in turn encouraged newspapers to pay greater attention to the world of books Reviewing the South shows how northern critics were as much involved in the Southern Literary Renaissance as Southern authors and critics Southern writing Gardner argues served as a litmus to gauge Southern exceptionalism For critics and their readers nothing less than the region's ability to contribute to the vibrancy and growth of the nation was at stake

Southern Literary Culture Marion C. Michael, 1979 Books for College Libraries: Language and literature, 1975

Hijas del viejo sur Constante González Groba, 2017-07-25 El estudio de la mujer es fundamental para entender los mitos y las realidades de la cultura del Sur de los Estados Unidos Este volumen estudia cómo la producción literaria de autoras sureñas blancas y negras se vio condicionada por el sistema esclavista y por la segregación racial y cómo estas escritoras se sintieron afectadas de diversas maneras por los roles y las imágenes sexuales y raciales que las definieron Las obras de todas estas autoras destacan la participación de la mujer sureña tanto en el mantenimiento como en la destrucción de los mitos de un Sur que el viento no parece haberse llevado todavía

Modern American Women Writers Elaine Showalter, Lea Baechler, A. Walton Litz, 1993-09-27 Featuring original contributions by scholars in the field of women's studies this invaluable reference illuminates the lives and works of Maya Angelou Kate Chopin Joan Didion Anne Tyler Susan Sontag Gertrude Stein Zora Neale Hurston Flannery O'Connor Sylvia Plath Anne Sexton and others
