Ellsworth Kelly: Catalogue Raisonné of Paintings, Reliefs, and Sculpture Ellsworth Kelly, 2016-03-05 The insightful gorgeously illustrated first volume of the most important publication to date on Ellsworth Kelly's work Written by Ellsworth Kelly scholar Yve Alain Bois in direct collaboration with the artist this comprehensive multivolume publication contains exhaustive documentation of each of Kelly's paintings sculptures and reliefs The catalogue includes insightful texts and high quality images of individual works and preparatory drawings along with provenance information exhibition history and bibliographic information Encompassing Kelly's work up to his return to the United States from France in 1954 the present volume covers the artist's formative years as a student at the School of the Museum of Fine Arts in Boston and as a young artist living in Paris where he began painting the abstract forms which would later define his career Kelly's remarkable pace of production during this early period resulted in an especially diverse oeuvre which is discussed in depth throughout this publication In Bois's words This diversity is the main reason many of the works examined in this volume are discussed at such length and in such detail In almost every case the particular question the artist was addressing and the formal solution he devised for it was entirely novel to him

Ellsworth Kelly [Amsterdam, 1989]. Diane Upright, 1989

Ellsworth Kelly; Drawings, Collages, Prints Ellsworth Kelly, Diane Waldman, 1971-01-01

Ellsworth Kelly Yve-Alain Bois, Ellsworth Kelly, Harvard University. Art Museums, Art Museums Harvard University, High Museum of Art, Art Institute of Chicago, 1999

In fact a look through this book's reproductions does reveal substantial exuberance and generosity a wonderfully lively visual and intellectual inquiry in fact But it's not clear how much of that typically makes it into what Kelly would consider finished work as opposed to these drafts or rather exercises as Bois calls them where the artist may be all too rigorously pursue the grail of his own effacement 17 Perhaps I'm asking for more than a 24 page essay can accomplish But even if Bois's findings someday make their way into a book length examination of Kelly's work this volume will remain essential for libraries on contemporary art thanks to its 185 color reproductions but it's not quite the one to cure a Kelly ambivalence like mine

Ellsworth Kelly Diane Waldman, 1998-12 Published to coincide with a major exhibition to tour both the US and Europe this volume offers a survey of Kelly's paintings sculptures works on paper and photographs The catalogue spans five decades beginning in the late 1940s *Ellsworth Kelly* Ellsworth Kelly, Mary Drach McInnes, 1998 Boston University Art Gallery September 11 October 25 1998
