**Peepeyes** Dwain S. Tucker, 2011-03-26 This book chronicles the journey of discovery by a man who went on a quest to solve a mystery Did his grandmother die the way he was told she had or was she murdered The rumor had plagued his family for almost four decades Could the unthinkable be true that his own grandfather might have been involved with the mysterious death of his grandmother Along the way in his multiyear odyssey the author discovers his family roots his family tree and the disturbing secrets long buried by his family He vividly portrays the life and culture of Paducah Kentucky East St Louis Illinois and Okeechobee Florida in the 1910s through the 1970s He displays a culture and dialect of a strong breed of people that lived in rural western Kentucky in the early 1900s He discovers extreme violence knife fights gunfights bigamy racism thievery bootlegging and long lost siblings He discovers secrets within military and government files unknown mental illnesses wife beatings and murders He discovers his grandfather s World War II emprise and the surprises it revealed He uncovers the secrets of Freemasonry and how it may have been involved in his grandmother s death He uncovers many lies from many people and lawlessness by some in his family The story includes attempts at a belated exhumation and autopsy to finally solve the mystery once and for all He finally brings together all the evidence pieces of a bizarre mystery never before assembled by his family to solve the enigma of his grandmother s death This book details the emotional pendulum experienced by a grandson on a journey to solve a riddle and being repeatedly shocked and dumbfounded by what he found Anne Carayon Great entertaining narrative The mystery thickens as you go along The historical and sociological backgrounds have transformed a personal sad story into a page of American Middle West history It is also a description of what man can do to achieve his egotistical goals That s universal and timeless Deborah Schadt How brave it was of Dwain Tucker to put so much thought time and energy into looking for something he didn t want to find His intention to uncover evidence to disprove a family murder rumor led him to the discovery of numerous family secrets both good and bad Many in Dwain Tucker s family learned everything they knew from the school of hard knocks and he was so honest in his portrayal of the colorful characters in his family His attempt at imitating the dialect used by the people of that place and time is both humorous and accurate Dwain has my admiration appreciation and gratitude for preserving a part of the Tucker family history that if not for his perseverance would have otherwise been forever lost

**Marriage and Life After Death** Anthony Onyekwe, 2015-01-29 In Africa the emphasis on family marriage and offspring suggest that there is a kind of an unwritten ancestral law that imposes on every male the duty of begetting a son The reason is because the core of African soteriology is centered on offspring The predicament of the childless couples therefore stems from the desire for immortality and salvation that culminates in the

admission of the dead into the ancestral world This quest for salvation and immortality constitute social emotional psychological and spiritual problems for Christian as well as non Christian childless couples **Why Marriages Succeed or Fail** John Gottman,2012-04-12 Psychologist and top marriage guru John Gottman has spent twenty years studying what makes a marriage last now you can use his tested methods to evaluate strengthen and maintain your long term relationship This ground breaking book will enable you to see where your strengths and weaknesses lie what specific actions you can take to improve your marriage and how to avoid the damaging patterns that can lead to divorce It includes Practical exercises and techniques that will allow you to understand and make the most of your relationship Ways to recognise and overcome the attitudes that doom a marriage Questionnaires that will help you evaluate your relationship Case studies and anecdotes from real life throughout **My Journey to Rediscover Relationships** Johnie Hinson,2018-01-12 Johnie Hinson s journey to rediscover relationships took him to a new level in his understanding of relationship dynamics The Lord opened a door of opportunity allowing Johnie to glean precious knowledge about the greatest gift He gave to humanity The Lord s revelations provided keen insight into how He views relationships and His expectations of how Johnie should approach them The first revelation or divine insight Johnie discusses in his book reveals the significance of our connections Life is all about relationships and relationships are all about life Johnie discovered that nothing in life promotes greater satisfaction than meaningful connections with family friends and the Lord who made life possible As a result Johnie chose to make his relationships a priority Johnie s journey also provided him with a greater understanding of marriage and his role in the home He learned that marriage isn t a contract between a man and a woman but a covenant designed to connect them in a lifelong union Johnie is constantly reminded by the Lord that Your marriage isn t about you it s about what you promised in your vows Although a painful reality the author is learning that fulfilling his promise to his wife Rene is the only way to make their house a home Johnie chose to become her husband now he chooses to fulfill his responsibilities Johnie is convinced that life is a journey and if he intends to enjoy the ride vertical and horizontal connections will play a significant role As a minister serving the Lord for 47 years and traveling around the globe I can attest that everything rises and falls on relationships As a minister military officer husband and father Johnie Hinson s story can teach us a lifetime of lessons about relationships that we can all learn from I highly recommend this book to you Rev Dr Paul Ai President Vietnamese Outreach International Bishop Overseer Vietnamese Harvest Network **What Is Marriage?** Sherif Girgis,Robert George,Ryan Anderson,2012-02-28 Until just yesterday no society monogamous or polygamous had defined marriage as anything other than a male female union With clear and cogent arguments What Is Marriage explains the rational basis of this historic consensus It defeats the arguments for recognizing same sex partnerships as marriages and shows how doing so would harm the common good Originally published in the Harvard Journal of Law and Public Policy this book s core argument quickly became the year s most widely read essay of more than 300 000 scholarly articles posted on the Social Sciences Research

Network Now expanded to address a flurry of prominent responses What Is Marriage stands poised to meet its moment as few books of this generation have If the marriage debate in America is decided in the next few years it will be either with this book s help or despite its powerful arguments Rhodes Scholar Sherif Girgis Princeton University professor Robert P George and Ryan T Anderson editor of the online journal Public Discourse provide a devastating critique of the claim that equality requires redefining marriage They point out that any assessment of what marriage equality demands depends on first determining what marriage is what sort of relationships must be treated as essentially the same They defend the principle that marriage as a comprehensive union ordered to family life requires a man and a woman And they argue for the great social benefits of enshrining this principle in law Most compellingly they show that those who embrace same sex civil marriage leave themselves no firm ground none for not recognizing as marriages every relationship type describable in polite English including multiple partner polyamorous sexual unions Finally What Is Marriage decisively answer common objections that the historic view is rooted in bigotry like laws forbidding interracial marriage that it is callous to people s needs that it can t show the harm of recognizing same sex couplings or the point of recognizing infertile ones and that it treats a mere social construct as if it were natural or an unreasoned religious view as if it were rational Understanding Marriage ,
