Elvis Hornbill:

Images of Elvis Presley in American Culture, 1977-1997 George Plasketes, 1997 Was Al Gore only half kidding at the 1992 Democratic Convention when he compared Bill Clinton to the King Why does Elvis's name and image still pop up in so many movies television shows and songs From black velvet paintings comic books and postage stamps to impersonators movie characters and sports stars Images of Elvis Presley in American Culture 1977 1997 provides a surprisingly broad vista from which to view American popular culture An insightful exploration of America's overwhelming and enduring cultural fascination with the expanding and elusive Elvis myth this book combines historical textual and sociocultural analysis with a wide range of resource materials to examine the many images of Elvis in American culture Focusing on the period following his death in 1977 up to the present Elvis Presley in American Culture 1977 1997 informs and entertains popular readers and academicians in American studies popular culture radio television film sociology music and 20th century American history Elvis fans Elfans and collectors of Elvis Presley materials and memorabilia also need to add this perspective enhancing book to your personal libraries Author George Plasketes shows us how representations reflections responses and references to Elvis in art artifacts film video television music performance literature memorabilia and alleged sightings continue to make American culture a mystery terrain of endless Elvistas The repetition of these images is a link to our cultural identity Elvis Presley in American Culture 1977 1997 provides the necessary critical analysis and the resource guide to the various representations of Elvis during the past 20 years to give readers an engaging and informative way to pursue and interpret the expansive and ever evolving Elvis myth and its importance to American popular culture Elvis Hornbill, International Business Bird Steve Shepard, 1991 A Burkina Faso father pushes his adopted son a hornbill toward a musical career even though the bird's interest and talent lie in the field of finance **Elvis After Elvis** Gilbert B. Rodman, 2013-10-18 For a dead man Elvis Presley is awfully noisy His body may have failed him in 1977 but today his spirit his image and his myths do more than live on they flourish they thrive they multiply Why is Elvis Presley so ubiquitous a presence in US culture Why does he continue to enjoy a cultural prominence that would be the envy of the most heavily publicized living celebrities In Elvis after Elvis Gil Rodman traces the myriad manifestations of The King in popular and not so popular culture He asks why Elvis continues to defy our expectations of how dead stars are supposed to behave Elvis not only refuses to go away he keeps showing up in places where he seemingly doesn't belong Rodman draws upon an extensive and eclectic body of Elvis sightings from Elvis's appearances at the heart of the 1992 Presidential campaign to the debate over his worthiness as a subject for a postage stamp and from Elvis's central role in furious debates about racism and the appropriation of African American music to the world of Elvis impersonators and the importance of Graceland as a place of pilgrimage for Elvis fans and followers Rodman shows how Elvis has become inseparable from many of the defining myths of US culture enmeshed with the American dream and the very idea of the United States caught up in debates about race gender and sexuality and in

the wars over what constitutes a national culture **Infinite Elvis** Mary Hancock Hinds, 2001 Here for the first time anywhere is a precise measurement of a celebrity's impact on American culture This annotated highly readable listing details the verified book titles magazines dissertations and significant articles about Elvis Presley The entries show that Elvis was more than just a popular culture phenomenon Besides documentation of his concerts the food he ate and posthumous Elvis sightings here is the proof of Elvis's impact on every aspect of American life his invention of rock n roll his spurring of the sexual revolution his influence on the civil rights movement how his death changed the media's treatment of celebrities and how a new religion devoted to Elvis has become part of the mainstream **Chicago Tribune Index** ,1991 *Children's Book Review Service* Children's Book Review Service, 1991 **Jim Kobak's Kirkus Reviews** ,1991 **Graphic Design USA** American Institute of Graphic Arts, 1991-10 **Connecting Fathers, Children, and Reading** Sara Willoughby-Herb, Steven Herb, 2002 Examines the relationship between children and fathers and explores the link among families and libraries **American Bookseller** ,1990 **Irohin** ,1991 *The Horn Book Guide to Children's and Young Adult Books* ,1990 Literature Connection Kathy Everts Danielson, 1994-07 School Library Journal ,1991 Who's Who in American Art Marquis Who's Who, 2003-06 **Best Books for Children** John Thomas Gillespie, Corinne J.
