Elvis Was My Speech Therapist:

Elvis Was My Speech Therapist James Lee Bradley, 2003-01-22 Elvis Was My Speech Therapist was written from the perspective of an 18 year old stroke victim It is an inspiring story of how one man overcame severe paralysis and physical limitations and it is a deeply heartwarming story of love courage sadness and joy Why the title Over 43 years ago Elvis s Love Me Tender played as a mother looked upon the wasted body of her son A devastating car accident and resulting stroke had left him unable to speak or walk That son was James Lee Bradley Some say his recovery was a miracle others say it was the result of sheer faith and determination Readers will reach their own conclusion as the unfolding story reveals the enormous role Elvis s music played throughout James road to recovery **Elvis Presley: My Second Chance** Bruce Portmann, 1900 This innovative concept is fiction incorporating a bit of history and romance into a story that stretches the bounds of reality Instead of a fatal heart attack that day Elvis is felled by a stroke He survives this life altering event which becomes the catalyst for physical mental and spiritual changes But there are highs and lows along the way See how it might have unfolded as Elvis finds himself love and an expanded career **The Will To Live** Kimberly A Freeman, 2009-07-03 The Will To Live A young woman s valiant effort to regain her life after a hit and run driver almost took it from her Stutterer Interrupted Nina G., 2025-07-30 Nina G bills herself as The San Francisco Bay Area s Only Female Stuttering Comedian On stage she encounters the occasional heckler but off stage she is often confronted with people s comments toward her stuttering listeners completing her sentences inquiring Did you forget your name and giving unwanted advice like slow down and breathe are common As if she never thought about slowing down and breathing in her over thirty years of stuttering When Nina started comedy nearly ten years ago she was the only woman in the world of stand up who stuttered not a surprise since men outnumber women four to one amongst those who stutter and comedy is a male dominated profession Nina s brand of comedy reflects the experience of many people with disabilities in that the problem with disability isn t in the person with it but in a society that isn t always accessible or inclusive I Call Him Jehovah Jireh Donna S. Goodman, 2021-06-29 Living in a storybook marriage Author Donna Goodman was awakened in the wee hours of the morning to the horror of her husband paralyzed as a result of a devastating stroke when he was only 43 years old Life would never be the same Six long weeks in the hospital with no home in which to return yet God generously abundantly provided year after year in ways unimaginable In this book read in awe of how God was and is indeed Jehovah Jireh to the Goodman family Trusting God s promises to never leave her or forsake her she clung desperately to her sons church friends God s Word and hope If life seems so overwhelming that you just can t face another day find the hope and inspiration you need to trust God with your future in ways that only He can Not only can He bless you but He can also use your story to be a blessing to others He comforts us in all our affliction so that we may be able to comfort those who are in any kind of affliction through the comfort we ourselves receive from God 2 Corinthians 1:4 HCSB **Eject!
