**Elvis Presley Boulevard** Mark Winegardner, 2012-02-27 A memoir of a cross country road trip the tourist experience and the cultural touchstones that bring Americans together A great story Publishers Weekly As a boy in Ohio Mark Winegardner spent the formative summers of his wonder years touring the States with his family in a succession of recreational vehicles Much later only months before his wedding he undertakes another transcontinental odyssey this time without benefit of license plate games with his sister or parental warnings to get his feet out of the car window He arms himself with only the bare essentials a Styrofoam cooler a Hawaiian shirt enough cash for gas blue plate specials and the occasional knickknack a buddy and the buddy's ailing 68 Chevy Impala Determined to extract full value from every scenic overlook these two set out to discover America They visit Xanadu Foam House of Tomorrow in Gatlinburg Tennessee and Truth or Consequences New Mexico the only community named after a game show They play the Easter Island Hole at Magic Carpet Golf in Tucson They marvel at the fourteen peacocks strolling Graceland's lawn and at the vastness of the prairie states where no one speaks French or pays to park They collect 3 D glasses They eat Devil Dogs They take the amazing Miracle Photo They discover themselves Most amazing of all they discover an unbroken chain of Elvis tapestries Elvis ashtrays Elvis T shirt wearers and Elvis imitators that unites this land as surely as Route 66 divides it *Graceland* Karal Ann Marling, 1996 Describes what Graceland the home Elvis Presley built in Memphis tells about the late singer's life and personality *Understanding Elvis* Susan M. Doll, 2016-12-05 Although the importance of Elvis Presley's Southern heritage has long been recognized few have considered the complex connection between the performer's career and his Southern roots This study investigates how that identity affected each stage of Presley's career Elvis Presley's career can be divided into three phases each of which is signified by a specific image Each image is coded by a certain style of music mode of dress and arena of performance The evolution from one career phase to another was instigated by a specific event and represented a deliberate calculation on the part of Presley's manager to attract a wider audience The first stage spans the years 1956 through 1958 after the singer was introduced to a national audience and before he was drafted into the army His image as a notorious rock n roller created a national controversy and was spurred by negative depictions of Presley in the media many attributing his controversial performing style and appearance to his Southern background His music was a fusion of rhythm and blues and country western or two types of music indigenous to the South and foreign to the mainstream entertainment industry based in New York City The second phase of Elvis career included his stint as a movie star in which most aspects of his Southern identity were extracted from his leading man image to enhance his appeal to the mainstream And finally the last stage of his career focused on his image as a Las Vegas performer Despite the gaudy costumes Elvis reconnected to his identity as a Southerner in the 1970s by returning to country music and songwriters as a source of inspiration
