**Peace Operations in the Francophone World** Bruno Charbonneau, Tony Chafer, 2014-05-09 This book critically examines peacebuilding humanitarian intervention and peace operation practices and experiences in francophone spaces Francophone Africa as a specific space is relatively little studied in the peace and security literature despite the fact that almost half of all peacekeepers are deployed or were deployed in this part of Africa during the last decade It is an arena for intervention that deserves more serious attention if only because it provides fertile ground for exploring the key questions raised in the peacekeeping and peacebuilding literature For instance in 2002 a French operation Licorne was launched and in 2003 a UN force was deployed in Côte d'Ivoire alongside the French force there Filling a gap in the current literature Peace Operations in the Francophone World critically examines peacekeeping and peacebuilding practices in the francophone world including but not limited to conflict prevention and resolution security sector reform SSR francophone politics and North South relations The book explores whether peace and security operations in francophone spaces have exceptional characteristics when compared with those carried out in other parts of the world and assesses whether an analysis of these operations in the francophone world can make a specific and original contribution to wider international debates about peacekeeping and peacebuilding This book will be of much interest to students of peacekeeping peacebuilding peace and conflict studies African politics security studies and IR in general

*La francophonie au Vietnam, du fait colonial à la mondialisation* Thi Hoai Trang Phan, 2007\*

Depuis l origine des temps les grands peuples se construisent et se reconstruisent l aune de leurs rencontres Parfois pacifiques souvent tumultueuses ou g n reuses ces rencontres ont g n r le plus souvent dans la douleur et la domination un moisson de liens mat riels comme immat riels qui fa onnent tr s largement l humanit d aujourd hui La francophonie vietnamienne a commenc de cette mani re Elle est bien historiquement fond e sur l h ritage culturel ind niable laiss par la rencontre de deux peuples si diff rents mais aussi si proches que sont ceux de la France et du Vietnam Cette rencontre franco vietnamienne certes forc e au d but et complexe a conduit une acculturation positive de la culture vietnamienne par la culture fran aise en ce sens que la culture vietnamienne actuelle est synth se des l ments de souche de l Asie du Sud Est de ceux de la Chine mais aussi de l Occident en l occurrence de la France Cette parent culturelle avec la France justifie largement la pr sence du Vietnam au sein de la Communaut francophone institu e en 1986 lors du Premier Sommet des Chefs d Etat et de gouvernement ayant en commun l usage du fran ais Versailles 1986 est aussi l ann e de lancement de la politique de renouveau au Vietnam connue sous le nom Doi moi La participation du Vietnam la Francophonie est conforme la politique d ouverture et de diversification des relations internationales du pays Mais elle est intervenue apr s trente ans de rupture de dialogue avec la France depuis la fin du r gime fran ais en 1954 Cette rupture a fait perdre au fran ais le statut de langue d administration et d enseignement mais surtout l a marginalis aux rangs des langues

trang res peu apprises La francophonie au Vietnam interpelle donc par le manque de visibilité francophone Elle n'y existe actuellement que dans les projets éducatifs et culturels Le troisième dialogue international du Vietnam qui permet la Francophonie c'est des dialogues internationaux mondial et régional est encore timide Se pose donc la question de l'utilité de la Francophonie dans cette région du monde excentrée du cœur francophone qui se trouve en Afrique et en Europe Ce sont effectivement les défis de la mondialisation qui peuvent donner toute place à la Francophonie au Vietnam En tant qu'union géographique la nouvelle Francophonie avec ses valeurs de diversité de dialogue de solidarité et de liberté constitue un pôle dans la mondialisation actuelle où le marché prime Défendant les biens communs de l'humanité ce pôle francophone est en même temps un espace de dialogue interculturel le troisième dialogue dont le Vietnam a besoin pour préserver son identité dans la mondialisation libérale qui tend tout uniformiser Mais pour que ce pôle reste incontournable la Francophonie a besoin de plus de moyens car malgré la sympathie et l'attachement de beaucoup de Vietnamiens envers la langue culture française la francophonie vietnamienne a du mal à résister au modèle anglo-saxon qui domine dans la région Le développement de la francophonie dépendra de beaucoup de volontarisme Si la francophonie se développe au Vietnam elle le sera dans le monde
