French Letters George East, 1999-06-01

George East is by far one of the funniest story tellers and raconteurs on the planet today, and the third book in the best-selling MILL OF THE FLEA series, continuing the often farcical and always entertaining adventures of the author and his wife as they attempt to make a new life in rural France. Totally unlike any other book in the genre, FRENCH LETTERS takes the reader on another visit to a remote area of Normandy where time is of little value and reluctant tractors and their drivers are kick-started on frosty mornings with a tot of moonshine apple brandy. During another eventful year at the Mill of

the Flea the author and his wife once again encounter a host of improbable characters and situations like the vegetarian couple who set up home next to a veal farm and an elderly post mistress who grows highly illegal pot plants while enticing a colony of hornets to set up home in her attic ReviewsGeorge s tremendous love of life shows in all the couple s exploits as does Donella s affection for George and her animals shared fifty fifty one surmises There s a lot of wisdom in this book or a lot of sound sense if you prefer it I just wish he could write them a bit quicker R Roller JCBJust read French Letters what fun George East s first book Home and Dry in France was my first encounter with this hilarious author His second book Rene and Me confirmed his genius and I didn t think he could pull off a hat trick but he has French Letters is so funny from a bingo game in Nehou to the Tour de France all the familiar characters are there you must meet the Miserables what a scream I laughed all the way through Encore s il vous plait J Bean NY Whistler

French Fried: one man's move to France with too many animals and an identity thief Chris Dolley, 2010-06-24 New York Times Bestseller Animals behaving badly other people's misfortunes and the most bizarre true crime story ever French Fried is the unfortunately true account of Chris Dolley's first eight months in France and has been described as A Year in Provence with Miss Marple and Gerald Durrell Just when Chris and Shelagh think nothing more could possibly go wrong they discover that Chris's identity has been stolen and their life savings all the money

from their house sale in England that was going to finance their new life in France had disappeared A bank account had been opened in Chris s name in Spain to take the proceeds Then they re abandoned by the police forces of four countries who all insist the crime belongs in someone else s jurisdiction The French say it s an Irish crime as that s where the money was held The Irish say it s French as that s where all the correspondence came from The British say it s nothing to do with them even though forged British passports were used to open the bank account in Spain And the Spanish are on holiday and can t even think about investigating any bank account for at least four weeks So Chris has to solve the crime himself But unlike fictional detectives he has an 80 year old mother in law and an excitable puppy who insist they come along if he s going anywhere interesting like a stakeout

REVIEWS This was a fantastic read It had me laughing so much that I nearly got relegated to the sofa Once I had started reading this book I could not put it down I was even quite happy to miss my favourite TV programmes Bookmarked When I downloaded this book this morning I had every intention of putting it on my phone and reading it in dribs and drabs And now I appear to have finished the book The best thing about French Fried is it s sense of humour warm self deprecating and very British Literally laugh out loud in several places I m glad I m the only one home Librarything Chris Dolley s humour reminds me of James Herriot at times with my husband shushing me in the middle of the night I could not put this book down and enjoyed it immensely The characters especially Nan were life size
