Butcher's Apprentice Tracey Gallagher Duguid, 2021-12-01 *The Butcher's Apprentice* is an intriguing story of one man's search for his identity and his yearning for a love he thought never existed On his death bed in hospital Robert Kelly discovers a bundle of letters in a tattered blue chocolate box that his adoptive mother kept hidden for years in a wooden trunk under her bed While reading them Robert begins to unravel a series of dramatic events involving his adoptive parents the local midwife and her daughter who together aided an unmarried mother in concealing the birth of her baby boy and further weave an intricate web of deceit in his illegal adoption *The Poetry of Bloody Sunday* Kübra Özermiş, 2025-09-29 As a turning point that changed the course of the Troubles the Bloody Sunday massacre continues to define ongoing debates about the legacy of the Troubles and the impact of state violence Bloody Sunday has been at the centre of numerous cultural and literary expressions which deal with the grief and trauma of the massacre such as murals songs plays and poetry This volume is the first comprehensive study of the poetry of Bloody Sunday written by critically acclaimed Irish poets including Seamus Heaney Paul Muldoon Thomas Kinsella Seamus Deane and Medbh McGuckian By focusing on poems written between 1972 and 2015 this book examines each poet's attempt to find an apt way of articulating the anger trauma and grief over the massacre with most of the poets continuously returning to the shooting in their poetry throughout their careers The monograph outlines how in the face of adversity the poets draw on old Irish literary traditions such as Gaelic laments and Aisling poetry which offer an indigenous anti colonial and counter hegemonic response to a massacre that was experienced as a colonial aggression It also discusses the complex relationship between poetry and politics and the negotiation between
