

TONY GRAY

Fleet Street Remembered

The Street, as it was known to three generations of newspapermen, has gone.

With the move last August of Lord Rothermere's *Daily Mail* to the new Northcliffe House, above Barker's department store in Kensington, the street of fame, the street of shame, the street of ink is no more.

Before long, the money men will be making their deals in purpose-built office blocks behind the famous facade of Lord Beaverbrook's black glass palace, and the dignified frontage of the old *Daily Telegraph*.

The premises of the *News of the World* in Bevis Street have been torn down to make room for the employees of the Japanese firm of Kawasaki Gumi Ltd and the whole area around Curzon House and the old Northcliffe House, home of Associated Papers ever since Alfred Harmsworth

first started the *Daily Mail* in a rented shed there back in 1896, is to be redeveloped for the Morgan Bank of America.

Lawyers and accountants are drinking in the pubs and clubs that once resounded to the revelry of the world's top journalistic talent. Scribes and El Vinos, the Pippins, the King and Kays, the Clachan and the Cuck are now catering for a very different clientele, and only the ghost of Lunchtime O'Brien haunts Salisbury Square, where the old Press Club used to cater for the exigent requirements of the Fourth Estate, until dawn, or even later.

Meanwhile, on the Isle of Dogs and in Fenchurch Wapping, in Battersea and Kensington and Vinohradl Bridge Road, journalists now widely dispersed are peering into their VDUs isolated from one another and from the street that was the centre of their world.

For three generations of newspapermen, Fleet Street was the centre of their world

Tony Gray, himself a former *Daily Mirror* features editor, spent three months in Fleet Street around Christmas 1988 and the early part of 1989, talking, over a tape-recorder, to personalities as diverse as Lord Deedes and Jean Rook, Lord Snowden and Monty Fresno, Lord Rothermere and Ink, the cartoonist.

His anthology of memories includes contributions from Hugh

(Lord) Cudlipp, Keith Waterhouse, Michael Frayn, Deirdre MacSharry, Anne Scott-Jones, Geoffrey Smith, Chapman Pincher, Nigel Dempster, Nigel Ryan, Milton Shulman, Sam Arnold, Jeffrey Bernard, Mary Kenny, Dick West, Katherine Whitehorn, Ken Snelley, Bill Webb, Leon Pippit, Phil Wack, Brian Inglis, Marjorie Pinsope, Marjorie Wallace and Eddy Shah.

Fleet Street Remembered:

The Top Books of the Year Fleet Street Remembered The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous compelling novels captivating the hearts of readers worldwide. Lets delve into the realm of bestselling books, exploring the fascinating narratives that have enthralled audiences this year. Fleet Street Remembered : Colleen Hoover's "It Ends with Us" This poignant tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover masterfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can prevail. Fleet Street Remembered : Taylor Jenkins Reid's "The Seven Husbands of Evelyn Hugo" This spellbinding historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reid's absorbing storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens' "Where the Crawdads Sing" This mesmerizing coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens crafts a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These top-selling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of engaging stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and thrilling novel that will keep you speculating until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
