Fletcher Creamer, III** Leonard Johnsen,2004-11-29 Book Description Those of us who once ventured up to Palisades Amusement Park on a hot summer s evening and passed through its brightly painted portal knew right away we were entering a different world The uncertain feeling in the pit of our stomachs coupled with a flutter in our chests meant that life as we once knew it was about to change at least for a while anyway As we hurried along the bustling midway heads turning eyes flashing nothing seemed quite real as if everything was being viewed through a prism The cacophony of sounds the blinking lights and the suffocating smells were both offensive and seductive The Cyclone roller coaster was scary but who cared We stood in line to ride it again and again yet another chance to throw up our hands and scream at the top of our lungs And unlike Moses standing on the mount with a view of the Promised Land he would not enter for a mere pittance everyone was welcomed into Palisades Amusement Park man woman even child if accompanied by an adult Now like those thrilling days of yesteryear we are again about to enter another different world It is the world of a most remarkable man who has lived a most remarkable life J Fletcher Creamer III has graciously left an indelible mark on everything he has accomplished and on everyone he has met And while Palisades Amusement Park is now just a fond memory Fletch goes on doing what he does best being Fletch unpretentious yet

larger than life As Shakespeare might have put it age cannot wither Fletch Creamer Yet just like the wind mortal life is a moan a sigh a sob a storm a strife And like Palisades Park s mighty Cyclone Fletch s life has endured its share of ups and downs its own particular twists and turns That is perhaps what makes his story so compelling one that must be shared So as the park attendant once hollered just before pulling the lever that unleashed the Cyclone s immense power Hold on tight folks You re in for the ride of your life
