New to this edition: A new preface noting slang trends of the last five years; Over 1 000 new entries from the US, UK and Australia; New terms from the language of social networking; Many entries now revised to include new dating, new citations from written sources and new glosses.

Geocache of the Rainbow Bull Ozmioz Mak, 2006-09 The Rainbow Bull reminds me of the management scoundrels of the Colorado Fuel Iron Company. I love how Eve matures and finally confronts him. Mother Jones: Eve is a new age hero in the tradition of the old west Shane. When I started this geocache I never expected to get a college degree. Listening to faculty argue amongst themselves sure beats getting an online degree with the University of Phoenix. Eve Tillman: Eve is a new age feminist who is respectful and just gets things done. However, what was with all of H. L. Mencken's adolescent rantings? Any man who lives his entire life in his parent's house has no right spouting off like that. Susan B. Anthony: It's about time someone reinvented fascism for the 21st century. Move over Mussolini, move over Archie Bunker. The Rainbow Bull is a character we can all relate to. Tokyo Rose: When is someone going to write a story where I'm the main character? And Susan B. you know you love me. H. L. Mencken: It's refreshing to find a young lady succeed by listening to the advice of her elders, although I found the part about end of the world cults a bit disturbing. Reverend John Nelson Darby: Oh, grow up, most people are losers. All great leaders know nothing would get accomplished without a little bull sprinkled in here and there. Rainbow Bull: What's more American than rebelling against bull? Just like the Wizard of Oz was the master of humbug of the 20th century, the Rainbow Bull is the master of bull in the 21st and strangely enough both characters were outwitted by a young lady. Mark Twain.
