The Complicit Text Ivan Stacy,2020-12-10 The Complicit Text Failures of Witnessing in Postwar Fiction identifies the causes of complicity in the face of unfolding atrocities by examining the works of Albert Camus Milan Kundera Kazuo Ishiguro W G Sebald Thomas Pynchon and Margaret Atwood Ivan Stacy argues that complicity often stems from narrative failures to bear witness to wrongdoing However literary fiction he contends can at once embody and examine forms of complicity on three different levels as a theme within literary texts as a narrative form and also as it implicates readers themselves through empathetic engagement with the text Furthermore Stacy questions what forms of non complicit action are possible and explores the

potential for productive forms of compromise Stacy discusses both individual dilemmas of complicity in the shadow of World War II and collective complicity in the context of contemporary concerns such as the hegemony of neoliberalism and the climate emergency

Born to Be Posthumous Mark Dery, 2018-11-06 The definitive biography of Edward Gorey the eccentric master of macabre nonsense From *The Gashlycumb Tinies* to *The Doubtful Guest* Edward Gorey's wickedly funny and deliciously sinister little books have influenced our culture in innumerable ways from the works of Tim Burton and Neil Gaiman to Lemony Snicket Some even call him the Grandfather of Goth But who was this man who lived with over twenty thousand books and six cats who roomed with Frank O'Hara at Harvard and was known in the late 1940s no less to traipse around in full length fur coats clanking bracelets and an Edwardian beard An eccentric a gregarious recluse an enigmatic auteur of whimsically morbid masterpieces yes but who was the real Edward Gorey behind the Oscar Wildean pose He published over a hundred books and illustrated works by Samuel Beckett T S Eliot Edward Lear John Updike Charles Dickens Hilaire Belloc Muriel Spark Bram Stoker Gilbert Sullivan and others At the same time he was a deeply complicated and conflicted individual a man whose art reflected his obsessions with the disquieting and the darkly hilarious Based on newly uncovered correspondence and interviews with personalities as diverse as John Ashbery Donald Hall Lemony Snicket Neil Gaiman and Anna Sui *Born to Be Posthumous* draws back the curtain on the eccentric genius and mysterious life of Edward Gorey

Transformative Approaches to New Technologies and Student Diversity in Futures Oriented Classrooms Leonie Rowan, Chris Bigum, 2012-01-13 In this book we outline an optimistic aspirational and unashamedly ambitious agenda for schooling We make cautious use of the concept of future proofing to signal the commitment of the various authors to rethinking the purposes content and processes of schooling with a view to ensuring that all children from all backgrounds are prepared by their education to make a positive contribution to the futures that are ahead of them The book focuses on issues relating to technology and social justice to re-examine the traditional relationship between schools and technology between schools and diverse learners and between schools children and knowledge Drawing from examples from around the world the book explores practical ways that diverse schools have worked to celebrate diverse understandings of what it means to be a learner a citizen a worker in these changed and changing times and the ways different technologies can support this agenda

The World of the Japanese Mind Noriatsu Matsui, 2024-05-26 This book investigates the source from which the pressure to conform arises in Japanese society Even though the contemporary Japanese word for society Shakai has a history of 140 years it does not include the concept of respecting the individual but refers mainly to social frameworks and institutional aspects At the same time the traditional Japanese terms for society primarily Seken that have been in use for 1400 years have embraced human relationships of the members of the group The hypothesis of this book is that there is no society as such in Japanese people's minds By proposing a new model the Hand Carved Tripod Model of conformity in Japan the book shows the structure of the pressure to conform The tripod is composed of ambiguous words the sense of belonging and the air or understanding that represents the unwritten rules and regulations of Seken Conformity in Japanese people's minds takes different forms from small residential groups to corporations at work and to nationwide associations but always dictates that people follow everyone else in the organization This book examines the sense of being blocked in Japan that has prevailed over 30 years during the period of the so called Three Lost Decades in Japan Examining phenomena such as low worker engagement karoshi death by overwork high middle age male suicide rates bullying in school and at work sex discrimination hereditary membership in the Diet and failure to provide adequate protection for whistle blowers this book reveals a common structure in Japanese minds lack of

respect for individuality and the traditional and narrow sense of the world i.e. Seiken. This book will be beneficial to scholars and graduate students as well as to businesspeople who are interested in understanding the behavior and minds of Japanese people from the psychological, cultural and historical viewpoints. It provides an integrated view of Japan's Seiken as the platform that generates their conformity.
