McCarthy, 1992 Here is the book lover's literary

tour of Florida an exhaustive survey of writers books and literary sites in every part of the state The state is divided into ten areas and each one is described from a literary point of view You will learn what authors lived in or wrote about a place which books describe the place what important movies were made there even the literary trivia which the true Florida book lover will want to know You can use the book as a travel guide to a new way to see the state as an armchair guide to a better understanding of our literary heritage or as a guide to what to read next time you head to a bookstore or library Publisher

**The Horses of Proud Spirit** Melanie Sue Bowles, 2017-10-17 There are approximately seven million horses in the United States Each year over 70 000 end up going to slaughter Hundreds of thousands more are abused neglected or abandoned by callous and irresponsible owners With a heart as big as a pasture author Melanie Bowles takes some of these horses into her sanctuary called Proud Spirit Here horses that arrive listless and broken find a home where they finally know safety The bond between horse and caretaker does not happen overnight It hangs by a fine thread of trust which the author earns with endless patience and a full commitment to the well being of the horses in her care The horses some of which have suffered severe abuse astound her time and again with their ability to trust return the love they are given and enjoy the companionship of other horses You will meet an entire stableful of remarkable horses Dusty a young Thoroughbred who recovered from severe injuries to reveal a rambunctious personality and a knack for stealing hats Maddy an elderly mare and Dancer a gallant Appaloosa both of whom had been isolated for years but whose ecstatic first acquaintance at Proud Spirit was mysteriously like the reunion of two soul mates Annie a little sorrel mare who will break your heart with her weary kindness and who found peace at last under an old oak tree in a pasture at Proud Spirit Wrangler a Miniature whose premature separation from his dam turned him into a tiny tormentor His rowdy innocence helped Marshal a huge palomino Draft horse with neurological trauma become playful and engaged as he educated Wrangler in horsey manners The Horses of Proud Spirit is an homage to the spirit of these alluring creatures and a moving memoir of lessons learned in compassion
