The Flower Beneath the Foot; by Ronald Firbank Ronald Firbank, 1929 **The Flower Beneath the Foot** Ronald Firbank, 1923 *The Flower Beneath the Foot* Ronald Firbank, 1923 **The Flower Beneath the Foot** Ronald Firbank, 1929 Perhaps the New York Times Book Review of October 18 1925 comes closest to hitting the nail on the head when it describes Ronald Firbank's *The Flower Beneath the Foot* 1923 as intricate amiably grotesque buffoonery Set at the fantastical court of King Willie and Her Dreaminess the Queen of Pisuerga this is an absurd and yet poignant tale of love disillusionment and debauch on the eve of a royal wedding told in the tittering tones of high camp humour a blinding melody of chattering eccentrics and postures not always free from vulgarity Like most of Firbank's witty nonsense this svelte novel is fast moving and airy it evaporates before your eyes On first reading it you may make out only vague murmurs about a young woman's hopes for marriage being dashed What will capture your attention though is Firbank's pithy descriptions of his characters cast in pale purple prose that

absolutely sashays across the page With a slight sigh Mademoiselle Laura de Nazianzi took up the posture of a Dying Intellectual At night she prays Oh help me heaven to be decorative and to do right Ann Jules the Heir Presumptive has such strength One could niche an idol in his dear dinted chin King Willie has the air of a tired pastry cook And as for Sister Irene from the Order of the Flaming Hood Keen meagre and perhaps slightly malicious hers was a curiously pinched face like a cold violet This foppish book is heavily laced with bizarre descriptions of dress and interior decoration saccharine bits of wispy fluff as Michael Dirda reviewer for the Washington Post puts it but its dialogue pared down to bare essentials is an abrupt almost lyrical tour de force of compression silliness and double entendre In the end it is all quite frivolous and almost too swish but it makes a delicious sweet to nibble on between more earnest reads *The Flower Beneath the Foot* Ronald Firbank,1922 **Santal. The flower beneath the foot** Ronald Firbank,1929 **The Flower Beneath the Foot** Ronald Firbank,2013-10 This is a new release of the original 1924 edition *FLOWER BENEATH THE FOOT* RONALD. FIRBANK,2018 *Who's who in Gay and Lesbian History* Robert Aldrich,Garry Wotherspoon,2002 500 entries from more than 100 contributors profiling gay and lesbians throughout history ranging from Sappho to Andre Gide most entries are accompanied by a bibliography *The Works of Ronald Firbank* Ronald Firbank,1929 *Sex and Sensibility in the Novels of Alan Hollinghurst* Mark Mathuray,2017-05-26 Winner of the British Association for Contemporary Literary Studies BACLS 2017 Edited Collection Prize This book is a challenging and engaging collection of original essays on the novels of Alan Hollinghurst Britain's foremost gay writer and the English novel's master stylist The essays engage the precarious and shifting relationship between sex and literary sensibility in his novels and thus also attempt to establish the parameters of a new critical discourse for future research on Hollinghurst's novel queer theory and the contemporary literary representations of masculinity and sexuality By coupling the consideration of Hollinghurst's aesthetics his sensuously evocative style to an interrogation of the social political and sexual currents in his texts the contributors of this collection provide distinctive interpretations of Hollinghurst's novels from Hollinghurst's uncovering of a gay artistic heritage to his re-signification of earlier English literary styles from his engagement with the Symbolist fin de siècle to his critique of aestheticism etc whilst paying close attention to the formally innovative qualities of his texts *The Turn of the Century* Christian Berg, Frank Durieux, Geert Lernout,1995 Rewritten versions of contributions to an international conference held at the University of Antwerp in May 1992 Starting point for the conference was the vagueness of the very terms modernism and modernity In the first section a group of comparatists address the theoretical and terminological problems of modernism Practical readings of modernist writers discussions of different modernist movements and the work of critics who have contributed to debates about modernism make up the second section The third section looks at the problem of modernism from an interartistic and interdisciplinary perspective *The Turn of the Century/Le tournant du siècle* Christian Berg, Frank Durieux, Geert Lernout,2012-06-21 No detailed description available for *The Turn of the Century Le tournant du siècle* **Current Opinion**

Frank Crane, Edward Jewitt Wheeler, 1925 **Current Opinion ...** Edward Jewitt Wheeler, Frank Crane, 1924 **Walter Pieterse** Multatuli, 2019-12-06 In Walter Pieterse Multatuli masterfully weaves a narrative that exposes the intricacies of Dutch society in the mid 19th century. The novel is not only a semi autobiographical account of the protagonist's tumultuous life but also a poignant critique of social injustices and the bureaucratic indifference pervasive in colonial contexts. Written in a fluid yet incisive prose style, Multatuli's work employs a blend of realism and humor, engaging readers while forcing them to confront the ethical dilemmas of his time, particularly focusing on themes of personal freedom versus societal constraints. Eduard Douwes Dekker, known by his pen name Multatuli, was a passionate advocate for social reform, working as a civil servant in the Dutch East Indies before famously resigning in protest against colonial abuses. This personal experience as an observer of both cultural richness and exploitation informed his narrative, making Walter Pieterse a deeply reflective piece where he not only chastises systemic injustices but also unfolds the inner dilemmas faced by individuals caught in a web of moral conflict. Readers drawn to rich historical narratives that challenge moral perspectives will find Walter Pieterse a compelling exploration of identity and ethical struggle. Multatuli's unique voice invites contemplation, making this work an essential addition to the canon of Dutch literature and a vital read for those interested in social consciousness in narrative form.

Odette: A Fairy Tale for Weary People Ronald Firbank, 2022-05-28 *Odette: A Fairy Tale For Weary People* is a short story by Ronald Firbank. Odette is a young girl living in the city of Tours, France, and is adamant that she has the capability to see the Virgin Mary for herself.

The Ruling Passion Christopher Lane, 1995 In *The Ruling Passion*, Christopher Lane examines the relationship between masculinity, homosexual desire, and empire in British colonialist and imperialist fictions at the turn of the twentieth century. Questioning the popular assumption that Britain's empire functioned with symbolic efficiency on sublimated desire, this book presents a counterhistory of the empire's many layers of conflict and ambivalence. Through attentive readings of sexual and political allegory in the work of Kipling, Forster, James, Beer, and others, and deft use of psychoanalytic theory, *The Ruling Passion* interprets turbulent scenes of masculine identification and pleasure, power and mastery, intimacy and antagonism. By foregrounding the shattering effects of male homosexuality and interracial desire and by insisting on the centrality of unconscious fantasy and the death drive, *The Ruling Passion* examines the startling recurrence of colonial failure in narratives of symbolic doubt and ontological crisis. Lane argues compellingly that Britain can progress culturally and politically only when it has relinquished its residual fantasies of global mastery.

Angela Carter's Pasts Sarah Gamble, Anna Watz, 2025-02-20 This book provides a fresh look at Angela Carter's critical and intertextual engagements with the past. Examining a broad range of Carter's work—novels, short stories, poetry, as well as stage plays—the essays in this collection explore a stimulating selection of topics, including folk song, medieval literature, magic realism, and the occult. Frequently drawing on newly available archival material, the volume lays out the ways in which Carter wove allusions into her own narratives, creating a lively and challenging dialogue with the cultural materials of the past and

present This volume will appeal both to scholars and students of contemporary women s writing critical theory gender studies and British fiction
