**Flowers for the Judge** Margery Allingham, 2008 One morning Tom Barnabas of the publishers Barnabas Company left his house as usual then simply vanished Twenty years later his cousin Paul now head of the company meets an untimely death To solve Paul's murder Campion has to go back two decades and sort through a legacy of treachery to solve a case sure to be one of his most difficult

*Flowers for the Judge* Margery Allingham, 2021-07-19 *Flowers for the Judge* was published in 1936 and it was the seventh of Margery Allingham's novels to feature Albert Campion In past podcasts I have reviewed a couple of her earlier novels noting that they were really more action stories than detective novels *Flowers for the Judge* is different Allingham's writing is more mature and Mr Campion seems more mature abandoning a great deal of the regrettable fatuity that makes up his character in the early novels Campion is called into this case quite early after the disappearance but before the body is discovered When it is found suspicion and a great deal of circumstantial evidence points at the victim's cousin a young man who is clearly in love with the victim's widow The cousin Mike Wedgwood is arrested and the police are quite satisfied

**Flowers for the Judge (Albert Campion #7)** Margery Allingham, 2020-08 Scandal hits the prestigious publishing house of Barnabas when one of the directors is found dead in a locked cellar All eyes are on the other partners at the firm cousins of the dead man with much to gain from his demise and all rumours hint at a connection to the disappearance of another director decades earlier Desperate to salvage their reputation the cousins turn to

Albert Campion but will his investigations clear the Barnabas family name or besmirch it forever **Flowers for the Judge** Joseph Clark Baldwin,1950 **Flowers for the Judge, Death of a Ghost, and The Case of the Late Pig** Margery Allingham,2016-10-01 Three Albert Campion mysteries in one volume reveal why Margery Allingham stands out like a shining light Agatha Christie *Flowers for the Judge* Scandal hits the prestigious publishing house of Barnabas when one of the directors is found dead in a locked cellar All eyes are on the other partners at the firm cousins of the dead man with much to gain from his demise and rumors hint at a connection to the long ago disappearance of another director Desperate to salvage their reputation the cousins turn to Albert Campion but will his investigations clear the Barnabas family name or besmirch it forever One of her best vivid and witty The New York Times *Death of a Ghost* John Sebastian Lafcadio s ambition to be known as the greatest painter since Rembrandt was not to be thwarted by a matter as trifling as his own death A set of twelve sealed paintings is left in the hands of his widow together with the instruction that she unveil one canvas each year before a carefully selected audience Albert Campion is invited to join a cast of gadabouts muses and socialites to witness the eighth unveiling but instead the lights go down and a young man is stabbed to death Campion must get to work on the baffling case with its long suspiciously long line up of possible killers and soon finds himself having to face his dearest enemy Wonderfully plotted Allingham was a rare and precious talent The Washington Post *The Case of the Late Pig* Private detective Albert Campion is summoned to the village of Kepesake to investigate a particularly distasteful death The body turns out to be that of Pig Peters freshly killed five months after his own funeral Soon other corpses start to turn up just as Peters s body goes missing It takes all of Campion s coolly incisive powers of detection to unravel the crime Mixing high drama and pitch perfect black comedy *The Case of the Late Pig* is uniquely narrated by Campion himself Allingham captures her quintessential quiet detective Albert Campion to perfection Daily Express *The Casket, Or, Flowers of Literature, Wit & Sentiment* ,1828 **Flowers for Mrs. Luskin** Arthur Jay Harris,2016-03-01 A Millionaire Has An Affair His Wife Throws Him Out She Gets The Mansion The Business The Cash His Parents Business His Parents Cash She Gets Shot And Doesn t Know It The Bullet Disappears He Goes To Prison His Parents Flee The Country He Weds The Other Woman Behind Bars Has There Ever Been A Case Like This The Miami Herald Tropic Magazine *FLOWERS FOR MRS LUSKIN* begins with a flower delivery to the best house in the best part of Hollywood Florida Inside Marie Luskin was cautious her husband Paul used to send her flowers but those days had ended more than a year before when she filed for divorce She thought it was safe to open the door just enough to accept the pot of azaleas She was wrong The delivery was a ruse the man pointed a gun at her and demanded her money and jewelry When he left she fell to the floor bloodied thinking he d hit her with the gun Over 40 years Paul s family had built a business called Luskin s from one store in Baltimore into a chain of consumer electronics stores in Florida Coming of age Paul was taking it over to run He d already made his first million and he and Marie were living a life their friends admired But between them all was not well Then Paul s high school girlfriend moved to town with

her husband and sparks rekindled When Marie discovered it she threw Paul out of the house For a moment it looked like they would reunite She asked Paul to move back in at the end of the day after Thanksgiving the biggest sale day of the year But that was a ruse too That day at the store her attorneys served him the divorce Marie s attorneys were aggressive Accusing Paul s parents of shielding his assets they asked the judge for everything he and his parents had A year later it looked like Marie would get it all The divorce was overwhelming and compound stress Three times Marie had him arrested for not paying his very high support payments exactly on time the judge had frozen his assets and his dad had asked him to leave his high paying job because he couldn t concentrate both on it and the divorce Marie s attorneys wanted Paul s mom to testify for days about the business s finances but because she had a blood clot that stress could loosen and become lethal Paul s family asked them to lay off her They refused Not long after came the flower delivery The Feds indicted Paul for attempted murder for hire They told the jury A Luskin s employee called his brother in Baltimore who was a mob guy who got someone to come to Hollywood to kill Marie Although she thought the gunman hit her with the gun he really shot her his bullet grazed her head Paul was convicted and sentenced to prison for 35 years In prison Paul married his high school girlfriend To me they protested so insistently that there was no murder for hire that it seemed something was truly wrong I eventually found there had been a murder plot but the real question was who had asked the Luskin s employee to call his brother in Baltimore Testimony said Mr Luskin ordered the murder the prosecutor naturally assumed that meant Paul But there was a better case that Mr Luskin was Paul s dad As a result of his son s divorce he lost his whole business owed Marie 11 million he didn t have and was facing jail for contempt of court for not paying her and so had to leave the country At the story s turning point Mr Luskin had to choose between two untenable outcomes the death of the elder Mrs Luskin or the younger But prosecutors also were forced to make a tragic choice Without certainty of which Mr Luskin it was did they choose the wrong one
