Goodwill or thrift store Google rock n roll music even Better yet visit any public place that plays popular music from the last 50 years or so as the soundtrack to your Saturday afternoon grocery shopping clothes buying or indie record store scouting experience and you ll find that no matter where you go there s an ever enduring presence that since the late 1960s has been a mainstay in the world of pop culture and popular music a former blues band turned rock n roll atom bomb called Fleetwood Mac Though much of the band s popularity stems from their work in the late seventies and eighties from an era when gas was 50 cents a gallon and singers were their own songwriters there s a reason why the band has been able to maintain their status as rock n roll royalty even more than 50 years after making their debut as a London based blues group His name is Lindsey Buckingham *Fleetwood Mac* Donald Brackett,2007-09-30 Fleetwood Mac s distinctive sound first really captured in the 1977 record Rumours launched the group into the commercial stratosphere and over the past three decades they have never looked back All along the way their dysfunctional relationships have informed their professional success as well as their personal downfalls By writing and singing about their problems Fleetwood Mac has transformed what breaks them apart into what keeps them together They have turned their dark relationship dilemmas into glittering entertainment In this highly entertaining chronicle author Donald Brackett provides readers with a special opportunity to review the band s complicated history and reconsider the personal dynamic sources of their classic albums and enduring hits The band drummer Mick Fleetwood and bassist John McVie started in 1967 has gone through more personnel changes and stylistic innovations than any other pop group in our cultural history The story of the group began when John Mayall and Alexis Korner the band s mentors launched a mid 60s British blues revival Ex Mayall players Fleetwood and McVie then went on to form an incendiary band of psychedelic blues under the name Fleetwood Mac But it was not until hearing a little known 1973 record from Lindsey Buckingham and Stevie Nicks that Mick Fleetwood heard the future sound and true pop potential of his own group **My COVID Crucible** George R. Crisp,2022-12-22 The world was awash in the coronavirus pandemic starting in March 2020 and is continuing today This required people to make numerous adjustments learn new ways of acting gaining a new vocabulary and calling for our ongoing patience COVID 19 became the dominant news story and consumed lives and resources beyond our expectations It also shifted from a public health crisis to a political debate further dividing our country This memoir traces how this author dealt with the restrictions imposed to help us cope with the virus What quotidian activities were unaffected and what changes were made This book reveals challenges that were met and interests that were pursued Then as one of the millions of people affected by this disease the author describes becoming sick with COVID 19 and the hospitalization he subsequently experienced The struggle to breathe and the care of medical personnel marked the long days of this crucible In particular the author found himself unable to pray in the throes of this illness It was a jarring experience amid a life of faith Even the at home recovery is chronicled with the efforts required to return to an active life
