Flesh And Glory:

The Lord of the Gospel of John Paul C.J. Riley,2019-01-14 In the Gospel of John one aspect of Jesus divinity is his lordship Paul C J Riley examines Jesus lordship through the use of one Christological title kyrios a word which can be translated as Lord master owner or sir Because kyrios is often used by characters in the narrative Riley considers it from a narrative perspective As a result the first question he examines is how kyrios functions In addition due to textual variation for some occurrences of kyrios the next question addressed is where kyrios is From a firm narrative and textual foundation the final question the author asks is what kyrios means The answers to these three questions provide a comprehensive understanding of Jesus divine lordship in the Gospel of John **Find It Fast in the Bible** Thomas Nelson,2000-05-06 Noticing a frequently used Bible phrase often precedes a breakthrough in understanding Scripture s teaching on key Bible topics But computer based searches and single word concordances quickly overwhelm learners with raw unconnected data This phrase concordance compiles over 5 000 Bible expressions giving their exact Scriptural quotations complete with surrounding sentences Additionally their alphabetical listing offers the chance to explore similar and related topics without starting a new search Find It Fast in the Bible presents the exact chapter and verse locations of specific passages where the same wording expresses a Bible theme such as Day of the Lord Kingdom of Heaven and I tell you the truth This handy reference resource contains Over 5 000 best loved and most used Bible phrases The New King James Version as the primary translation Cross references to other major translations NIV NRSV KJV and NASB An alphabetical arrangement by the first word in the phrase More than 30 000 references An extensive Key Word Index These features make Find It Fast in the Bible a trusted time saving companion resource and stand alone aid for personal and group discovery **Word and Soul** Michael Willett Newheart,2001 This soul reading of the Gospel is influenced by three elements analytical archetypal psychology which reorients psychology to the study of the soul African American cultural experience which is often characterized as soul and reader response criticism which emphasizes that the reading of a text is shaped by the reader s psychological and social location After a brief methodological discussion portions of the Fourth Gospel are read soulfully **BOOK JACKET** Evangelical Theological Aesthetics Ryan Currie,2025-06-03 What is beauty Hans Urs von Balthasar famously critiqued Protestantism for lacking a theology of beauty But is this critique accurate This book develops theological aesthetics from an evangelical Protestant perspective The primary dialogue partner is Balthasar but Currie also shows the development of theological aesthetics in the history of theology Currie explores the relationship of beauty and glory and the spiritual sense and the physical senses Theological aesthetics is not esoteric but profoundly shapes the believer s perception of God through faith and generates a beautiful life *The Christology of the Fourth Gospel* Paul N.
