Beaulieu, 2020-05-11

Mala is a street thief with a knack for manipulating shadow. When the city's garrison is left empty after a terrible battle, the leader of Mala's gang decides to steal from it. Larger gangs might steer clear, fearing retribution from the Silver Spears, but Mala's crew is young and foolhardy, and the potential score is simply too big to pass up. After using her talents to steal into the garrison, Mala stumbles across Shohreh, an injured woman wearing a blood-red battle dress. Shohreh is a Kestrel, one of the elite swordswomen who serve the twelve kings of Sharakhai. Knowing Shohreh will be killed the moment the others learn of her, Mala helps her to escape through a secret door and into the city's catacombs. Near death, Shohreh is healed by the Crone, a near-mythical figure in Sharakhai and the leader of the Kestrels. After revealing a plot to kill Zeheb, the Whisper King, the Crone commands Shohreh to save him and to kill Mala for having learned the location of their underground lair. What follows is a deadly game that threatens not only the Whisper King but Mala and everyone she knows.

**Flight**, 1927 **In Search of the Swan Maiden** Barbara Fass Leavy, 1995-07-01 In her compendious study of the folktale of the runaway wife, Leavy argues that the contradictory claims of nature and culture are embodied in the legendary figure of the swan maiden, a woman torn between the human and bestial worlds. *The New York Times Book Review*: This is a study of the meaning of gender as framed by the swan maiden tale, a story found in the folklore of virtually every culture. The swan maiden is a supernatural woman forced to marry, keep house, and bear children for a mortal man who holds the key to her imprisonment. When she manages to regain this key, she escapes to the otherworld, never to return. These tales have most often been interpreted as depicting exogamous marriages, describing the girl from another tribe trapped in a world where she will always be the outsider. Barbara Fass Leavy believes that in the societies in which the tale and its variants endured, woman was the other, the outsider trapped in a society that could never be her own. Leavy shows how the tale, though rarely explicitly recognized, is frequently replayed in modern literature. Beautifully written, this book reveals the myriad ways in which the folktales of a society reflect its cultural values and particularly how folktales are allegories of gender relations. It will interest anyone involved in literary gender and cultural studies.

**Performing Flight** Scott Magelssen, 2020-07-17 *Performing Flight* sheds new light on moments in the history of US aviation and spaceflight through the lens of performance studies. From pioneering aviator Bessie Coleman to the emerging industry of space tourism, performance has consistently shaped public perception of the enterprise of flight and has guaranteed its success as a mode of entertainment, travel, research, and warfare. The book reveals fundamental connections between performance and human aviation and space travel over the past 100 years, beginning with the early aerial entertainers known as barnstormers, named after itinerant 19th-century theater troupes, to the performative history of the Enola Gay and its pilot Paul Tibbets, who dropped the bomb on Hiroshima, thus ushering in the atomic age. The book also explores the phenomenon of the pilot voice, the creation of the American Astronaut, on whose performative success the Cold War, the Space Race, and funding of the US Space Program all depended, and the performative strategies employed to cement notions of space tourism as both manifest destiny and an escape route from a

failed planet A final chapter addresses the four hijacked flights of 9 11 and their representations in discourse and in memorials Performing Flight effectively and imaginatively demonstrates the ways in which performance and flight in the United States have been inextricably linked for more than a century *Tales of Indian life and literature, by Gustave Aimard* Jules Quesnay de Beaurepaire,1876 **The pirates of the prairies,, by Gustave Aimard [tr. by sir F.C.L. Wraxall].** Olivier Gloux,1874 **The Pirates of the Prairies** Gustave Aimard,1862 Valentine and a band of caballeros pursue Red Cedar to rescue Don Miguel s daughter Dona Clara **The Pirates of the Prairies** Gustave Aimard (pseud.
