learning **Skeletons in the Closet** Ellie Ferguson, Amanda S. Green, 2016-10-24 Lexie Smithson's family had never been what most folks would call normal. They had more than their fair share of oddballs and loners and even crazy cat ladies. Most families in Mossy Creek did especially if they lived on the wrong side of the tracks. But things took a decidedly sharp turn to the left of weird the day Lexie's sister came home from school complaining about how Old Serena Duchamp had given her the evil eye. When her mother decided it would be a good thing to confront the town's resident witch, Lexie knew life would never be the same. How could it when their loved ones began returning to the old homestead the day after their funerals? Lexie knew she should be happy none of her neighbors reported mutilated cattle or corpses with missing brains. But that can be hard to do when your loved ones have passed but not passed on. *Skeletons in the Closet* is a novella set in the Eerie Side of the Tracks universe. It is the first of a series featuring Lexie, her family both living and dead, not to mention furry and their friends. *Light Magic* Ellie Ferguson, Amanda S. Green, 2018-02-27

When Meg Sheridan arrived in Mossy Creek, Texas, she had one goal in mind: to fulfill her mother's dying wish. Now less than a month after burying her mother, all Meg knows about the town is that it has always been a haven for the Others, even before they made their existence known to the world. As an Other herself, that should reassure Meg. Instead, it raises more questions than it answers. More than that, she has one very large problem: She doesn't know why her mother wanted her to come to Mossy Creek. Worse, she soon learns not everyone is willing to welcome her with open arms. Faced with the daunting task of discovering not only why her mother sent her to Mossy Creek but also with uncovering why her mother fled there years before, Meg is determined to find the truth. Along the way, she discovers something else: Even in death, her mother is looking out for her. If Meg will let her, and if she will accept the friendship and love of those who knew her mother all those years ago, but danger awaits her as well. Secrets, decades old and resentments going back generations seethe just below the surface. Do those secrets have anything to do with why Meg's mother wanted her to come to town? Will discovering them help her understand why her mother fled Mossy Creek so long ago? Or will they lead to something much more sinister and deadly? **Slay Bells Ring** Ellie Ferguson, Amanda S.

Green, 2016-01-14 Fifteen years ago, Juliana Grissom left Mossy Creek in her rear view mirror. She swore then she would never return for more than a day or two at a time. But even the best laid plans can go awry, something she knew all too well, especially when her family was involved. Now she's back, and her family expects her to find some way to clear her mother of murder charges. Complicating her life even further is Sam Caldwell, the man she never got over. Now it seems everyone in town is determined to find a way to keep her there, whether she wants to stay or not. Bodies are dropping, gossip is flying, and Juliana knows time is running out. After all, holidays can be murder in Mossy Creek. **A Magical Portent** Ellie

Ferguson, Amanda S. Green, 2020-09-29 Storm clouds gather. An unknown danger nears, one that may spell the end of Mossy Creek, TX, and all those who live there.
