Sophie,2023-08-08 What does a collection of poems amidst broken records sound like Get ready for shattered melodies ironic hits and big extremes Oh and silly sad songs on repeat This little inventory of words and meanings scars and feelings offers a candid insight into a celebration of the hurtful and painful human experiences like having a lot of emotions or momentarily being left without them Both seem like a trap So by touching those feelings scratching the scars writing down what bleeds out and then listening to it on repeat is how one can try to make sense of pain and gain relief About breakable hearts leftover memories abstract art rain nights small rooms dying friendships the nerve of the patriarchy and the beauty of feeling sad and uneasy Let the damage talk and the broken records play

Rog Gryder,2011-04-06 Over the span of fi fty fi ve years beginning at age eight I have investigated many religions I have read Islams Quran cover tocover as well as the Catholic apocrypha in which the book of Susanna touches my heart dearly I have read the Book of Mormon coverto cover and it too touched my heart I have been lured by the grace of Hindus and Buddhists to ponder their beliefs Yet I do not consider these to be a part of the preserved Word of God Only the Biblical teachings of Jesus Christ explain to me where my spirit came from It tells me what I did to fall from Gods grace why I am on this planet and why I need pardon greater than I can obtain myself Jesus Christ has provided the Way and no other book explains it as does the Holy Bible Th e Bible gives me healthy hope to carry on with gusto As of the year 2010 I have read the King James Holy Bible cover to cover more than twenty fi ve times Th is ongoing reading of the preserved Word of God is the only credential I claim and stand fi rmly upon Biblical faith is not blind but anchored securely in observable science I am a nuts and bolts up to my elbows in grease kind of gear head I want to know what makes it tick Th e Authorized Holy Bible is the repair manual for life for dummies It explains the mysteries of Gods kingdom in detail to those who read it all very

carefully I have not arrived My sojourn in this far country called earth is still in motion However we are at the threshold of major global events as never before seen by man These events are all foretold in Gods preserved written Word Hence my reading of The Holy Bible is my only credential and I have a passion for sharing what I have found May you be blessed eternally as you journey with me the corridors of life that are not limited by time and space May the Lord add His blessing to the reading of His entire Word Amen Rog

Voices Lisa Marshall,2012-10-26 One of my biggest dreams growing up was to publish a book Over the years I would write my feelings down as I didnt know how to verbally express them It would help release the pain and put things in perspective Kind of like releasing the pressure as I would internalize my feelings Writing helps me with the healing process Some of these poems were written during very difficult times in my life when I didnt know how to deal with the stress Others were written when I felt overwhelmed with joy and love They are bits and pieces of the story of my life I put together a collection of poems that I hope others will find enjoyable troubling funny and maybe a bit too far out there They have helped me and I hope they may help someone else I still have the voices running through my head but they seem to be calmer now

Death and Survival in the Book of Job Dan Mathewson,2006-06-05 The Book of Job functions as literature of survival where the main character Job deals with the trauma of suffering attempts to come to terms with a

collapsed moral and theological world and eventually re connects the broken pieces of his world into a new moral universe which explains and contains the trauma of his recent experiences and renders his life meaningful again The key is Job s death imagery In fact with its depiction of death in the prose tale and its frequent discussions of death in the poetic sections Job may be the most death oriented book in the bible In particular Job in his speeches articulates his experience of suffering as the experience of death To help understand this focus on death in Job we turn to the psychohistorian Robert Lifton who investigates the effects on the human psyche of various traumatic experiences wars natural disasters etc According to Lifton survivors of disaster often sense that their world has collapsed and they engage in a struggle to go on living Part of this struggle involves finding meaning in death and locating death s place in the continuity of life Like many such survivors Job s understanding of death is a flashpoint indicating his bewilderment or desymbolization in the early portions of his speeches and then later on his arrival at what Lifton calls resymbolization the reconfiguration of a world that can account for disaster and render death and life meaningful again
