German books in print, 2003 **Folk on the Delaware General Corporation Law** Edward P. Welch, Robert S. Saunders, Jennifer C. Voss, 2013-12-23

Because Delaware corporate law has virtually become national corporate law, its statutes and cutting edge case law regarding corporations and alternative business entities have attracted practitioners nationwide to look to Delaware as the place of formation for corporations and other business entities. The definitive section by section guide to the country's most important corporate law, the Sixth Edition of Folk on the Delaware General Corporation Law is the place to turn for accurate up to date authoritative coverage of the Delaware statute. Its uniquely logical code section organization with penetrating and extensively annotated commentary brings you the best in effective strategies and options for specific business decisions and activities under the statute. Detailed analysis of each key statutory provision and judicial decision. Coverage of all the major cases, many of them unreported and unavailable in any other source. Analysis organized by code section with incisive and extensively annotated commentary. Because it is a widely accepted authority in the field, Folk on the Delaware General Corporation Law is regularly cited by courts in states other than Delaware. Its section by section coverage makes it easy to quickly find the complete law text and analysis including astute commentary on recent legislation and the most significant cases including unreported opinions with special attention to the more complex areas of practical concern.
