Revealed! Marcus Varner, Scott Gutelius, Marshall Stone, 2011-02-07 Key West is a tropical island at the end of the Florida Keys. Quiet, quaint, and completely bizarre. The authors of *True Secrets of Key West Revealed* went to great lengths to research the hidden truths about this island paradise. In a lively question and answer format, you will learn what restaurant has a graveyard in it, what has protected Key West from hurricanes since 1918, and about the crazy count who lived and slept with his dead wife's body for seven years. Indexed for easy reference. You won't find a funnier or more accurate place for information about the odder side of Key West. *Miami and the Keys*, '98 Fodor's, 1997. Four hundred years after Kepler discovered his third law of planetary motion, disproving the Pythagorean notion of the music of the spheres, music was discovered in the Sun. With this discovery, the science of helioseismology was born. In *Music of the Sun*, renowned helioseismologist William Chaplin tells the story of this discipline's origins and gives us invaluable insight into its implications, not only for better understanding the distant sun and stars but for climate change, particle physics, and the very relationship between the Sun and the Earth. **BOOK JACKET** **Easygoing Guide to Natural Florida** Douglas Waitley, 2006. *The Florida Keys* Joy Williams, 1987. *African American Sites in Florida* Kevin M. McCarthy, 2019-07-24. African Americans have risen from the slave plantations of nineteenth-century Florida to become the heads of corporations and members of Congress in the twenty-first century. They have played an important role in making Florida the successful state it is today. This book takes you on a tour through the 67 counties of the sites that commemorate the role of African Americans in Florida's history. If we can learn more about our past, both the good and the not-so-good, we can make better decisions in the future. Behind the hundreds of sites in this book are the courageous African Americans like Brevard County's Malissa Moore, who hosted many Saturday night dinners to raise money to build a church, and Miami Dade's Gedar Walker, who built the first-rate Lyric Theater for black performers. And of course also featured are the more famous black Floridians like Zora Neale Hurston, Jackie Robinson, Mary McCleod Bethune, and Ray Charles. *International Who's Who of Authors and Writers 2004* Europa Publications, 2003. Accurate and reliable biographical information essential to anyone interested in the world of literature. *The International Who's Who of Authors and Writers* offers invaluable information on the personalities and organizations of the literary world, including many up-and-coming writers as well as established names. With over 8,000 entries, this updated edition features concise biographical information on novelists, authors, playwrights, columnists, journalists, editors, and critics. Biographical details of established writers as well as those who have recently risen to prominence. Entries detailing career, works, published literary awards and prizes, membership, and contact addresses where available. An extensive listing of major international literary awards and prizes and winners of those prizes. A directory of major literary organizations and literary agents. A listing of members of the American Academy of Arts and Letters. *Nature's Strongholds* Laura Riley, William Riley, 2005. Covers more than 600 reserves in over 80 countries, includes information on how to visit these extraordinary sites, their ecological significance, and some historical background. *American Book Publishing Record Cumulative 1998* R. R.
