## Florida Portrait Of America:

**U.S.I.S. Video Library Catalog** United States Information Agency, Florida Kathleen Thompson, 1996 Discusses the history economy culture and future of Florida *Catalog of Visual Media* Suburban Library System (Burr Ridge, Ill.). Audio Visual Service, 1995 American Book Publishing Record, 1996 *Florida's Antebellum Homes* Lewis Nicholas Wynne, John T. Parks, 2004 Florida's antebellum architecture reflects the state's singular history and the realities faced and enjoyed by her early citizens Threats from Native Americans dictated that the homes of early frontiersmen incorporate in their design defensive features and many felt the need to locate within small towns Many planters held close family and business ties with the older more established South which encouraged elaborate homes that could easily fit into the plantation architecture of South Carolina Georgia or Mississippi Influences from the state's two ruling countries Spain and England also gave way to unique design Florida's Antebellum Homes features images of buildings that incorporate various combinations of these design features In addition some of the public structures shown here reflect the emerging senses of personal affluence civic pride and political development Unfortunately some of these buildings no longer exist they fell prey to natural catastrophes unbridled expansion and the relentless march of Florida's exacting climate Many however remain in pristine condition and invite the public to appreciate them today much as earlier Floridians reveled in their stateliness Catalogue Maggs Bros, 1913 **Southeastern Indians Life Portraits** Emma Lila Fundaburk, 2006 **Ethnic Landscapes of America** John A. Cross, 2017-06-19 This volume provides a comprehensive catalog of how various ethnic groups in the United States of America have differently shaped their cultural landscape Author John Cross links an overview of the spatial distributions of many of the ethnic populations of the United States with highly detailed discussions of specific local cultural landscapes associated with various ethnic groups This book provides coverage of several ethnic groups that were omitted from previous literature including Italian Americans Chinese Americans Japanese Americans and Arab Americans plus several smaller European ethnic populations The book is organized to provide an overview of each of the substantive ethnic landscapes in the United States Between its introduction and conclusion which looks towards the future the chapters on the various ethnic landscapes are arranged roughly in chronological order such that the timing of the earliest significant surviving landscape contribution determines the order the groups will be viewed Within each chapter the contemporary and historical spatial distribution of the ethnic groups are described the historical geography of the group's settlement is reviewed and the salient aspects of material culture that characterize or distinguish the group's ethnic landscape are discussed *Ethnic Landscapes of America* is designed for use in the classroom as a textbook or as a reader in a North American regional course or a cultural geography course This volume also can function as a detailed summary reference that should be of interest to geographers historians ethnic scholars other social scientists and the educated public who wish to understand the visible elements of material culture that various ethnic populations have created on the landscape American Druggist and Pharmaceutical
