Flight From Dhahran:

Saudi Arabia, 1986 Khobar Towers Perry D. Jamieson, 2008 Tells the story of only a few of hundreds of airmen who were at the Khobar Towers that night Tuesday June 25 1996 It recounts what they were doing just prior to the bombing and what happened to them immediately after providing an idea of activities of airmen on a summer night during Operation Southern Watch Provides experiences from mechanics on the flightline at King Abdul Aziz Air Base to the security of policemen on the roof of Building 131 at the Khobar Towers **Khobar Towers: Tragedy and Response** Perry D. Jamieson, 2008 This account of the Khobar Towers bombing tells the story of the horrific attack and the magnificent response of airmen doing their duty under nearly impossible circumstances None of them view their actions as heroic yet the reader will marvel at their calm professionalism All of them say it was just their job but the reader will wonder how they could be so well trained to act almost instinctively to do the right thing at the right time None of them would see their actions as selfless yet countless numbers refused medical attention until the more seriously injured got treatment Throughout this book the themes of duty commitment and devotion to comrades resoundingly underscore the notion that America's brightest bravest and best wear her uniforms in service to the nation This book is more than heroic actions though for there is also controversy Were commanders responsible for not adequately protecting their people What should one make of the several conflicting investigations following the attack Dr Jamieson has not shied away from these difficult questions and others but has discussed them and other controversial judgments in a straightforward and dispassionate way that will bring them into focus for everyone It is clear from this book that there is a larger issue than just the response to the bombing It is the issue of the example set by America's airmen Future airmen who read this book will be stronger and will stand on the shoulders of those who suffered and those who made the ultimate sacrifice **Saudi Arabia** United States. Department of State, 1980

Patriot Son: Gary Smith, 2011-10-18 Patriot Son is a chronological map of the author's life as first a daydreaming idealist a soldier a husband and father and ultimately a retired middle school teacher As his family grows the reader is taken from one assignment to another across the globe Adventures of an army family add realism and sometimes humor to the account Included in the story are letters to and from home during the Gulf War outlining the frustrations on both the homefront and a potential war zone Much of the story is taken from diaries kept by the author beginning in 1986 The final chapter of Patriot Son is dedicated to a fellow veteran one who served in Vietnam but battled ghosts of that tragic time in American history The author offered to take his friend to Washington DC to put those terrible memories to rest His friend was not able to confront the demons of the past in that manner so the author interviewed him for several days producing a story dedicated to all Vietnam vets who have fought the same battle for so long Patriot Son serves as a dedication to veterans of all foreign wars particularly Vietnam Please join all Americans in welcoming these brave men home at last **Department of State Publication**, 1978 **Flight from Arabia** Bruce M. Barrett, 2019-10-08 Right after author Bruce M Barrett graduated from

high school at Peacock Military Academy in San Antonio he accompanied his father and mother to Jeddah Saudi Arabia where his dad was to be the military attach to the US ambassador to Saudi Arabia Flight from Arabia recounts Bruce s adventures in Saudi Arabia including accompanying his dad on some pretty hair raising then secret missions and his trip home to go to college Bruce s father assigned him to accompany a general s daughter back to the States and they wound up on an air force cargo plane traveling through Egypt Libya and Pakistan among other places Together they explored the cultures and their budding friendship along the way Bruce shares his memories of Saudi Arabia and its people from the heyday of the nation s alliance with the United States This memoir recalls the adventure of a lifetime as two college bound military brats in the mid 1960s take a military flight from the Middle East across Africa and Europe to the States Global Citizen Olga

Legoale,Mndebele,2010-09-13 He who sleeps with a full stomach while neighbours are sleeping on pangs of hunger is not one of us This book is fictional based on a true story It is about an African girl who grew up in South Africa and went through a lot of adversities in her lifetime and emerged triumphantly as a global citizen The book has several chapters with titles like One Woman Army Jordan the Land of John the Baptist Pre rainbow Reawakening Little Girl Rebels against Traditional Healer and many more It has several black and white illustrations of various photographs snapped from around the globe Ntokozo grows up against all odds to become a globetrotting tourist The illustrations in the book are real places that she visited in her insatiable quest to understand other people and their special various cultures In both picture and narration the reader is transported from South Africa to various countries in the Middle East Far East and beyond through the eye of the main character The book clearly illustrates what it means to cross the bridge of ignorance and poverty The fictional main character in the book is the authors persona An Experimental Air Shipment of Fresh Fruits and Vegetables to the Middle East William G. Library of Congress Subject Headings ,2009 **The Praetorian STARShip : the untold story of the Combat Talon** ,2001 Jerry Thigpen s study on the history of the Combat Talon is the first effort to tell the story of this wonderfully capable machine This weapons system has performed virtually every imaginable tactical event in the spectrum of conflict and by any measure is the most versatile C 130 derivative ever produced First modified and sent to Southeast Asia SEA in 1966 to replace theater unconventional warfare UW assets that were limited in both lift capability and speed the Talon I quickly adapted to theater UW tasking including infiltration and resupply and psychological warfare operations into North Vietnam After spending four years in SEA and maturing into a highly respected UW weapons system the Joint Chief of Staff JCS chose the Combat Talon to lead the night low level raid on the North Vietnamese prison camp at Son Tay Despite the outcome of

the operation the Talon I cemented its reputation as the weapons system of choice for long range clandestine operations In the period following the Vietnam War United States Air Force USAF special operations gradually lost its political and financial support which was graphically demonstrated in the failed Desert One mission into Iran Thanks to congressional supporters like Earl Hutto of Florida and Dan Daniel of Virginia funds for aircraft upgrades and military construction projects materialized to meet the ever increasing threat to our nation Under the leadership of such committed hard driven officers as Brenci Uttaro Ferkes Meller and Thigpen the crew force became the most disciplined in our Air Force It was capable of penetrating hostile airspace at night in a low level mountainous environment covertly to execute any number of unconventional warfare missions
